Cupid's Odd Pranks.

WHY SOME WOMEN FALL IN LOVE NO MATTER WHAT.

Perseverance Surely That You'll Be Nearer of the Right Kind of Man, Which Makes You a Woman and Writs a Woman's Fate.

If it is your fate to fall in love with a man who is not the right kind of man, then it is your fate to try to change him. It is your fate to be patient and persistent until you succeed. It is your fate to keep your eyes on the ultimate goal and to work towards it, even if it means sacrificing your personal happiness.

You may not be able to change the man, but you can change yourself. You can make yourself a better person, and in doing so, you may be able to attract a more suitable man into your life. It is your fate to be strong and determined, to never give up on your goals, even if it means忍受ing hardship and travail.
