**New Perfection  
Oil Cook Stove**

with the long blue chimney burns Pearl Oil (Kerosene) at a fraction of gas cost.

Every drop of oil is converted into clean intense heat by the long chimney.

The spotless, smokeless, odorless heat is forced directly against the bottom of the cooking vessel, giving maximum efficiency.

Burners are made of fine brass, insuring long wear, and safety from burning out.

**Puritan and  
Perfection  
Oil Stoves**

We sell and recommend Puritan and Perfection Oil Stoves because we have found they possess a minimum of troublesome features. Practically a standardized oil stove, it is always possible to get parts. Many an oil stove finds its way to the junk pile because the owner cannot buy wicks or burners. The manufacturer, possibly having quit business or discontinued making that particular kind of stove. Puritan and Perfection stoves are long past the experimental stage. They are a tried and tested success, you do not speculate when you buy them.

**HOOSIER  
KITCHEN CABINET**

**Don't Be a Slave to  
Pots and Pans**

Kitchen slavery is unnecessary as well as harmful. The Hoosier Kitchen Cabinet is a kitchen system—it simplifies every kitchen task, making work that is drudgery the old way, a pleasant task the new way. No kitchen is completely modern without a Hoosier. The price is easy, and easier terms can be arranged.
