PIANO IN KITCHEN, NO BATH, SHOCKS PRINCE

LONDON, May 13.—:I wasn't a bit nervous, he was so homely and nice," says Mrs. Todd, tenement dweller, after an unexpected call from the Prince of Wales. "He said it was a pity I had to keep the piano in the kitchen. I said there was no where else to put it. When I told him I had no bathroom, he asked how my daughters managed. I told him I had to heat water in the copper and they took their bath in the bedroom. He shook his head and said, 'That won't do, I'll have to look into that.' The prince has been greatly surprised at the cramped quarters of London tenement dwellers disclosed by members of the royal family.

PHYSICALLY FIT. AT ANY AGE

It isn't age, it's careless living that puts men "down and out." Keep your internal organs in good condition and you will always be physically fit. The kidneys are the most over-worked organs in the human body. When they break down under the strain and the deadly uric acid accumulates and crystallizes look out! These sharp crystals tear and scratch the delicate urinary channels causing excruciating pain and set up irritations which may cause premature degeneration and often do turn into deadly Bright's Disease. One of the first warnings of sluggish kidney action is pain or stiffness in the small of the back, loss of appetite, indigestion or rheumatism. Do not wait until the danger is upon you. At the first indication of trouble go after the cause at once. Get a trial box of GOLD MEDAL Eucalypti Oil Capsules, imported direct from the laboratories in Holland. They will give almost immediate relief. If for any cause they should not, your money will be refunded. But be sure to get GOLD MEDAL. None other is genuine. In sealed boxes, three sizes.

How Long Must I Suffer From the Pangs of Rheumatism?

Is there no real relief in sight? Doubtless like other sufferers, you have often asked yourself this question, which continues to remain unanswered. Science has proven that your Rheumatism is caused by a germ in your blood, and the only way to reach it is by a remedy which eliminates and removes these little pain demons from your blood. This explains why liniments and lotions can do no permanent good, for they cannot possibly reach these germs which infest your blood by the millions. S. S. S. has been successfully used for Rheumatism for more than fifty years. Try it to-day, and you will find yourself at last on the right track to get rid of your Rheumatism.
