EDITOR STATESMAN,

Dear sir---Believing that for the Negro especially the call for united action is imperative, to ameliorate our hard condition industrially and politically I endorse the move to incorporate the Negroes of this state into local leagues with representatives to a state body.

I will give my presence and aid toward formulating plans for union and in making it effective.

Name

Occupation

Address

In a short time a meeting will be called to whom all will be invited who have thus signified their co-operation.

ONE REASON

Negroes should have perfect and complete organization to fight disfranchisement.
