DENVER SOCIAL DOINGS

The revival meetings at Shorter church closed Sunday evening with 80 accessions and conversions. These meetings were conducted by Rev. Geons of Baltimore and his services were appreciated by the people to the extent of giving him in addition to his salary, a donation of \$70. The spiritual condition has been raised to the highest pitch by the revival work and in no less degree by the week of prayer preceding it and to the work of the various Christian Endeavorers and the different missionary societies organized for that purpose. Even though the pastor is now sick, he is planning a big anniversary of the church to be held the first week in April. The membership of the church has been divided into clubs with captains who will try to wrest the palm of victory. The members were faithful during these weeks of spiritual uplift and have expressed themselves as thoroughly refreshed thereby.

One of the coming events is the production of the Kermess, for Monday evening April 16, by the Guild Ladies assisted by many society ladies and gentlemen.

Bishop Abraham Grant, D. D., will preach at Shorter church Sunday at 11:30, and will occupy the pulpit at Campbell church at the evening service. On the next day he will leave for Colorado Springs, where he will hold services in the church there.

The coming of this great captain of the host in this western country will mean much to the A. M. E. connection at this time. Splendid crowds always greet him and the church will certainly be crowded Sunday.

Among the sick are Rev. Dyett, Jno A. Buford, Mrs. J. W. Finley, Catharine Doram and Thos. J. Boyce.
