**THE GREAT WORLD'S FAIR ROUTE**

VIA

The Louisiana Purchase Exposition or World's Fair, St. Louis, is in all respects the greatest ever undertaken in any country. It is more than ten times the size of the Pan-American Exposition at Buffalo, in point of floor space in the exhibit palaces; twice as large as the Columbian Exposition, at Chicago; about three times larger than the last Paris Exposition.

The Missouri Pacific is the direct line from Colorado to St. Louis, having double daily through chair cars, tourist and Pullman sleepers and dining cars. Very low round trip rates will be made for this great show.
