## CONDENSATION OF FRESH NEWS

THE LATEST IMPORTANT DISPATCHES PUT INTO SHORT, CRISP PARAGRAPHS.

### STORY OF THE WEEK

SHOWING THE PROGRESS OF EVENTS IN OUR OWN AND FOREIGN LANDS.

Western Newspaper Union News Service.

#### ABOUT THE WAR

Police in Berlin were forced to disperse a mob making a peace demonstration.

Reinforcements are being daily landed at Saloniki, now occupied by the allied troops.

Russians hurrying troops to Rumanian border and building ammunition depots on Danube.

An army of 250,000 British and French awaits battle with the Germans in Greece. The clash probably will be decisive.

U. S. note to Austria demands prompt denunciation of sinking of Ancona, punishment of submarine commander and indemnity for American lives lost.

Bulgars are reported as having crossed the Greek frontier. Berlin has asked the Greek ruler to explain his attitude toward the allies within Hellenic borders.

German and Austro-Hungarian submarines to date have sunk 508 ships, according to a news dispatch from Berlin. The total tonnage of the vessels sunk is given as 917,819.

The last ten lists of Prussian casualties contain 65,340 names. The lists cover the period from Nov. 15 to Nov. 26. The total Prussian losses to date are given as 2,224,248.

An order from Athens has commandeered all Greek ships in American waters. The vessels will be used it is said to transport food and supplies of a general nature to Greece.

Reports from Albania indicate that conditions there are most distressing, the people being on the point of starvation, the weakest being unable to resist the cold on account of hunger.

The United States in a note to France has protested against the seizure of German sailing on ships flying the American flag. The release of those taken by the cruiser Descartes has been demanded.

The British and French have fallen back into Greece. Berlin claims the British lost 40,000 men in the last engagement of the retreat. The Inniskillin fusiliers, a famous Irish regiment, sacrificed itself to cover the British retreat. With only their rifles to oppose cannon and machine gun fire the Irishmen stopped the Bulgarian advance. Most of them were killed.

#### WESTERN

At Minas and Prieta Villa is said to have personally directed the looting of twenty Chinese stores and the execution of their owners.

The Los Angeles city board of education defeated, by a vote of 4 to 3, a proposal to introduce military training into the high schools.

Chicago was selected by the Republican national committee as the meeting place of the 1916 Republican national convention, June 7 one week before the Democratic convention in St. Louis.

The Oregon Short Line Railroad Company has issued a circular canceling its blanket concurrence in the making of through passenger rates by way of the Denver & Rio Grande and Colorado Midland railroads, and has issued a conditional concurrence which reopens the Ogden gateway fight.

An electric railroad from Amarillo, Tex., to Denver, offering ranchmen of the vast territory of Eastern Colorado a direct route to the Denver market for their shipments of live stock and grains, and likewise providing merchants of Denver a market which heretofore they have been unable to reach, is to be started the first of the year, according to those interested in the project.

#### WASHINGTON

Senator Chamberlain introduced a bill for military training of citizens.

Advices to the State Department say Villa forces at Escalon and Durango have surrendered.

Ordinary receipts of the United States treasury in November were about \$12,000,000 more than in the same month last year.

Senator Kenyon proposed in a Senate bill to tax manufacturers of munitions and to prohibit passengers on munition ships.

Senator Cummins practically had decided to stake his political fate on the results in the Minnesota presidential primary in March. He will go to the voters on a progressive Republican plan and with a preparedness plan of his own.

In his forthcoming annual report Secretary Lane suggests the need for a national campaign for a better rural school. He speaks of "Young America, our 22,000,000 school boys and girls," as the chief resource of the nation, and asks, "Are we doing all possible to develop this resource?"

#### FOREIGN

The allied governments have taken steps to provide for the needs of the Serbian refugees as far as possible.

Yuan Shi Kai, president of the Chinese republic, has accepted the throne of China tendered to him by the council of state.

Pope Benedict is preparing to confer the papal blessing upon wireless telegraphy, it was learned in vatican circles at Rome.

The British government has decided to purchase American securities, paying for them in five-year 5 per cent exchequer bonds.

Peace manifestations have occurred not only at Berlin, but at Dresden and Leipzig, according to the German correspondent of the Berne Tagwacht.

Germany bowed to the wishes of President Wilson in the cases of Captains Boy-Ed and Von Papen. The Kaiser personally recalled the unwelcome attaches.

That at least 3,000,000 men have answered Lord Derby's call for volunteers was the report in official circles in London, following the close of England's greatest recruiting campaign.

Elisea Arredondo, Gen. Carranza's confidential representative in Washington, has been selected to be the next ambassador from Mexico to the United States.

Argentine newspapers speak in eulogistic terms of President Wilson's message. La Prensa regards it as being equal in importance to the enunciation of the Monroe doctrine.

A report that Emperor Francis Joseph's legs were paralyzed last year and that the emperor also has lost the use of his right arm is forwarded by the Rome correspondent of the Matin.

A resolution condemning President Wilson's preparedness policy brought a protest from prominent members of Henry Ford's peace party on the Oscar II when it was presented for adoption.

Gen. Francisco Villa left a desolate trail behind him in his eastward flight to Madera, Chihuahua, after his defeat north of Hermosillo. The only resistance offered was at San Pedro, where the advance guard was repulsed, though later Villa and 400 picked men are said to have taken the town and to have executed many of the inhabitants, sparing only forty young girls, who, the report states, were forced to accompany the Villa troops.

#### SPORTING NEWS

Art Smith did the "dippy twist" and his other "aerial insanity" stunts for the inmates of Agnews state insane asylum near Santa Clara, Cal.

Tommy Buck, Philadelphia featherweight, defeated Benny McGovern of St. Louis decisively at Kansas City in a furiously fought ten-round bout.

John Borden, millionaire sportsman, has arranged to embark on a whaling and fur-trading expedition in the Arctic ocean next spring, it was announced in Chicago.

Harvard athletic statistics show that 1,623 students have engaged in major and minor sports so far this year, the largest number in the history of the university.

A large steel battle plane of a new type was given an exhaustive flying test at Readville, Mass., by Lieut. Byron O. Jones of the United States army, in the presence of other officers and members of the aviation corps of the Rhode Island National Guard.

The act of Congress forbidding the importation or interstate transportation of moving picture films of a prize fight, was declared constitutional by the U. S. Supreme Court. As a result the Jack Johnson-Jess Willard pictures will not be seen in this country.

#### GENERAL

Representatives of a group of Russian banks are negotiating with bankers in New York for a new credit to the amount of \$50,000,000.

Candidates for the Good Government Association won all the four city council seats voted for in Boston's election. License advocates were again in a considerable majority.

Francis Marion Cockrell, former United States senator from Missouri, died in Washington. Infirmities of old age, resulting in serious illness during the past two weeks, caused death. He was 81 years old.

Through the efforts of the Harvard students' employment bureau, 539 undergraduates were able to add a total of \$90,000 to their incomes last year in various vocations which did not interfere with their studies.

The Texas & Pacific railroad must pay \$15,250 to the heirs of J. T. Bigger of San Antonio, Tex., because of his ill health resulting from being put off a train in a rainstorm at Longview, Tex., the U. S. Supreme Court decided.

Seven men are known to be dead; two others are missing, and hundreds of passengers were imprisoned for hours in twenty-five railroad trains near New York as the result of Monday night's blizzard, reported the worst since 1888.

Miss Edith Channel, a 23-year-old girl who walked from Topeka, Kan., to San Francisco to see the exposition, arriving last August, died at San Francisco from a revolver shot through the heart, apparently self-inflicted. She left a note directing that her belongings be forwarded to Topeka.

A jury in Justice Hendrick's part of the New York Supreme Court awarded a verdict of \$12,500 to Herman Feldman, who, while employed by the Washburn Wire Company, in 1914, lost a leg in a scrap binding machine.
