YOUNG SOCIETY GIRLS INCORPORATE.

On Thursday of this week "The Modern Girls of '76" filed articles of incorporation with the Secretary of State, and are now an incorporated society. These young ladies have been organized now for about three years, and have decided to perpetuate their name and organization by duly and legally incorporating the same. Their purpose is for purely social and literary uplift, and charitable work whenever needed.

MADAME ZACKERY'S RECITAL QUITE A SUCCESS.

Madame Jessie Andrews Zackery's recital in songs last week Thursday at Shorter Church was nothing short of a rich musical treat, and music lovers and others felt amply rewarded for their presence among the large and appreciative audience whose privilege it was to hear her. Madame Zackery is one of our own young ladies, and Denver feels proud that she is measuring up to the artistic standard of other larger and older cities by producing such talent. The ease, grace, tonal effect, choice of selections, etc., were of that order that showed careful training, and the performer deserved the numerous applause she received from the critical audience that greeted her. She was accompanied by Professor Wall of the Western Music Institute, whose pupil she has been for some time. We offer our congratulations to our young artist, and hope she will continue to represent us in the noble art. Madame Zackery was presented by the Loyal Legion of Shorter Church.

UNIVERSAL NEGRO IMPROVEMENT ASSOCIATION.

Office, 2626 Welton Street.

The membership drive continues, and every bee in the hive is endeavoring to prove its ability otherwise than as a drone. Of course, there are some who would rather "wait for results" than help to get results, but we cannot stop for them.

The slogan being "Organize the Brains, Pool the Resources, Invest Wisely," we have to push on to our goal of 300 members by the end of this month.

Next Tuesday evening, July 19, our regular meeting will commence at 7:30 o'clock, as the social hour takes place at 8:30, when a program will be rendered and refreshments served by the ladies.

Supplies in the form of certificates, dues cards, buttons and report blanks have been received, and members can call at the office and receive same. Much interest is being evinced in the association, and the fund to send the delegate to the international convention is growing rapidly. The thanks of the association is extended Mr. B. J. Johnson for wire basket, and Mr. Robert Mitchell for office clock.

Mass Meeting Under the Auspices of the Denver Colored Civic Association and N. A. A. C. P. Over Bombing of William Chapman's Residence, at Shorter Church, July 10.

LAST Sunday afternoon upwards of six hundred citizens responded to notices given out at all the services in the morning for a meeting to be held at Shorter Church to discuss the proper methods to be adopted to assist the authorities in bringing to justice the guilty parties who bombed the residence of Walter Chapman, postoffice clerk and secretary of the Colored Civic Association. Attorney Thomas Campbell presided, giving an account of the crime and the circumstances leading up to it. District Attorney Van Cise and Manager of Safety Downer were present and were introduced to the audience. Mayor Bailey was indisposed, and the Governor was absent from the city. Remarks from the city officials gave the assurance that the police department was doing all in its power to capture the bombthrower and those connected with the unfortunate incident. Dr. J. H. P. Westbrook, Attorneys Carey, Blake, more and Rev. Dr. Thomas denounced the crime and impressed the people with the necessity of going about the matter in a calm and intelligent manner, not provoking any action, but with a determination to bring the criminals to justice. A vote of thanks was given the officials for their courageous action in meeting with the citizens to discuss the matter, and to advise and suggest the best means to be adopted, and the singing of a hymn brought the proceedings to a close.

NEGRO WOMEN'S NATIONAL REPUBLICAN LEAGUE.

We hope to make this the most important political gathering (Negro) ever held in the United States. Strong delegations of our ablest and best women from all of the states will be in attendance. We shall seek within the ranks of the Republican party to work out those race problems which are hampering the advancement of the Negro. Questions affecting the welfare of our people will be fully discussed. All who come will be given a hearing.

MONEN L. GRAY,

President Negro Women's National Republican League.

WEATHERHEAD HAT FACTORY.

The Weatherhead Hat Factory, having outgrown its old quarters, is very comfortably located at the Albany Hotel, Stout street, above Seventeenth, where the usual courtesy, civility and best workmanship of this firm, for several years established in the West, will be continued, to the delight of its many patrons. This factory guarantees satisfaction, and the public in its endorsement of the same can be guided by the years of experience of The Colorado Statesman in its successful dealings with the firm.

To the Members of the National Negro Bar Association of the United States: Gentlemen—The next annual meeting of the National Negro Bar Association will be held in the city of Atlanta, Georgia, August 17, 18, 19, 1921, at the same time the Business League Press Association, National Negro Bankers' Association, Funeral Directors' Association and other auxiliary organizations will hold their sessions in that city.

We want to urge upon every member of the bar association throughout the country in good standing to be present either in person or by representative from their local bar.

There was never a time when the ripe experience and combined wisdom of the members of our fraternity are more needed, especially when we are reminded that our country is being reconstructed along both international and national lines.

Membership in some local bar and admission to practice in the highest courts of your state are the only requisites to membership in the National Negro Bar Association, and Negro lawyers all over the country are urged to be present and to join. All attorneys who intend to be present should communicate with the president or secretary on or before August 17, 1921.

Let us get together, stand together and work together.

Why They Smiled.

I had been to a dance the night before and as my feet hurt me the next day I took off my shoes and kept my feet under my desk. I had just started typewriting and was deeply engrossed in the letter that I was transcribing when my boss called me into his office where he and six other men were holding a conference. I quickly jumped from my chair and walked into his office, forgetting my shoes. I noticed that the men were trying hard not to laugh and I finally woke up to the fact that I did not have my shoes on.—Chicago American.
