Washington, D. C., Jan. 14.—Intention of Postmaster General Will H. Hays to retire from the cabinet in the near future to become directing head of an association of moving picture producers and distributors was announced today at the White house after a conference between President Harding and the postmaster general.

A Warship To Sink With Honor

Veteran of Navy To Be Scraped With Flags Flying Is Plan

Washington, D. C., Jan. 14.—A warship, the George Washington, which was launched before the completion of the American battleship in 1902, was to be the subject of a spectacular event today at the Navy Yard when it was announced that the George Washington will be the first American vessel to be scrapped with flags flying. The George Washington was launched in 1904 and has been in use as a training ship and as a floating magazine for the past 20 years. It will be the first American vessel to be scrapped with flags flying, and the ceremony will be attended by representatives of the Navy Department, the War Department, and the Manufacturers Association.
