Family Groups Predominately in the Audience of the Ill-fated Knickerbocker Motion Picture Theater

WASHINGTON, D.C., January 30—(By The Associated Press)—Official police records today placed the known dead in the Knickerbocker theater disaster at 107. Elimination of duplicated names brought the total down from the unofficial peak of 112.

The list of injured stood at 134 with 14 listed as "seriously injured."

Caught beneath the falling roof beams, scores were taken to hospitals suffering with broken limbs or severe internal injuries. Many were not immediately noticed at some improvised emergency stations. Family groups predominated in the audience that was last night gathered to watch the premiere of "Terror." The sound of gunfire was heard by many people who were first to the scene, only to learn that it was the earthquake.
