DOSE UP BY CUBAN GIANTS.

N. H. A. Team An Easy Thing For the "Colored Gentlemen"—Score 11 to 3 in Favor of Giants—Other Baseball News. The Cuban Giants didn't do a thing to the New Haven Athletic association nine at Elm City park yesterday, or perhaps it was because the N. H. A. boys didn't do a thing that they were so badly beaten. Let the reader gather his own impression from the score, 11 to 3, in favor of "de cullud gentlemen."

The attendance was fairly good, there being about 250 people in the grand stand and on the bleachers. The Giants are well known in this city for the peculiarly humorous coaching phrases of which they make such frequent use. Every man of the New Haven team was made the butt of their sallies, but the boys took it all in good part. Finally getting tired of jollying the players, the colored men began to make humorous remarks of a personal nature to the umpire, George Hart of Pittsfield, but he wasn't in the joking mood and threatened to leave the field if the remarks concerning him were not stopped.

The Athletics went to bat first and proceeded to cover themselves with glory by going out in one, two, three or four. It became at once apparent as soon as the home team took the field that they were not playing in the form they did at Derby the other day. With one man out the Giants soon filled the bases, and then Catto hit out a fly to right. The ball was thrown in quickly enough, but seemed to get lost in the shuffle somehow, and was not found until all the bases had been emptied and four scores had been put down for the Giants, a run having previously been let in by an error by Lauder. New Haven was shut out again in the next inning, and not a man got to first until the third inning, when Sullivan got as far as second and Dunne to first.

The Giants in the second followed up the work begun in the first, and slid six more runs over the plate. Thus far the home team had been all at sea, and not a man had played with the life of a turtle, but in the third they seemed to awake to the fact that they were playing ball and from then on played fairly good ball, but not by any means their usual game. The Giants were shut out in the third with only one run, and that was the last they got in the game, being held down in good shape by the Athletics. Up to the seventh New Haven had not scored, but in the seventh Johnson hit out a good clean one to center and got first. Dunne followed with a light bunt, but got first on an error by Catto, while Johnson reached second. A passed ball on an error by A. Jackson let both home, making the score 11 to 2 in favor of the visitors at the end of the seventh.

In the first of the eighth Farnham led out with a beauty of a two-bagger, and was advanced to third on a sacrifice by Lauder. Farnham finally scored on an error by Catto, making the final score 11 to 3, as neither team scored again. Probably the reason for the poor showing made by the Athletics was owing to the fact that they were saving their best pitcher, Johnson, for the game with Milford to-day. Johnston only played in the last two innings yesterday and then at third base. Dan Sullivan, Manager Griest's newly acquired catcher, played behind the bat yesterday and showed that he knows the game all right. He made several fine throws in the game. He was early in the season catcher for Amherst and a star in the New England Inter-collegiate league.

The game at Elm City park with Milford this afternoon promises to be a good one. The Milfords have a strong team, and Mansfield, who played with Newark in the Atlantic league, will pitch. Johnston and Sullivan will be the battery for New Haven. Johnston is a star twirler and will without a doubt hold Milford's hits well down today. The score by innings of yesterday's game was as follows: C. G. ... 4 6 1 0 0 0 0 0 0-11 N. H. A. ... 0 0 0 0 0 0 2 1 0-3

ENDED IN A ROW.

Dispute Between Lancaster and Hartford—Other Games. Lancaster, Pa., July 17.—To-day's game between Hartford and Lancaster ended in an exciting dispute in the ninth inning when Lancaster was at the bat. Buttermore struck at a wide ball pitched by Vickery. The ball struck Catcher Smith's glove and bounded to the grand stand. McQuaid and Westlake scored, but Empire Hoagland claimed Buttermore's bat tipped the ball and he called it a foul. This raised a row and the players swarmed around in menacing style. Hoagland refused to reverse his decision and walked off the field, followed by the jeers of the crowd. Lancaster was willing to continue the game with players as umpires, but Manager Barnie of Hartford refused to play without an official umpire. The score stood 5 to 4 in favor of Hartford in the ninth inning and Lancaster would have been in the lead if McQuaid and Westlake's runs had been allowed. The game from the sixth was played under protest by Manager Barnie, he claiming that Lancaster's two runs scored in that inning could not be counted on account of interference by Seybold, the latter being declared out, but Hoagland allowed the runners to score.

The case will be reviewed by the Atlantic league. As it ended it was nobody's game. Vickery and West were the pitchers. West retired in the eighth inning and Yeager took his place. Lancaster made seven hits, and one error; Hartford nine hits and three errors.

Philadelphia, July 17.—The Newark defeated the Athletics again this afternoon in a sharp and well played game. Score: Athletics ... 1 0 1 0 0 3 0 0 0-5 Newark ... 3 9 1 0 2 0 0 0 0-6

Hits—Athletics, 9; Newark, 4. Errors—Athletics, 4; Newark, 2. Batteries—Ames and Milligan; Frye and Hodges. Paterson, N. J., July 17.—Paterson pulled out a victory in the tenth inning to-day after an exciting game. The opposing pitchers were both effective. The score: Paterson ... 0 0 0 2 0 0 0 0 1-3 Wilmington ... 0 0 1 0 0 0 0 0 0-2

Hits—Paterson, 5; Wilmington, 7. Errors—Paterson, 2; Wilmington, 2. Batteries—Cogan and Killockey; Nops and Kinsella.

J. E. MILES' PROPOSITION.

He is the Lowest Bidder For the Brick Pavements. The lowest bid made for the work of laying pavements in Wooster and Ashmun streets opened Wednesday by the board of public works was that of J. E. Miles, agent for the Mack Vitr brick, which it was proposed to use at these streets.

Yesterday Mr. Miles made a proposition to the members of the board of public works and to the committee on streets of the court of common council to the effect that he would take, at his own expense, two members of the board of public works, the city engineer and two members of the street committee to various cities where the Mack Vitr brick has been in use six or eight years for the purpose of examining the pavements. Mr. Miles proposes to take the visitors to cities where the worst pavements are to be found and he stated to the board of public works and to the street committee that in the event of the visitors not finding the pavements in a better condition than the one in use at the corner of State and Chapel streets he would immediately withdraw his bid.

The pavement at Chapel and State streets is of Syracuse brick, the kind ordered by the court of common council for Wooster and Ashmun streets. A member of the board of public works said last evening that his board would favorably consider such a proposition, it being the best method of obtaining correct information concerning brick pavements. He would like to see Chairman Hamilton a member of the visiting committee, as this would give Mr. Hamilton an opportunity to see how the committees from the board of public works made investigations into these matters. Mr. Hamilton would then have an opportunity to find out very much that would add to his stock of knowledge concerning the subject of street paving.

These pavements which Miles claims to show have required, he says, but nominal repairs. He will go into a written agreement to perform his part of the arrangement and will withdraw his bid upon an adverse report from the committee.

THE CLEVELAND CELEBRATION.

Connecticut's Participation in the Event—What Governor Coffin Says—What the Hartford Guards Propose—The New Haven Company. Governor Coffin and Major E. Henry Hyde of the First company, Governor's Foot Guard of Hartford, have both received urgent telegrams from Wilson M. Day, general director of the centennial celebration in Cleveland, O., in regard to the company's attending the centennial celebration. The Cleveland Guards at a meeting Tuesday night voted to offer the Foot Guard the hospitalities of their army while the command is in that city. Captain Rees of the Grays has telegraphed the results of the vote. The people of Cleveland are extremely anxious to have the Connecticut Foot Guard to visit the city in connection with Governor Coffin and the state officers.

Governor Coffin stated to a reporter yesterday that in the absence of special legislative action there is no legal authority to incur expenses in such matters, and yet it would seem obligatory on the part of the state authorities to do such things from time to time as they may be reasonably called for, as a matter of courtesy and comity towards other states. This was emphatically the case last year in the matter of the representation of Connecticut at the Atlanta exposition, and there is no doubt that credit was gained by the state in connection with that affair that was worth many times its cost. In the Cleveland case, the reasons for creditable representation are even stronger. So important and desirable did the Ohio and Cleveland authorities deem an extensive representation from Connecticut that the governor of Ohio, the members of his staff, the mayor of Cleveland, and a number of leading citizens made a journey to Hartford to extend a formal invitation to the state of Connecticut and the city of Hartford to send a large representation, especially to participate in the exercises of July 22, Founders' day.

Governor Coffin further stated that he would go to Cleveland with members of his staff. Owing to the expense he would not order the Foot Guard to go to Cleveland. He believed, however,

that the Foot Guard should go to Cleveland at their own expense, and he thought the general assembly would reimburse them. The expense incurred by the Foot Guard of Connecticut in connection with the trip, would be paid by the state.

The members of the First company in Hartford held a special meeting last night and it was the unanimous opinion that if the state would pay their expenses that they would go.

Major Brown of the Second company, Governor's Foot Guard, received an invitation yesterday from Governor O. V. Coffin to attend with him the Ohio centennial celebration at Cleveland next week, but as the notice is so short the company will be unable to attend.
