## The Indorsement by the Red Cross Society of Dr. Greene's Nervura Means Everything to those Who Need Medicine, for the Whole Aim and Object of the Society is to Relieve Suffering.

### Clara Barton, Head of the Most Benevolent Order on Earth, and Best Known Woman in the Whole World, Thus Gives the Encouragement of Her Own Word to Every Sufferer that Dr. Greene's Nervura will Give Back Lost Health and Strength. One Has Only to Use It to be Well and Strong.

Why will people continue to suffer and drag out an unhappy and miserable existence when there is a remedy sure to cure? Dr. Greene's Nervura blood and nerve remedy is pronounced on every hand and by all classes of people to be the most wonderful cure for disease ever known. It cures where all others fail. Physicians declare Dr. Greene's Nervura to be beyond doubt the greatest medical discovery of this century and recommend and prescribe it as the surest of all remedies to restore health and strength, to make the sick well and to relieve the weakness, debility, pain, anguish and suffering of disease.

What higher commendation can this medicine have, what more convincing proof, what more positive assurance that Dr. Greene's Nervura blood and nerve remedy will surely cure, than the recommendation and indorsement of the Red Cross Society through its President, the world wide known and universally loved and honored, Clara Barton, who has brought relief to thousands of the world's suffering, whose crowning act of benevolence clearly in carrying to stricken women ships laden with the tender mercies of charity is a matter of history known to all the world.

Such is the world famous Clara Barton, President of the Red Cross Society, and her words in praise and recommendation of the wonderful cure of disease, Dr. Greene's Nervura blood and nerve remedy, will be the kindling of new hope to thousands upon thousands of those who are sick, out of health, weak, nervous, or who suffer from headaches, rheumatism, neuralgia or other painful and distressing disease, nervous affections or poor blood. No suffering person certainly can hesitate for an instant to immediately secure and use this greatest of medicines, Dr. Greene's Nervura, when the President of the greatest benevolent order on earth gives personal assurance of the great value and wonderful health-giving powers possessed by Dr. Greene's Nervura blood and nerve remedy.

Clara Barton says: "Dr. Greene's Nervura blood and nerve remedy and although the remedy has been in my hands but a short time, we judge that the remedy has all of the merits which are claimed for it. We shall still continue its use, with the expectation that we shall be able to indorse it still more highly."

## MOURNING THE DEAD JURIST

### WANTED FINE TRIBUTE TO THE WORTH OF HERSON.

Judge Fenn's Funeral, Yesterday—Supreme Court Members Were Honorary Pall Bearers, and Superior Court Judges Were Active Bearers—Body Lay in State—Action of the Army and Navy Club.

Winsted, Sept. 14.—All Winsted is mourning to-day the death of the late Augustus Hall Fenn, associate justice of the supreme court of the state of Connecticut, and the residents of the town in which the distinguished jurist made his home are assisted by many prominent men from all parts of the state in paying the last tributes of respect to the memory of Judge Fenn.

General sorrow prevails at the loss of the man, and there are everywhere evidences of the respect borne him. Out of respect to the deceased business was suspended this afternoon. From 1 until 3 o'clock all stores and places of business were closed.

The Board of Public Library was closed for the day. The town hall was draped in black and the flag on the Gilbert High school was floating at half mast. The public funeral services were held at 2 o'clock this afternoon in the Second Congregational church.

This morning at 10:30 prayers were said for the family at the late residence of the deceased. Rev. Edward S. Ferry, pastor of the Methodist Episcopal church, officiated and none but members of the family attended. Accompanied by a guard of honor from Palmer post, G. A. R., of which Judge Fenn was a member, were taken to the Second Congregational church where, in the vestibule the body lay in state from 12:30 until 2 o'clock.

The public ceremony was conducted by Rev. Mr. Ferry, assisted by Rev. N. M. Calhoun, pastor of the church. Mr. Ferry delivered the address. The honorary bearers were Judge Fenn's colleagues on the supreme court bench, Chief Justice Charles B. Andrews of Litchfield, Justice David Torrance of Derby, Justice Simeon E. Baldwin of New Haven, ex-Court Reporter John Hooker of Hartford, Prof. Francis Wayland, dean of the Yale law school, and Governor Lorrin A. Cooke.

The active bearers were judges of the superior court, Judge Frederick B. Hall of Bridgeport, Judge S. O. Prentice of Bridgeport, and ex-Judge Dwight Loomis of Hartford.

The church was filled with friends and acquaintances of the deceased. There were delegations from the Army and Navy club of Connecticut, of which Judge Fenn was president, and from the Litchfield County Bar association. The interment took place in the family lot in South cemetery.

Meeting Held of the Army and Navy Club—Its Tribute. At a special meeting of the Army and Navy Club of the state of Connecticut, held at Winsted, Conn., on the 14th day of September, 1897, the following was adopted as the report of the committee on the death of Augustus H. Fenn, Second Judge of the Superior Court of the State of Connecticut, and President of this Association, who died at Winsted, Conn., September 12th, 1897.

admitted to the bar February 15th, 1867. He then studied one year in the law school of Harvard university, receiving the degree of Bachelor of Laws in 1870. He practiced law in Plymouth, where he practiced until 1876, and then moved to Winsted, where he practiced until 1884. He was admitted to the bar of the state of Connecticut in 1875 and was the republican candidate for secretary of state. In 1884 he was removed to Winsted, where he had since lived. He was judge of probate for the Winchester district for seven years. In 1884 he was elected a member of the house of representatives in the general assembly and served on the judiciary committee and as chairman of the committee on judicial reform. He was appointed by the legislature to the committee to revise the probate laws of the state at this session. Governor Harrison appointed him a member of the commission to revise the statutes of the state, the revision being published in 1887. In 1887 he was appointed a judge of the superior court, and in 1893 he was promoted to be an associate justice of the supreme court for a term of eight years, which office he held at the time of his decease.

He was a member of this association for many years and was elected its president in 1886, and again in 1897. He was an able and enthusiastic soldier, who met every situation with perfect composure, great firmness, and a personal magnetism of rare quality, and yet, at the same time, he was a man of great courage and dash, and he rarely failed to speak of his personal experiences and actions upon the field.

His civil record like his military career, is a record of honor and distinction. He was broad-minded, manly, and honest. He was liberal in sentiment and generous in a fault. He was loyal to the state in its affairs as he was true to his country in its trials. He was a man of high character, and his life was a lesson to all who knew him as we knew him, and as his friends and neighbors knew him, no reward is needed to keep green in memory the remembrance of this rare man, soldier, and one of nature's noblemen, great and irreproachable.

Therefore resolved: That this association unite with the citizens of this state, the citizens of his commonwealth, and with his hosts of friends, and the community in which he lived, in expressions of respect and sorrow that he was taken away in the prime of his usefulness and in the vigor of his manhood.

Resolved: That this association tender to his widow and family its sincere condolences. Resolved: That this tribute to the memory and worth of our departed president be entered upon the records of our association and the copies be sent to his family. Official: W. T. HATCHELLER, ALFRED B. BEERS, Committee. SIMEON J. FOX, Vice President. J. N. COB, Secretary pro tem.

Nelson E. Loomis. Nelson E. Loomis, aged seventeen years and six months, died September 7 at the home of his parents, William A. and Frazalen Loomis, 58 Winter street. He was a graduate of Childs' business college, and an expert bookkeeper in the employ of the Winchester Repeating Arms company, where he gave excellent satisfaction and was universally liked by his superiors and his fellow employes. Some time ago at an outing of the Young Men's Republican club, of which he was a valued member, he contracted a heavy cold that settled on his lungs, causing a fatal complication.

During his long illness he was attended by the best of medical skill, and everything possible was done to save his life. At his own request "Divine Healer" Schrader was called in, but his efforts were of no avail. Frequently during his illness a great number of floral remembrances were sent him by his friends and fellow clerks and there were a host of callers at the saddened home daily to learn how he was getting along.

To the great sorrow of his many friends and the unspeakable grief of his family he passed away on the 7th of this month. Deceased was a consistent member of Summerfield M. E. church, a young man of excellent habits and exceptional character. The funeral was held on September 12. Rev. J. Balfour Smith, his pastor, officiating. There was a large and sorrowing attendance of friends. Interment was in Evergreen cemetery. The pallbearers were Henry L. Coggeshall, S. Marshall, C. Johnson, A. Fields, A. Norton and E. Henry.

The funeral arrangements were in charge of Undertaker Theodore Keller. PAINTING THE ARMY. To-day workmen will commence painting the interior of the army, which is to be repainted and kalsomined throughout. R. B. Bradley has the contract for the work. These repairs, which are much needed, were determined upon by Quartermaster General Von Kuesen on his visit to the army last week.

## PICTURED THE KLONDIKE.

"Klondike and Alaska" was the interesting theme of F. C. Southard's stereopticon lecture at the Hyperion last evening. Mr. Southard treated his subject in a manner at once instructive and interesting to those who had assembled for the purpose of hearing something of this distant gold field. The pictures shown by Mr. Southard were excellent, being carefully chosen for the purpose of exhibiting the salient features of the country. In the course of his lecture Mr. Southard gave many facts about the country and the difficulty and cost of reaching the Klondike.

## Plumbing and Gasfitting

### J. H. Buckley, 179 Church S

THE APOLLO LAMP—the most economical Lamp ever manufactured—consumes only 2 1/2 cubic feet of gas per hour, less than any other Lamp in the market. The Apollo Lamp can be adjusted to any Gas Fixture, is adapted for natural, coal or gas-burner gas, and is provided with an Automatic Regulator, which prevents the breaking of chimneys by a sudden increase of gas pressure.

The APOLLO MANTLES are the most durable ever manufactured; they are made in any desired tint. The Apollo Light has the best adapted for private dwellings, as it is free from that ghastly blue smoke which is so objectionable to the ladies. The Blue-White light is the best for stores and where the greatest possible candle-power is wanted. These Mantles are suspended from the top of the well, by a loop of material, same as that from which the Mantles are made. There is nothing to burn off and destroy the Mantles, and their being suspended from the top prevents any sudden jar from breaking them as is common with other Mantles. THE ARNOLD CO.
