There will be a game of football at Yale field this morning between two eleven composed of boys aged about fifteen years. Prof. A. W. Wright's son is captain of one team and Walter Totten of the other.

An effort is being made to establish a branch of the French academy of New York in this city. In order to interest New Haveners a free lecture will be given in one of the local halls one day next week.

Dr. E. H. Arnold of this city gave an interesting lecture on physical culture and gymnastic exercises in Rockville Thursday evening before local and visiting turners. A large number of Rockville's most prominent citizens were present at the exercises. In the evening a concert was given by an orchestra followed by a grand ball, which was largely attended.

TRIAL OF MARTIN THORN. State Springs a Surprise by Withholding Mrs. Nock's Confession. New York, Nov. 26.—Lawyers Howe and Moss, who have diligently conducted the defence of Martin Thorn, accused of killing Guldenstuppe, met today with a serious and unlooked-for obstacle when District Attorney Youngs informed the court that the people rested their case. It had been generally expected that Mrs. Nock would be put on the stand to reiterate her confession.

District Attorney Youngs said that he was not prepared to say whether Mrs. Nock would be produced or not. The case, as far as the district attorney's point went, was fully proved without the woman's testimony. Later on, however, one of Mr. Youngs' advisers said that in case the defence put Thorn on the stand, the prosecution would certainly produce Mrs. Nock in rebuttal.

The evidence adduced to-day by the prosecution showed a possible inclination on the defendant's part to get rid of his enemy Guldenstuppe. From current reports Guldenstuppe had much the better of the argument when it came to flinty and Thorn confessed later that he had discharged a revolver accidentally, but a few minutes afterwards told another friend that he shot at Guldenstuppe but missed his mark.

All these things were brought before the jury and when it was about time to renew the sensational story of Mrs. Nock, the defence, after a whispered conversation, informed the court that the people had rested. Thorn was less surprised than his lawyers when this statement was made. Thorn took in the situation at a glance and bent forward in earnest conversation with his lawyers.

Mr. Howe for the second time during the trials of his client saw rocks ahead and appealed to the court for time. "I shall, with your honor's permission," he said, "try to get through with my defence on Monday, but if it should exceed that time I am sure I can get in all my evidence in a couple of hours on Monday." Justice Maddox, after a conference with both lawyers, decided to postpone further consideration of the case until Monday.

Lawyer Moss when pressed for a statement as to the probable production of Thorn on the stand, said: "Wait until you see him there. I cannot tell you anything just now, but Monday will be a lively day."

DEATH OF MARY F. WOODRUFF OF ORANGE.

Mary F. Woodruff, a resident of Orange, this state, and known to a large circle of friends in this city, died last evening at the home of Mr. A. H. Alling in Derby. Deceased had been ill but a short time. About two weeks ago she was operated upon by a New York surgeon for appendicitis. She withstood the operation very well and for the first week showed many signs of improvement and it was thought she would fully recover. During the past week, however, blood poisoning developed, and despite all efforts of the doctors she grew steadily worse until last night, when death ended all.

Deceased was unmarried and leaves three brothers and one sister: George E., of Bayonne, N. J.; F. D., of Orange; F. H., of Milford, and Mrs. Everett B. Clark of Orange.

Funeral arrangements will be announced later.
