but that will not permit us to sit idly by and allow the situation to grow worse.

FAVORABLE TO ROOSEVELT DIVISION.

It is interesting news which comes from Washington to the effect that the lower house of congress has voted favorably in regard to giving the president authority to permit Colonel Roosevelt to raise and take to France for service a division of volunteers.

There is need for an American army on French soil just as soon as it can be sent there. The division of railroad men will be able to do much in the way of rendering assistance.

THE WAR REVENUE BILL.

It was anticipated when the war revenue bill was presented to the house that there would be many of its provisions which would arouse opposition.

OUR SMALL ARMS.

One of the handicaps which appear likely to result in the equipping of the army which is being raised is the rate which can be expected from the stability of the government to supply a sufficient number of small arms.

EDITORIAL NOTES.

There is new evidence furnished each day to the effect that the army on the farm is not only mobilized but already moving.

OUR SMALL ARMS.

One of the handicaps which appear likely to result in the equipping of the army which is being raised is the rate which can be expected from the stability of the government to supply a sufficient number of small arms.

WOMAN IN LIFE AND IN THE KITCHEN

SUGGESTIONS FOR THE HOUSEWIFE

Minced beefs, potatoes and cucumbers with mayonnaise make a good salad.

For tired feet make a mixture of alcohol and lemon juice and rub on the feet and ankles.

After scrubbing thoroughly, make a few slits in the skins of potatoes that are to be baked.

A little borax, dissolved in warm water, will help to keep the children's teeth clean and sound.

Fasten a pin cushion to the top of the sewing machine arm and whole minutes will be saved.

A hot water platter is a boon to the housewife whose "men folks" are frequently late for dinner.

The business man's lunch of a glass of milk and a piece of apple pie is really a well-chosen meal.

Add a pinch of borax to the rinsing water of handkerchiefs, if you would have them a little stiff.

Baked apples are delicious with their cores and seeds removed and macerated in chopped nuts and sugar.

All cleaning cloths, such as dish cloths, require frequent boiling.

Fruits ought to be thoroughly washed before serving.

Garbage—if one lives in the country—should be either burned or buried.

Silver may be kept bright by polishing with soft flannel saturated with ammonia.

After a fowl of any kind is cleaned the inside should be rubbed thoroughly with a piece of lemon before the dressing is put in.

If a tack has been driven far into a floor and is too heavy to remove easily, it can be removed more easily if a drop of oil is poured on it.

The easiest way to clean the bean pot is to fill it with cold water, put in some kind of washing powder, cover the top with a hand on the stove and come to a boil.

If you want hot biscuits for breakfast and do not care to get up early mix the dough and cut the biscuits the night before, put them in the refrigerator and in the morning they are ready to pop into the oven.

MAKE FLYPAPER AT HOME. Melt one-half pound of resin and dilute to the consistency of molasses with four ounces or more of sweet oil or lard oil.

To clean light colored window shades and make them almost like new again take them carefully from the rollers and stretch at full length.

Candy striped muslin in pink and white, yellow and white and red and blue are the best pieces for country wear.

Huge black feather fans are carried by many women and peacock fans are much prized.

To clean light colored window shades and make them almost like new again take them carefully from the rollers and stretch at full length.

Loosely woven gray scrim, which is inexpensive, would make extremely good looking curtains for your living room or library.

When changing the thread on your sewing machine remove spool from spindle without breaking the thread.

Towels may be marked expeditiously and also effectively by using coronation braid which is made in various colors, according to taste.

If orange has the psychological effect attributed to it, then certain people will establish a new record for brilliancy, for orange is the new color for interior decorations, and especially in the wall papers.

One of the smartest of orange patterns in wall paper is a design in which a conventionalized poppy motif spreads itself out in graceful arabesques over a darker surface.

In the same category is an orange ground pattern on which a black and white pattern on a black

TO CLEAN WINDOWS.

Before starting to clean windows carefully brush all dust off the frames. Also add a few drops of kerosene to the water.

It is estimated that the women of this country waste over \$700,000,000 a year in their kitchens.

Miss Rose Moriarty, city clerk of Elvira, O., is recognized as the political boss of that town.

After 1921 no girl will be allowed to graduate from Vassar college unless she is an expert swimmer.

Mrs. Charlotte Reagan, aged 76, has proved her age to 136 years of home-stead land in California.

Black lead mixed with turpentine instead of water gives a more brilliant and lasting polish, and prevents the stove from rusting, no matter how damp the weather.

To make kid gloves look like new after they have been cleaned rub over with white of egg.

Apple Surprise—Pure and remove cores with a corer from juicy, tart apples. Fill cavities with sugar mixed with cinnamon, chopped raisins and a little butter; then steam until tender.

Shaker Layer Cake—Cream together one-half cup of butter and one cup of light brown sugar; add two eggs beaten light, one-half cup of water, or teaspoonful of lemon extract, two teaspoonfuls of baking powder sifted with one and three-fourths cups of flour and one cup of bicolor or buttermilk meats chopped rather coarse.

There are dozens—hundreds—of pretty girls turning themselves into plain, unattractive features and appearing at least ten years older than their proper age, simply because they are wearing their hair in the moribund fashion ever evolved by the morbid imagination of a crazy hairdresser.

Some beauties manage to still look fascinating with their hair oiled and dampened until it resembles a coat of black paint rather than hair.

STORIES OF THE WAR

On the Arras Battlefield. Stirring incidents of the tremendous fighting on the Arras battlefield are related by wounded officers and men who have returned from the British front in France.

It is pointed out here that this situation gives the soldiers confidence in the sure foundation of perfect morale and that this backed by abundant material leads to victory.

By three they were all marched up into daylight and dispatched to the rear, the orderly at the entrance kept a watch of the British officers.

Other needs are equally pressing. We read of a startling shortage of men to build ships.

Why not select men for military service? Why not the same effective service idea be made universal? Why should we not be 100 per cent. effective and 100 per cent. efficient?

Every American is at the nation's service. Why not selection for all industries? Why not select men to build ships? Why not the same effective service idea be made universal? Why should we not be 100 per cent. effective and 100 per cent. efficient?
