

"I am running a Front Door Business"

This sign I once saw would never hang over any Diamond Shop.

DRIVE UP TO THE FRONT DOOR WITH YOUR ORDERS, BUT GO AROUND TO THE BACK DOOR WITH YOUR TROUBLES

Orders and troubles alike, all come in the front way to my store—and get the same courteous attention.

But the notable fact in selling Diamonds is that there have been mighty few kicks.

I thought you would like to know that.

Fact is, no matter how particular you are about the kind of tires on your car, I am far more particular about the kind of tires I sell.

Diamonds had to prove themselves to me before I'd trust my business reputation to them.

So, in answering my rigid requirements, and your big question, "how far will they go?" Diamonds are right to the front with an answer of "5000 miles usually, and frequently better than that."

We can put your size on your car as soon as you drive up to our front door.
