OBITUARY.

George H. Hamilton. The death of George H. Hamilton occurred at his home on Spring street Thursday morning after an illness of long duration. Mr. Hamilton resigned his position as janitor of the Mt. Pleasant street school three weeks ago on account of his health and he had been falling gradually since that time.

He was born in Monson, Mass., and when very young his parents died, leaving him in the care of relatives. When a young man he came to this city, where he was employed by the Richmond Stove company, the Rogers Machine company and later at the West Side silk mill. For the past five years he has been janitor of the Mt. Pleasant street school. He leaves his wife whose maiden name was Lucy Stockley, and one daughter, Mrs. G. H. Benjamin, of Northampton, Mass.

Joseph R. Abner. The death of Joseph Randall Abner, 67, over 39 years a resident of this city, occurred at his home on Fountain street on Thursday following an illness of over a year's duration. Mr. Abner was well known in Norwich, having been employed as a teamster by many local people. His last place of employment was with C. K. Bailey, a man who had a large circle of friends who will be grieved to learn of his death.

Held Under \$500 Bonds. Tony Pryzko of Roosevelt avenue, who beat and injured his wife so severely that she had to be sent to the Backus hospital on Wednesday night, was before the police court on Thursday morning. Arnold of New York, at present with the navy construction corps, stationed at Washington, D. C.

NORWICH "OVER THE TOP"; GOING HIGHER

Actual Figures Not Obtained But Federal Agent Fisk and Local Chairman Butts Convinced That Town Has Reached Liberty Loan Quota—Out of Town Subscriptions Boost the Norwich Total.

Once again Norwich has been weighed in the balance and not found wanting. She has gone over the top in the Third Liberty Loan campaign and has raised her quota of \$1,251,406, in less than the allotted time and she will keep going higher.

While the local figures show that the city lacks \$81,850 of her quota, Federal Agent Robert H. Fisk and local chairman, C. R. Butts, are of the opinion that outside subscriptions have been credited to Norwich by the Federal Reserve bank of Boston which the local committee knows nothing of, as the Liberty Loan campaign in New England has sent an Honor Flag to this city with the following letter:

Dear Sir:—We take pleasure in sending you today by mail a Liberty loan honor flag to which you are entitled by having obtained your quota with individual subscriptions of at least two per cent. of population.

With congratulations, Very truly yours, JOHN K. ALLEN, Chairman of Liberty Loan Committee, Norwich, Conn.

The honor flag will be raised on the court house and will be a reminder to local people that Norwich has done her bit, and on the other hand it will also tell some people that they have had no part in placing it there. There is yet time for those people to get in line and buy a bond as Uncle Sam can certainly use that extra bond money the people lend him.

The local figures at the clearing of the banks on Thursday showed that Norwich had raised \$1,170,000 and that known subscriptions which had not been recorded at the banks would make up the required amount to fill out the quota. The subscriptions total 6,382 which is a trifle over 39 per cent. of the Norwich population in the previous loan Norwich's percentage was 18 2/3.

Ahead of New London. Norwich has beaten New London by a large margin, as in that town on Thursday evening they lacked \$27,000 of their quota with only two days to go. People who have watched the campaign in both cities state that the Norwich people have entered into this loan with much more enthusiasm than the people of New London—and yet they say New London is a live town.

\$500 at the Theaters. An even \$500 was subscribed at the local theaters on Thursday evening, and the Auditorium made no report the amount was divided between the Broad and Davis theaters. The Broad securing \$150 and the Davis \$350. At the Davis Edmund W. Perkins spoke and Mrs. Archibald Torrance, assisted by Miss Ruth Crawford, Miss Mary Crowe and Miss Marion Shea solicited subscriptions. Mrs. Herman Sears, assisted by Mrs. S. Hertz and Miss Lena Shershevsky were in charge at the Broad where Lee Roy Robbins was the speaker.

Women Raise \$186,800. In the success that has been made in Norwich of the patriotic response to the call in both cities state that they have borne a substantial part, according to figures that were announced on Thursday night by Mrs. E. W. Higgins, chairman of the women's committee.

Directly to the credit of the drive made by the women there is a total of \$186,800 subscriptions to the Liberty loan from 647 subscribers. There were many other subscriptions which the women took directly to the banks without passing them through the channel of the committee.

The total, too, would have gone higher had it not been for the house to house canvass conducted by the women, for as soon as this was started the women decided to relax their efforts in pushing for subscribers but they gave their time to taking care of the reports from the house to house teams and each day they received the pledge cards and took them to the bank and kept a complete record of everything that went through their hands. Besides this there were women on some of the men's teams who did notably efficient work in the canvass.

ENLIST AS YEOMAN. Miss Anna Kilroy and Miss Margaret O'Brien Awaiting Call to Service.

Two more Norwich girls have shown their patriotism by enlisting in the Naval Reserve force as yeomen. They are Miss Anna Kilroy of Union street and Miss Margaret O'Brien of Cliff street. Both young ladies have been employed as stenographers at the United Metals Company at Thamesville. They are waiting a call to active duty and expect to leave the city the first of next week.

WEDDING. Wolka—Arvizov. Justyna Wolka and Miss Mary Arvizov were married on Monday morning at St. Joseph's church by the pastor, Rev. I. Maciejewski. Both are natives of Poland. The groom lives at 21 Cliff street and the bride resides at 9 Forest street.

Honors Memory of William M. Williams. In honor of the memory of William M. Williams, who at one time while James A. Hovey was mayor, acted as the mayor of the city, the flag at the town hall has been set at half mast and will remain so until after the funeral on Saturday.

combination, those actively interested are young men of initiative and progressive ideas.

Horace D. Tracy, who is to be vice president and sales manager is a Norwich boy. He has represented the Norwich Nickel & Brass Co. in New York city for about fifteen years and since last January has been the general manager of the company. His new position is a marked recognition of his ability and success.

CONNECTICUT SENATORS FIRM AGAINST SUFFRAGE.

Give Party of Connecticut Women No Encouragement, Says Mrs. Willis Austin.

Connecticut women who made up a party that traveled by a special train to Washington to interview the two Connecticut senators, Senator Frank B. Brandegee and Senator George P. McLean, on the subject of woman suffrage, found the two senators extremely courteous, said Mrs. Willis Austin upon her return here on Thursday morning, but the points of view taken by the senators were radically different from those held by the women.

Senator McLean said Mrs. Austin maintains the vote is not a privilege but a burden, practically sure to work injury to women, and he says he is not at all sure that it is a good thing for men. This country, he says, is not a democracy but a representative government, and no democracy was instituted by those who framed our constitution. Senator Brandegee flouts the whole suffrage movement and most of the suffragists and made some astounding statements. We are looking for men, he said, who will stand by their ideals, by their faith in justice not expediency, by their belief that this country stands for democracy, for the liberty of self-expression by the ballot, for the right of the individual. The two senators seem to have little faith in democracy and little belief in human nature. We are looking forward in hope of better things. They are absorbed in the present, and ill-content with that.

Mrs. H. Chase, who was one of the party of 51 women, returned with Mrs. Austin. At a luncheon which was held at a Washington hotel \$3,000 was raised for the suffragist cause.

ECONOMY LESSONS AT VICTORY CONFERENCE. Women Are Shown How They Can Help to Win the War.

Under the direction of the state council of defense, a Victory War conference for women was held in the town hall on Thursday afternoon when large representations from the neighboring towns attending. Mrs. A. H. Chase was chairman of the meeting and introduced the speakers with a brief address.

The programme for the afternoon opened with the singing of the Star Spangled Banner, followed by a brief address of welcome by Arthur P. Libby, chairman of the local war bureau, who said that the women's committee was in charge of the exhibits that are shown at the various conferences, explained the purpose of the conference was to bring before the women of the state and nation the necessity of doing war work, and the need of economizing in all possible ways.

A brief explanation of the war savings movement was made by Herbert R. Branche, assistant county chairman of the movement. He said that up to date New London county had sold war savings stamps to the amount of \$4,106,852.67.

Miss Dorothy Buckley of Hartford spoke on general war work for women and urged a large number of women to join the various organizations, which are doing their bit to help win the war. Miss Mabel Wilcox, field secretary of the Connecticut division of the Red Cross, spoke on the Red Cross work and urged all present to do everything possible to further the coming campaign for funds which will be conducted during May.

Miss Williamson, president of the Nurses Educational Association, was the last speaker on the programme, and made a strong plea for volunteers for the Red Cross work at home and abroad. She also told of the work being done over there by the Red Cross.

All the speakers received applause for their talks. The exhibits of Red Cross work, and work done by the Women's Service League were excellent. One interesting exhibit was that of the French and English war ration and showed the amount allowed each person.

Another prominent exhibit was that of the war savings department which showed many articles of the soldier's equipment that could be bought with thrift stamps. A committee from the

No More Rheumatism

Torturing Pains and Swollen Joints Vanish When Rheuma is Used.

At last a real remedy for rheumatism! And a good one it must be when Lee & Osgood and go to druggists everywhere sell it on the no-cure no-pay basis.

Rheumatism should halt the news with great rejoicing, for it is surely a remarkable remedy and has a record of almost unbelievable cures. Read what J. P. Oliver of Albany, Ga., says about it.

"I had sciatic rheumatism for two years, and tried every medicine offered for rheumatism. Tried many doctors was treated at one of the best known southern sanatoriums, and if I improved any I did not realize it. I am convinced that the Central of Georgia Railroad, and had secured it for Hot Springs, Ark., to take treatment. About that time I saw Rheuma advertised and concluded to try it. I abandoned my trip, took three bottles, and now feel as well as ever. I am going to make everybody I see who has rheumatism try it. It would not take a hundred thousand dollars for what Rheuma has done for me. I would rather be dead than live as I was before the use of Rheuma."

If you have rheumatism in any form, don't delay—try Rheuma today. A large bottle, sufficient for two weeks' treatment, is not expensive, and your money back if it does not give you quick and joyful relief.

home economics department of the farm bureau was in charge of an exhibit which consisted chiefly in milk. Part of the exhibit showed the analysis of the milk and the other showed the energy value. The committee in charge was Miss Louise Howe, chairman, Mrs. John McWilliams, Mrs. E. J. Graham, Miss Elizabeth Huntington, Mrs. H. R. Branch, Mrs. Arthur Thompson, Mrs. Edmund W. Perkins and Mrs. Alan Latham, assisted by Miss Campbell. Members of the Home Guard were present at the exhibit as a means of protection.

Previous to the conference a basket lunch was enjoyed in the domestic science rooms of Broadway school. The coffee was poured by Mrs. E. J. Graham, Mrs. Arthur L. Peale and Miss Rogers.

Banks Will Keep Open. The local banks will be open on Saturday evening until 9 o'clock so that all who have not subscribed to the Liberty loan may have a chance to do so at the last minute. The campaign closes at midnight on Saturday and any subscriptions received before the closing hour will be accepted.
