Refreshments were served under the direction of the entertainment committee, Arthur P. Wymann, Miss Beattie Grimes and Miss George E. Watson, whose plans for the evening made this one of the pleasantest socials the school has enjoyed.

CHRIST CHURCH WILL HOLD SEABURY MEMORIAL SERVICE

Christ Episcopal church will make its service Sunday evening a Seabury Memorial service in memory of the consecration of Bishop Samuel Seabury, the first bishop of the church in America. The service will be held at 7:30 p. m. and the sermon by the rector, Rev. R. R. Graham, will be upon the life of Bishop Seabury.

This early leader of the church in America was born in Groton in 1729, was ordained in London, England, in 1755, and was consecrated as a bishop in Aberdeen, Scotland, in 1784. Upon his return to this country in 1835 he became rector of St. James' church at New London and the first American bishop, continuing in these offices until his death in 1788.

At the national Episcopal council in Detroit it was recommended that churches hold Seabury memorial services on this Sunday in November.

GROTON MAN DEAD IN AUTO ACCIDENT

In a collision Friday afternoon about 4:30 o'clock in Groton between a large bus from Westerly and an automobile owned by a Groton resident, Albert Fiorini, 20 of 41 Ledyard street, Groton, received injuries from which he died about 7:30 in the evening at the hospital in New London. Several of the minor passengers in the bus received minor injuries when it turned over on its side, and Fiorini's brother who was walking with him in the road was slightly injured. The accident happened in front of the Ship and Engine plant.

The passenger bus driven by P. George Gaudette of Westerly and a

Ford car driven by Victor Santi of Groton came up behind the two Fiorini brothers, with the bus in the lead. As the Santi car was about to pass the bus, Gaudette swung his machine onto one side, knocking down the two brothers and at the same time the cars collided, the bus toppling over. Fiorini was hurled to the hospital after he had been attended by Dr. E. P. Douglass, but his death occurred from several internal hemorrhages and rupture of the ligaments of the left leg.

Both wheels of the Santi car were torn off and the machine was otherwise wrecked but none of six men in it were injured.

MAINE MAN UNDER OBSERVATION BY POLICE

Elmer Dolbeare, a young man who says he comes from Madison, Maine, was under the police observation Thursday night on observation and his father is on the way here to look after his son, according to a telegram received Friday afternoon by Police Chief George Linton.

The young man has been in the city a few days and has been attracting attention by the way he would stand around the streets, with a vacant expression in his face and seemingly oblivious of his surroundings. He claims not to have slept for several days, has refused to eat anything since he has been at the police station but has smoked almost incessantly. He seems to have lost track of time as he believes he has been confined for several days. When asked questions he never answers without first gazing intently for a few seconds at his questioner before he utters a word.

It is believed his mental condition is not quite right and that he should be in the hands of relatives. He claims to have been working for contractors in the construction of dams and is well supplied with money.

CITY JOBS NO GOOD IF AUTOMOBILES RESTRICTED

The Norwich gas and electric department has been the last of the Groton city departments to comply with the common council's expressed wish by vote that all automobiles owned and used by the city department shall be marked with the name "Norwich" two inches tall. The car used by Supt. S. J. Kehoe now has had placed on it the lettering requested, corresponding to the marking on the other city cars.

Commissioner James P. Fox and the water board president, Walter W. Lang.

Alderman C. V. Pendleton, who started the move to have the city-owned cars lettered has been given to understand that the three department heads all say they would throw up their jobs rather than submit to having any curtailment of the so-called joy riding privileges, or the use of the cars outside of the regular business hours of the day and for business purposes.

COLCHESTER KID KURLER FACTORY IS BURNED

The Bulletin's Colchester correspondent writes: An alarm was blown at 11:30 p. m. Thursday night that a fire had broken out at the station for a fire at the Columbia Kid Kurler factory on Lebanon avenue. The factory was entirely destroyed and a barn near it, owned by the Colchester Product Co. in which they stored hay was also burned. The factory will be a serious loss to the town as the company employed about 45 hands in the factory and gave employment to nearly as many more families who did the work at home. The factory was owned by the Columbia Kid Kurler Co. of New York. The company has under contract the premises with which they were to build a large addition soon. The loss is partially covered by insurance.
