CITY GAINS ON BONDS.

BLAKE BROTHERS BID FOR NEW ISSUE ACCEPTED.

Boston Concern Bids \$450,728.32—City's Gain \$6.09 per Share—Scranton Street School and Other Matters Before the Board of Finance.

At the regular weekly meeting of the board of finance, held in city hall at 4 o'clock yesterday afternoon, the bids for the bonding of the city were opened. There were present representatives from various banking houses, not only of this city but of New York and Boston.

When the controller started to open the bids he announced that there were thirteen bids in all, and then the board smiled. The highest bid was \$450,728.32, and it was a joint bid made by Blake Brothers of Boston and Rhoades & Co. of New York.

Attorney James Wheeler of the board of education and Dennis Maloney, the school building inspector, appeared before the board of finance. Mr. Wheeler stated that in building the foundations of the new Scranton street school in the Webster district it was found that the foundation would have to be strengthened more than was at first expected.

The board has transferred \$800, which was all that it had for printing, towards this sum, and that now there was not one cent to be used for the necessary printing which must be done immediately.

Mr. Frederick made a motion that on and after October 5 the meetings of the board of finance shall be held at 7:15 o'clock in the evening instead of in the afternoon, and this motion was carried.
