ANNOUNCEMENTS
Springfield gymnastic team at Y. M. C. A. Friday night, 8 o'clock. Interesting and instructive expert work demonstrating what can be done with and without apparatus.
Meeting of Auxiliary of the Woman's Board of Foreign Missions.
There will be a meeting of the auxiliary of the Woman's Board of Foreign Missions in the parlors of the Second Congregational church this afternoon at 3 o'clock. Interesting reports are promised, and will be followed by a meeting of the Church Improvement society.

THE AUDITORIUM.
This popular vaudeville house still holds up its reputation of always giving a first class form of entertainment and one which is always worth much more than its extremely low price of admission. The bill which is occupying the boards there for the first half of the present week is well varied, neat and refined in style and headed by the very peculiar comedian, W. B. Patton, and his company of three well chosen artists who play their different parts in a very witty manner. This amusing little playlet is brim full of amusing situations and scorchingly funny lines which are delivered in a style all his own, while his company give him fine support. The musical act presented by the Polli Players is a novel and pretty throughout and is drawing considerable attention. There are several different intentions used, all inborn order, which give the tone and melody. Boyd & Lorenz have a very good singing team with pretty voices and an excellent accompaniment. The Polli Players are the possessors of very pleasing voices and sing together in good harmony. The motion pictures are all good the first of the week and well worth seeing.

POLLI'S THEATER.
This afternoon at Polli's theater there will be a double attraction—souvenirs for the ladies and a production of one of the best dramas ever seen in this city. "Paid in Full" has already shown that it has wonderful drawing powers and an immense audience for the entire week exceeds that of any other play so far presented by the Polli Players. For this afternoon the bill of reserved seats is exceedingly heavy and a record crowd is assured. From all the outside towns where seats are on sale come reports of an unusual demand, and the Hall club are going to have a rousing big time Friday night. Nothing that the stock company has done has created such an impression or aroused so much praise as the production of "Paid in Full." It is a wonderful play, and one being presented in a wonderful manner, considering that the production was prepared in one week—studied, rehearsed, and scenery built and costumes complete. The work of Robert La Suer is attracting particular attention by the clever way in which he has created the most despicable of human beings. It is one of the greatest acting parts of the season so far, and is exceptionally well taken care of. The subject applies to Miss Perry, Mr. Cairns and Mr. Dunbar, upon whom the greater weight of the play rests, yet their parts are not unimportant. Next week is "Favorite week."

BREED THEATER.
The famous Johnson-Jeffries pictures, which are the prime attraction at the Broad theater, are the most perfect pictures ever exhibited at this popular picture house, and at each performance the theater is packed to the doors. Contrary to the common opinion, these pictures are in no way degrading, but are made as beautiful, photographically, as the subject will permit. Seven reels constitute the entire combat and preliminary scenes, many of which are foremost in the class of picture-making photography. Nearly one-third of every audience is composed of ladies, who are unattained in the prices of this illustrated lecture.
Mr. Moore's very descriptive many scenes, his vast knowledge of the sporting world, and his peculiarly fitted for this position.
Matinees are at 2:30 and evenings at 7 and 9:30 o'clock, while children are not admitted without parents or guardians. Admission 15 cents.

MEN WANTED
No Man Over 45 Need Apply.
There's the sign that's getting to be a common thing in America. Corporations are retiring men at 50. They are not hiring any over 40. A balded man often looks 10 years older than he is. A man with gray hair always does. It is important nowadays that a man look as young as he is; it is vastly important that a man having a family dependent upon him should take care of his hair. If you have dandruff—get rid of it by using Parian Sage. If your hair is falling out—stop it. If your hair is turning gray—don't waste any time. There is one sure remedy that will cure these misfortunes and aid you to remain young. Parian Sage, the great Hair Restorer, is guaranteed to permanently remove dandruff in two weeks, or your money back. Parian Sage stops falling hair—it prevents the hair from turning gray. MUST MARRY AGAIN.
State's Orders Affect Three Nautic Couples Who Were Wedded by Greek Priests.
A New Haven despatch says: An important case affecting the marital relations of foreigners has just been adjudicated by County Health Officer C. E. Hoadley. It is the case of three nautic couples who were wedded by Greek priests in the United States. The Greek church in the United States is under the control of the Bishop of New York. There are four parishes in Connecticut, located in Bridgeport, New Britain, Waterbury and Meriden. There are about 4,000 communicants. The bishop in filling vacant parishes with pastors, has taken over the parishes of the United States. These were unacquainted with the laws and customs of this country. In the Nautic cases the marriage licenses were taken out in Bridgeport and the marriages took place in the Greek church in Waterbury, as it is a rule of the church that parishes must be married in the church used.
Mr. Hoadley and Bishop Nilovitsky had a conference on this matter last week and it was decided that a copy of the license should be sent to the other couple should be married over again in Nautic, where they were residents, and a proper return made to the town clerk.
In the future the members of the Greek church who wish to marry will be married in the town in which the license is taken. It is the duty of the Administrators of the estate of said deceased and praying for the ratification of the order made by the Court on the 26th day of January, A. D. 1911, authorizing them to compromise and settle the claims and demands of the estate with the settlement of said estate, as per petition on file and record more fully appears.
