G. O. P. Caucus.

The senate republicans held a caucus at the call of President Pro Tem Hall and while a forward no information was given out, it is understood the discussion was on the civil service repeal bill which is on the senate table. It is further understood that this bill will go to the judiciary committee and that new drafts of a civil service law will be sent to the committee and the subject taken up as a whole.

TWO KILLED AND TEN ARE INJURED

(Continued from First Page.)

Ten injured persons were taken to the Bayonne hospital.

Flames Envelop Building

Fifteen persons were inside the small building when the explosion occurred. Instantly the structure was wrapped in flames. Several nearby buildings caught fire but were saved by prompt arrival of fire apparatus. The fire was caused by the ignition of films which flared up with a blast that shattered windows in the vicinity.

One body was identified as that of Miss Ethel Suckow 24. She apparently leaped from a fire escape after flames shooting from a second floor landing had enveloped her.

Y. W. C. A. NOTES.

The members of the Y. W. C. A. enjoyed a resolution party last evening in the association gymnasium on Court street. Games, gnomes to the occasion, as well as shadow pictures and charades, were on the program. As the association is soon to start a membership campaign some of the charades and pictures bore on this subject.

This party was one of a series of social events which the members and their friends have planned for the winter.

Mrs. T. H. Bristol of Grove Hill left yesterday for Fitz Williams, N. H., where she will spend a few weeks.

Mr. and Mrs. H. C. Noble of Lexington street left today for Daytona, Florida.

Torrington, Jan. 18.—No jazz music can be played at dances and social events in City hall here until after 10 p. m., by which hour all town and borough officers are supposed to have quit work. The workers complained that the jazz music hindered them in their duties.

COLLEGE CLUB HAS PLEASING RECITAL

Discussion and Rendition of Polish Music Well Received

Rounds of appreciative applause followed the rendition by Miss Ilga R. Harvey, pianist, Miss Kathleen Crowley, soloist, and Earl Lambert, violinist, last evening at a meeting of the New Britain College club at St. Mark's parish house. The recital was preceded by a most interesting discussion by Miss Harvey, of Polish music and musicians. The speaker devoted a few minutes to each of the recognized masters of Polish birth or descent, dealing especially with Chopin, Weiniawski and Paderewski, whose works were afterward rendered. The discussion was the first of a series of similar discourses which will deal with the artists of various European countries. A sizeable audience was present to enjoy what proved to be one of the most interesting and entertaining meetings ever held by the organization.

Miss Crowley's pleasing voice captivated the audience from the start. She rendered Chopin's, "The Maiden's Wish," with a polish that could hardly help but please. John J. Crean furnished the accompaniment at the piano.

The work of Earl Lambert as violinist was flawless. He played one selection—"Romance," by Wieniawski—which was all that could be desired. Mr. Lambert has appeared in several musicals previously and his work last night was equally as good as that of the past.

The piano numbers, featuring the works of Chopin and Paderewski were played by Miss Harvey, whose work did full justice to those masters Paderewski's "Mayzerek" and "Melodie" were given and Chopin's Ballads No. 3, Op. 47, was played in a pleasing manner. Miss Harvey, who is an instructor at the High school, has been directly responsible for the success of the orchestra at that institution for several years past, and has personally directed some of the city's most successful recitals in the past few years. Her work as a pianist is always of the highest order.
