FROM FIGHTING TO FARMING—WITH AN NB TRACTOR

New Britain products reach nearly every point on the globe. Of course one does not expect to find a tractor on the jungles of the Congo anymore than we should look for fur coats on the inhabitants of the upper Nile...

Britain Machine company has been sent the photograph reproduced above with the comments that the NB tractor is being run by a Frenchman who did his bit during the war and welcomed the return to agricultural pursuits...

of machinery, assembled it and set it to work on his "lonesome." Officials at the Machine company are advised that considerable enthusiasm has been developed abroad and they expect a ready market for their tractor in France...
