AUTOS COLLIDE ON WEST MAIN STREET

Fred Callen in Ford Has Narrow Escape From Serious Injury

COMMERCE CHAMBER MEETS

Discharged From Army—Illness Keeps Mrs. Stefanick From Court

Old Land Mark Goes Today—Episcopal Notes—Briefs

Fred Callen had a narrow escape from serious injury this morning about 1:30 o'clock, when a Ford automobile in which he was riding, was struck and badly damaged by a Peerless car from Bristol.

Mr. Callen had started from the center with a can of gasoline for another autoist who had become stalled and had just turned around, when the car came along and smashed into him. The accident was due more to the weather conditions than to the negligence of either driver, according to the story told by those concerned in it. There was an extraordinarily heavy fog on the road and it was raining and it was with difficulty that an auto driver could see very far ahead of him. Constable E. W. Furey investigated the case, but found no cause for arrest.

The annual meeting of the Plainville Chamber of Commerce will be held this evening at 8 o'clock in the chamber rooms in the Odd Fellows' block on West Main street. Election of officers and a board of directors for the coming year will take place and a decision will be reached, it is expected, on the matter of renovations to the rooms and the increase in rent. Other matters of importance will be voted on.

The banquet committee will meet at 7:30 to make final preparations for a report to be submitted this evening. It is expected that all plans will have been made, so that the members will be informed of the program for the evening of the annual event.

Discharged From Army
Dominic Reale, brother of Frank Reale, the local barber, has arrived home after five years' service in the army. He was discharged Saturday at Fort Strong, Boston harbor, where he had been stationed with the 13th infantry, regular army.

He first entered service in June, 1917, when he became attached to the 76th division. He accompanied the troops to France and upon arrival there, he was transferred to the 77th division. He served two years and was in action in four major engagements in which the United States troops participated. He was wounded in the last offensive, that in the Argonne Forest. Upon his return to this country he was discharged and immediately enlisted in the service again.

He has taken a position as a barber with his brother in the shop in Neris block.

Unable to Appear
The trial of Mrs. Samuel Stefanick of Mountain View, which was scheduled to take place last evening in the town court, was postponed until Saturday evening because the woman was unable to appear yesterday because of illness. She was arrested on the charge of lighting a fire near her home without a state permit. She is under bonds of \$500.

To Raze Landmark
Hutton & Jones, Inc., will complete the moving of the clock and fixtures today, and workmen will start immediately to raze the old landmark at the corner of Whiting and West Main streets. Mr. Jones stated this morning that the old stand will be set up in the new store on Whiting street today. The contractor in charge of the work of razing stated that the building will probably be entirely torn down before the day is over.

This is one of the oldest landmarks in Plainville. It was first the only general store in the town, being owned by Adna Whiting, one of Plainville's first settlers, and was later converted into a warehouse or transfer point for the freight which was carried on the old canal. Many "old-timers" tell interesting stories of the building.

Episcopal Notes
Rector George Hilton of the Episcopal church of Our Saviour makes the following announcements: Thursday—The Parish Guild of the Episcopal church will hold a supper tonight in the parish house beginning at 6 p. m. Public is cordially invited. The Vestry will meet at 8 p. m. Next Tuesday is the 63rd anniversary of the consecration of the church by the late Bishop Williams and the

SCOTCH WHISKEY SEIZED
Niagara Falls, Ont., April 5.—Provincial police here seized a freight car which was said to contain 85 boxes of Scotch whiskey valued at \$9000. The boxes were labelled "sugar."

A portable rocket pistol that weighs only six pounds, recently invented in England, will throw a line for rescue work nearly 400 yards.

Stop "dosing" rheumatism. It's pain only. St. Jacobs Oil will stop any pain, and not one rheumatism case in fifty requires internal treatment. Rub soothing penetrating St. Jacobs Oil right on the tender spot, and by the time you say Jack Robinson—out comes the rheumatic pain and distress. St. Jacobs Oil is a harmless rheumatism liniment which never disappoints, and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache and neuralgia.

Limber up! Get a small trial bottle of old-time, honest St. Jacobs Oil from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

day will be observed as a dedication festival. The holy communion will be celebrated during the morning and from 6 to 8 p. m., there will be a parish reception of "at home" when it is hoped that not only will every member of the church be present, but also any friends belonging to other churches in the town. Refreshments will be served. At 8 p. m., there will be a festive evening sermon and solemn Te Deum at which the preacher will be Rev. J. F. Plumb, executive secretary of the diocese. The Knights of Washington will assemble at 7:45 o'clock for church parade.

Pythian Sisters Notes
Pythian Temple, No. 24, Pythian Sisters, held a successful whist last evening. The ladies' prizes were captured by Mrs. Frank Andrews, Mrs. W. B. Wilber and Mrs. Griffin, while the following gentlemen were awarded the men's prizes: Mr. Austin, John Conlon and Floyd Livingston.

First Friday Devotions
The usual first Friday devotions will be held at the church of Our Lady of Mercy tomorrow. Mass will be said at 8:30 o'clock and communion will again be given at 7 o'clock. Confessions are being heard this afternoon and they will be heard again this evening at 7:30 o'clock.

Last Week in April is Clean-up Week—To Exemplify Degree Work—Items of Interest

The board of wardens and burgesses met last evening and decided that the last week in April will be devoted to cleaning up the town. It was also voted to hold a meeting of a board of relief on May 17 and make up the borough budget for the coming year. The matter of placing the poles for the trolley and lighting companies was left in the hands of the street committee.

The degree team of the Star of Golden Lodge, Shepherds of Bethlehem, will exemplify their work in Hartford Saturday night. A special car will leave the center at 6:05 o'clock.

A party of friends from Cheshire and Southington gathered last evening at the home of Mr. and Mrs. McGee on Main street to bid farewell to the couple who will leave tomorrow for a few months' trip to Ireland. There was dancing and singing and musical selections and a buffet lunch was served. Mr. and Mrs. McGee will sail Saturday at noon from New York.

The high school baseball team held its first practice yesterday. Over 20 students responded for the squad. The first game is scheduled to be played with Collinsville on April 15.

Kilnatic Post, American Legion, will open a two night bazaar in the town hall tomorrow evening. There will be an entertainment each evening followed by dancing.

VITALISTIC THEORY MAY BE EXPLAINED

American Chemical Society Hears of Interesting Study

New Haven, April 5.—A chemical theory which if proved sound by experiments now being conducted, will explain in a simple, natural way mental processes thought to be super-natural by those holding the "vitalistic" theory of life, was presented by Dr. J. S. Hughes of the Kansas State Agricultural college as chairman of the biochemical division at the American Chemical society convention today.

The theory explains how chemical changes in the brain and nerves of the human body can be the cause and controlling force of the stream of nerve impulses which constitute the mental processes. Dr. Hughes did not advance the theory as new experimental data but as a correlation of facts.

"It is a proved fact of science," said Dr. Hughes, "that nervous impulses are electrical in nature; also that fats are non conductors and water solutions are excellent conductors of electricity. The nervous tissue including the brain, is composed of 16 to 15 per cent of lipin (fat like substances) and 75 to 85 per cent water. Under certain conditions the lipins surround the water and under other conditions the water surrounds the lipins. In the former conditions the lipins are poor conductors but in the others the water is a good conductor of nervous impulses."

Dr. Hughes explained that narcotics make the lipins surround the water and one practical result of the theory will be that of makers of synthetic drugs will be able to determine through application what compounds are needed to get certain results in the body without attendant ill effects. The theory will aid the specialist in treatment of nervous diseases.

BIG DRIVE IS STARTED AGAINST TAX DODGERS

Property Delinquents to be Seized—Thousands of Federal Warrants Out

Washington, April 5.—The Internal Revenue Bureau is speeding up its annual drive against tax dodgers and is preparing to issue thousands of so-called warrants of distraint in the effort to obtain payments. A report was received at the bureau today that 500 warrants had been issued in Kansas City.

It is expected that the campaign soon will be in full swing and all Federal tax collectors have been directed to get to work. During the fiscal year which ended June 30, 1922, a total of 211,635 of these warrants were issued and tax payments aggregating \$9,902,206 collected. It is believed that the payments for the present fiscal year, however, will be considerably larger as the bureau is planning to make an unusually thorough campaign against the tax dodgers.

The warrants of distraint call for seizure and sale of property of delinquent taxpayers.

EJECTS BARE-KNEED GIRLS

Boston School Principal Also Sends Barefooted Boys Home

Boston, April 5.—Five girls wearing socks and skirts so short that they permitted a liberal display of bare legs were sent home from the Lynn English school for being "indecently clad."

Three youths who were dressed in children's costumes, without shoes or stockings, also offended Principal Frederick B. Willard and were ordered to leave the building. Today was senior class day and 265 members blossomed out in queer outfits—the girls in short dresses and socks and the boys in blouses, knee trousers and shoeless feet. They rushed laughing into the meeting and created an uproar. Principal Willard singled out the worst offenders and made an example

WOMAN IN CALIFORNIA BEATEN BY MASKED MEN

Order Her to Leave Town, She Says, For "Unfair" Dealings in Business

Los Angeles, April 5.—Mrs. Louise Collins, aged 50, was bound, taken from her home at Santa Fe Springs, near here early yesterday by five masked men, beaten and ordered to leave the town, according to the story she told deputy sheriffs. The woman was found in a roadway by motorists, her head cut and bleeding.

Mrs. Collins said the men came into her room where she was sleeping with her husband and carried her in an automobile to an orange grove, where she was beaten.

She was told by one of the men that she had been "unfair" in business dealings with another woman in connection with a restaurant she conducted, she declared.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid liver.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative. No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime. Thousands take them every night just to keep right. Try them. 15c and 30c.

STOP!!

Every winter you have one of those terrible colds which hang on for weeks and weeks—break it up at the start with Williams' Syrup of White Pine, Honey and Tar.

You will be amazed how quickly this fine old-fashioned remedy will stop that dry tickle in the throat, loosen up that congested condition and relieve the hacking cough. A day's use will usually break up any ordinary cold if taken in time.

For twenty years thousands of people have considered this relief-bringing preparation a household necessity. Easy to take and pleasant to the taste. Don't accept a substitute.

Prepared in the laboratories of Williams & Carroll Company, Hartford, Connecticut, and for sale at grocery and general stores.

No remedy can cure all ailments of the human body, but an immense number of people suffer from aches, pains and distressing symptoms when their real trouble is lack of iron in the blood. It is the iron in your blood that enables you to get the nourishment out of your food. Without iron your food merely passes through you without doing you any good; you don't get the strength out of it. There is one universally known tonic that has helped thousands because it contains iron like the iron in the blood. It is called NUXATED IRON.

It is an eminent physician's best blood prescription, standardized. It is recommended for all anemic and run-down conditions. It has helped thousands of others. It should help you. Ask for it at any drug store.

BULKELEY IS HEAD OF LIBRARY ASSO.

Has Held Office for Many Years—Wilcox Vice President

NEAR EAST RELIEF DRIVE

One Case Comes Up in Berlin Court—Foresters Meet This Evening—Dog Tax Is Due—Truck Gets Stuck in Mud on Pike—Other Items.

William Bulkeley, one of the oldest residents of the town, was again elected president of the Berlin Library Association at the annual meeting held at the library last evening. Frank L. Wilcox was elected vice president. Both of these officers have held the positions for many years.

The reports of the treasurer, the secretary and librarian were read and approved by the members of the association. Other officers elected were: Treasurer and librarian, Miss Emily Brandegee; secretary and assistant librarian, Mrs. E. W. Stearns; second assistant librarian, Miss Florence Loiselle; members of the executive committee, Miss Sarah Churchill and Mrs. Pardon C. Hickey; collectors, Miss Doris Honiss, Miss Hortense Loiselle and Miss Helen Schofield.

Frank L. Wilcox added \$100 to the Wilcox library fund.

The report of the treasurer, Miss Emily Brandegee, from January 20, 1922, to January 20, 1923, is:

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost over night if you'll get a bottle of "Wye's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wye's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

Truck Gets Into Difficulty.

A truck belonging to a Springfield fruit concern, loaded with fruit for the company, ran off the road about two miles north of the Berlin post office early this morning and before it could be taken out, sank into the mud up to the hubs. Several trucks came along and attempted to pull the vehicle out, but it resisted all efforts. The driver awaited the coming of a large Packard truck which he thought would do the work.

The truck belonging to the Red Ball Trucking Co. of Buffalo is still stranded in Berlin, a telegram from the main office to C. W. Graham, the driver, stating that necessary equipment had been sent by express.

One Case in Court

One case came up for trial in the Berlin town court last evening, that of a Mr. Drake of Hartford, who was charged with reckless driving. He figured in an accident on the turnpike October 15 of last year, when he smashed into a car stopped along the road, causing much damage and throwing the driver into the ditch, breaking his leg.

The night was a foggy one and two men in an automobile stopped along the road to warn drivers of a traffic jam farther along the pike. Two cars came along and the first one stopped. The second one coming at a rapid rate, smashed into the halted car.

Drake was arrested on a charge of reckless driving, but was discharged because of lack of evidence.

A new drive for relief in the Near East will be started April 13 by the women of the Kensington Methodist and the Kensington Congregational churches.

Last Sunday evening a meeting of the women of these two churches was held, plans being outlined for the drive. This Sunday a union meeting of the two congregations will be held in the evening at the Methodist church. Slides showing the extent of the need in the Near East and many other interesting topics in connection with the work will be flashed on the screen. Miss Anna Daniels, for over two years connected with work in the Near East, will speak.

The following Sunday another speaker will be heard at a union meeting. During the week of April 15 the boys and girls of the two parishes will make house-to-house canvases for old clothing and money. The committee in charge has asked all women when they start their house cleaning to save anything in worn clothing. Clothing with a few months' wear still in it will be appreciated. Old blankets, shooes, hats and other articles that may be of use to the needy people across the water should be saved and given to the children when they make their collections.

Dog Tax Due

Town Clerk Arthur Woodruff stated this morning that people should not forget that the dog tax for the town is due this month. The tags have arrived and to date few have stopped into the office to register their dogs. The selectmen have placed posters in conspicuous places about the town.

These posters give regulations for dog owners and should be read carefully.

Meeting of Foresters

The Foresters will meet this evening at 7:30 o'clock at the hall in Kensington. The members are asked to note the change in the hour. This is due to the minstrel performance being given at 8 o'clock in the hall.

The fair committee has reported that all is practically in readiness for the event which will take place in May and will run four days. Minstrels Tonight
The Black and White minstrels will give a performance at Foresters' hall this evening at 8 o'clock under the auspices of the St. Paul's T. A. & B. society of Kensington. The tickets have sold rapidly and it is expected that the hall will be crowded when the curtain rises on the opening chorus. The show contains many funny songs and jokes, local "cracks" being evident throughout the piece.

T. A. B. Whist

Another successful whist was held last evening at T. A. B. hall, Kensington under the auspices of the T. A. B. society. These socials have proved popular with Kensington people during the winter months, and several people from New Britain have also taken advantage of the good time offered. The winners at the affair last evening were, first prize, Mrs. W. W. Fagan and Michael Rayno; consolation prize, Mrs. W. J. Fagan and W. J. Fagan.

Items of Interest

Mrs. Sarah M. Rich has returned home after spending the winter with her son in Springfield, Mass.

The Regal Review of the Maccabees will hold a meeting tomorrow evening in T. A. B. hall.

East Berlin Items

The regular weekly prayer meeting will be held at the Methodist church this evening at the usual hour.

The library will be open Friday afternoon from 3:30 to 5 o'clock and in the evening from 7:30 to 9:30 o'clock for the exchange of books.

The Black and White minstrels will present their entertainment at Foresters' hall in Kensington this evening at 8 o'clock. The T. A. B. orchestra will furnish music for dancing after the entertainment. The proceeds from this performance will be given to the library association.

Ernest Ingraham of West Cromwell has been the guest of his sister, Mrs. George Skene, at her home on Wilcox avenue.

There will be a meeting of the Modern Woodmen at the Athletic building this evening.

Mrs. Slater and children of Kensington spent Wednesday as the guest of her sister, Mrs. Olaf Benson, at her home on Wilcox avenue.

IF BACK HURTS BEGIN ON SALTS

Flush Your Kidneys Occasionally by Drinking Quarts of Good Water.

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Too much rich food creates acids which clog the kidney pores so that they sluggishly filter out strain only the blood. Then you get sick. Rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage, or attended by a sensation of scalding, begin to drink soft water in quantities; also get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush clogged kidneys and stimulate them to activity; also to help neutralize the acids in the system so they no longer cause irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, which everyone can take now and then to help keep the kidneys clean and the blood pure, thereby averting serious kidney complications. By all means have your physician examine your kidneys at least twice a year.
