**NEW BRITAIN DAILY HERALD, FRIDAY, JANUARY 7, 1927.**

**SLOT MACHINES ON POSTS IN SUBWAY**

Chewing Gum Sales Large —
Greatings From New York

There’s a cheerless gray day all over New York to-night, but in the subway stations and other locations where the gum machines are installed, the sale of chewing gum is as brisk as ever. The gum machines are installed in all the principal stations, as well as in various other locations where people congregate.

TOKYO'S MAYOR IS EXPERT BATTERER

Is Heavily and Resoundingly Smashed

Tokujiro Narijima, mayor of Tokyo, was attacked yesterday morning by a mob of forty-eight persons, who beat him in the head and face with bricks, sticks, and other missiles. The mayor, who was wearing protective gear, was reportedly not injured, but his car was damaged.

*Editorial Note:* The mayor of Tokyo was attacked by a mob of forty-eight persons, who beat him in the head and face with bricks, sticks, and other missiles. The mayor, who was wearing protective gear, was reportedly not injured, but his car was damaged.
