# CONSTABLE FACES ASSAULT CHARGE

Newtown Official Arrested  
on Cross-Complaint and  
Lawyers Have Field  
Day

(Special to the Farmer.)  
Newtown, Feb. 11.—Bridgeport law-  
yers, A. J. Hull and Arthur Conley,  
had another field day in the Newtown  
court today in Hattertown. The  
cases were another batch of actions  
growing out of the Conger-Block al-  
tercation of January last. Last week  
Jacob Block and his son, Herman,  
had Conger, who is a town constable,  
arrested under a body writ alleging  
assault and breach of the peace, at-  
taching also the property of the con-  
stable in a suit for damages of \$3,000.  
The cases were entered in the Bridge-  
port higher court. They also got  
sent jury complaints out against  
Conger, signed by Abraham Geduldig,  
a Justice of the Peace of Bridgeport.  
These cases were tried in the town  
center Monday, and the state brought  
along a Bridgeport Justice of the  
Peace, George F. Mara. There was  
a hot time between the lawyers en-  
gaged, Messrs. A. J. Hull and Herbert  
A. Hill, but the result was against  
Conger who was fined \$25 in costs  
on two counts of breach of the peace,  
and assault.

Today Conger had his inning when  
he haled the Blocks before Justice of  
the peace, Carlos D. Stillson, of New-  
town on the charge of assault, breach  
of the peace, and for operating a mo-  
tor vehicle without rear lights after  
the legal hour past sundown. A. J.  
Hull was the prosecutor for the state,  
while Attorney A. Conley appeared  
for the Blocks.

The trial began at 11 a. m. and after  
the examination of a dozen witnesses  
it was 5:30 p. m. when the Justice ad-  
journed both cases till Monday, Feb.  
15, when the arguments will be heard.

The trial was marked by much bitter  
acrimony among the friends of the  
contending feudists.  
Prof. L. M. Johnson of the local  
high school, Wednesday, was selected  
as one of the directors of the Fair-  
field County Farm Bureau, which or-  
ganization took form and shape yester-  
day in Norwalk. The object of this  
organization is to unify the inter-  
ests of the urban and farmer popu-  
lation of the county, and incidentally  
corral the appropriation provided for  
such work by the Federal department  
of agriculture.

Thomas P. McCarthy of this town,  
who has been an inmate of the Dan-  
bury Hospital for several months, was  
removed to Bridgeport Wednesday  
afternoon. In the act of being re-  
moved from the baggage car at Bridge-  
port, he fell to the station platform  
and was much bruised. He was hur-  
ried to St. Vincent's hospital for treat-  
ment.

Miss Eva Briscoe has returned to  
her home on Botford Hill from a  
visit with Shelton relatives.  
Thomas Brown is recovering from  
illness at the home of W. W. Peck of  
Botford.

The announcement in last night's  
Farmer of the sudden death of Miss  
Anna M. Lee of Bridgeport was re-  
ceived with great sorrow by many  
acquaintances here, who loved her  
dearly. The deceased was a summer  
visitor in Newtown for many  
seasons.

Town Clerk Pitzcher received to-  
day a marriage return from the reg-  
istrar of vital statistics of Woodbury,  
in which it is recorded that Peter  
Scanlon of Newtown was married to  
Mary Gilbert also of Newtown, on  
January 27, 1915, by Rev. A. L. Wy-  
koff of Woodbury.

Mrs. C. B. Johnson went to South-  
ampton, Monday, for a visit with her  
daughter, Mrs. E. F. King.  
Mrs. E. B. Glover and son Walter  
De Forest Glover, were in Bridgeport,  
Tuesday.

Druggist A. J. Crowe of Corbett &  
Crowe, paid a visit to his home in  
Bethel, Wednesday.  
A. A. McDonald, the hustling West  
street blacksmith, was in Bridgeport,  
New Haven and Derby, Wednesday.  
Ice harvesting for the second crop  
this season, began today on many  
ponds. This late freeze keeps the  
dilatory dairymen who did not avail  
themselves of the January ice harvest  
to house a crop of nine inch ice now.  
Rarely, however, have the farmers  
had two opportunities for ice cutting  
the same season.

Joseph Dayton, proprietor of Day-  
ton's bakery, is sick and out of duty  
this week. George Dayton has taken  
the former's place, while Roger Hub-  
bard now drives the bakery wagon  
through Newtown streets.

# -and the Worst Is Yet to Come

NEW BATTLESHIP  
DOES NOT SAIL.  
\$14,000,000 Dreadnaught for Argen-  
tina. (7)

Philadelphia, Feb. 11.—That the Ar-  
gentine republic has paid \$14,000,000  
to a shipbuilding company of the  
United States for the building of the  
modern dreadnaught, and that the  
battle ship can not be taken home by  
the sailors of that country here for  
that purpose, because the firm which  
had taken the contract subset it to an-  
other firm, became known yesterday  
when the officers and sailors sent out  
to man the Moreno were transferred  
to two United States battleships. This  
arrangement was said to have been  
made only after Secretary Bryan had  
been subjected to a strong diplo-  
matic pressure.

Charles M. Schwab admitted last  
night over the telephone that the con-  
tract for the Moreno had been origi-  
nally taken by the Brewster Ship-  
ping Co. and subset to the New York  
Shipbuilding Co. He declined to offer  
any explanation of the present  
incident and referred the matter to  
Samuel M. Knox, president of the  
New York Shipbuilding Co.  
Replying to questions Mr. Knox said  
it was quite true the contract his com-  
pany had executed had been subset  
to them by the Brewster company,  
but denied his company had refused  
to turn the dreadnaught over to the  
Argentine officers as those men claim-  
ed.

One of the officers of the Moreno  
said yesterday the men had actually  
been aboard their new battleship once  
but had been put off by the officials of  
the New York Shipbuilding Co.  
An officer in the United States navy  
said the vessel was all right for sea  
and had been so for a long time.

# DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg  
Breat Tea, or the German folks  
call it, "Hamburger Brust Thee," at  
any pharmacy. Take a tablespoonful  
of the tea, put a cup of boiling water  
upon it, pour through a sieve and  
drink a teacupful at any time. It is  
the most effective way to break a cold  
and cure grip, as it opens the pores,  
relieving congestion. Also loosens the  
bowels, thus breaking a cold at once.  
It is inexpensive and entirely vege-  
table, therefore harmless.—Adv.
