HOSPITALS ARE UNDER ANTI-NARCOTIC LAWS

Orders have been received at the local department of Internal Revenue that under the new anti-narcotic law, a hospital will be considered as a person and the same regulations governing a physician as to the keeping of records of drugs dispensed or distributed will apply to such institutions. It is also announced that all biters used for medicinal purposes are held to be exempt from taxation and that as Duffy's Malt is considered to be a medicinal preparation it comes under this ruling.

Regarding the displaying of chewing gum in glass jars, dealers are given permission to transfer the gum from the pasteboard boxes to display jars or small glass cases used for gum solely provided a portion of the box bearing the stamp cancelled and with the date and initials is transferred with each box.

WILLIAM McDONALD ESTATE.

Fifty dollars in cash and the use of his homestead for one year is left Mrs. Margaret Kiernan by her father, the late William McDonald. His will was admitted to probate Saturday. It provides that the house and lot in DeKalb avenue valued at between \$1,800 and \$2,000 be divided share and share alike between his children, Mrs. Kiernan, John McDonald and Mrs. Mary E. Dunn. Adolph Ventulett and James Gilmore are appointed appraisers. If one of the heirs dies before the estate is settled, the share is to go to his or her heirs.

EIGHTEEN COUSINS TO SHARE FLYNN'S ESTATE.

Eighteen cousins, some of whom live in Bridgeport, others in other cities in Connecticut, and others in New York, Idaho, Pennsylvania and California are the heirs of John P. Flynn who died here several months ago. Mary A. MacDonald of this city, one of the heirs, has made application to have an administrator appointed for the estate. Mr. Flynn was a member of the Knights of Columbus. His estate consists of about \$2,000 in savings banks of this city.

SCORES CONVICT LABOR SYSTEM IN COUNTY JAILS

Convict labor received another blow last night when John J. Manning, editor of "The Garment Worker," of New York, addressed members of the People's Congressional church. Prison labor at our own county jail was scored.

POINTS OF INTEREST.

The Old Made New.
There must be hundreds of people in this city with collections of discarded jewelry not quite good enough to use, and not quite bad enough to throw away. So it's just laid aside, gathering dust, and giving more bother than it seems to be worth. Bring it down, and let us see what we can do with it. It will cost you nothing to find out. We will sketch up a suggestion for remodelling to submit to you, tell you the cost, and advise you frankly. At the same time you might bring in your good jewelry—bring as much as you like, and we will clean it for you, making it look new, free of charge. M. J. The Secret of a Good Figure

often lies in the braziere. Hundreds of thousands of women wear the Ben-Joue Brassiere for the reason that they regard it as necessary as a corset. It supports the bust and back and gives the figure the youthful outline which fashion decrees.

BEN-JOUE BRASSIERES

are the quietest, most serviceable garments imaginable. Only the best of materials are used—for instance, "Walcott," a feasible bonding of great durability—absolutely rustless—permitting laundering without removal.

They come in all styles and your local Dry Goods dealer will show them to you on request. If he does not carry them, he can easily get them for you by writing to us. Send for an illustrated booklet showing styles that are in high favor.
