## The Christmas Store Is Ready

Christmastide, the most joyous season of the entire year—Christmastide which gladdens life and puts all of us in happiest of moods—is almost here. Only about two weeks of preparation for you—only fourteen days of business for us—are left before the advent of the great day.

Dorsen's—the Christmas Store—is ready now for the greatest Holiday season it has ever known. Ready with larger stocks—ready with brightest attire—ready with the things that interest shoppers, old and young, especially at holiday time.

See the striking window display with electric elevated railroad and elevator trestles—see the wonderful toy railroad in the basement—see the remarkable exhibit of gift things of every kind and description spread out on counters and tables in all departments. It is a royal banquet which we have spread for our friends—and to which you are invited.

The Christmas spirit is here in its most joyful aspect—come and enjoy it, and take it away and enjoy it as you have never enjoyed Christmas before.

## The Merriest Place in Town-- TOYLAND

Santa holds royal court in the Toy Basement, and thousands are coming on Saturday to do him honor. You'd better come, too, and bring the little ones. And while you're here have the dolls, games and toys you want put aside for Santa to deliver later.

It's the largest display of Toys in the City and embraces everything from the little things that pennies will buy to the big Electric Train for a hundred dollars.

Here in Toyland is everything that will fill young hearts with joy—set young eyes a-sparkling—start tiny hands a-clapping—and little feet to dance, and lips to laughter. The children will get the real Christmas atmosphere in Toyland, and elder people the spirit which keeps the holiday ever fresh in our hearts.
