PAWNEES TO MEET BURNSIDE ELEVEN

Evenly Matched Football Crews to Clash at Hartford Velodrome

Table with 3 columns: Pawnees, Lineups, Burnsides. Lists player names and positions for both teams.

Tomorrow afternoon at the velodrome in East Hartford, the Pawnee Football team of this city will meet a real test when it clashes with the heavy All-Burnside eleven. This will be the first meeting of these two teams this year but it will not be the first clash between the eleven. The Pawnees last year and swapped their opponents of tomorrow afternoon by a score of 16 to 0 and they are confident of making it two in row tomorrow. The Burnsides team is greatly improved over the club of last year. The team is heavier and it has a faster backfield. The Pawnees, however, consider their team greatly improved over the one that handed Burnsides a beating last year and this, they think, will offset any power the Burnsides may have added.

The Pawnees will have a wealth of reserve material ready to use in the game. Besides those men mentioned in the lineup the following men will probably see service in the game: Mauro, Miske, Colosia, Itavagnani, Turner and Hattling. Tomorrow's game is an important one from the standpoint of the Pawnee players because it is very likely that the lineup to face the Blues the following week, will be selected after tomorrow's game. The two local teams are scheduled to battle for the city championship a week from tomorrow.

JIMMY ARMISTEAD IS ANOTHER STAR

Making Vanderbilt Men Forget Billy Spears of 1927 Grid Team

Nashville, Tenn., Nov. 17 (AP)—Jimmy Armistead, the Bald Eagle, is making Vanderbilt men forget Billy Spears, all-America backfield ace of a year ago. When bounding Bill graduated with the 1927 team, many critics of his play in the past were forgotten. Armistead's rise is not as meteoric as it might seem, however, developed by the great Spears in 1927. The Bald Eagle was the highest point scorer in American football. He scored 23 touchdowns for 128 points.

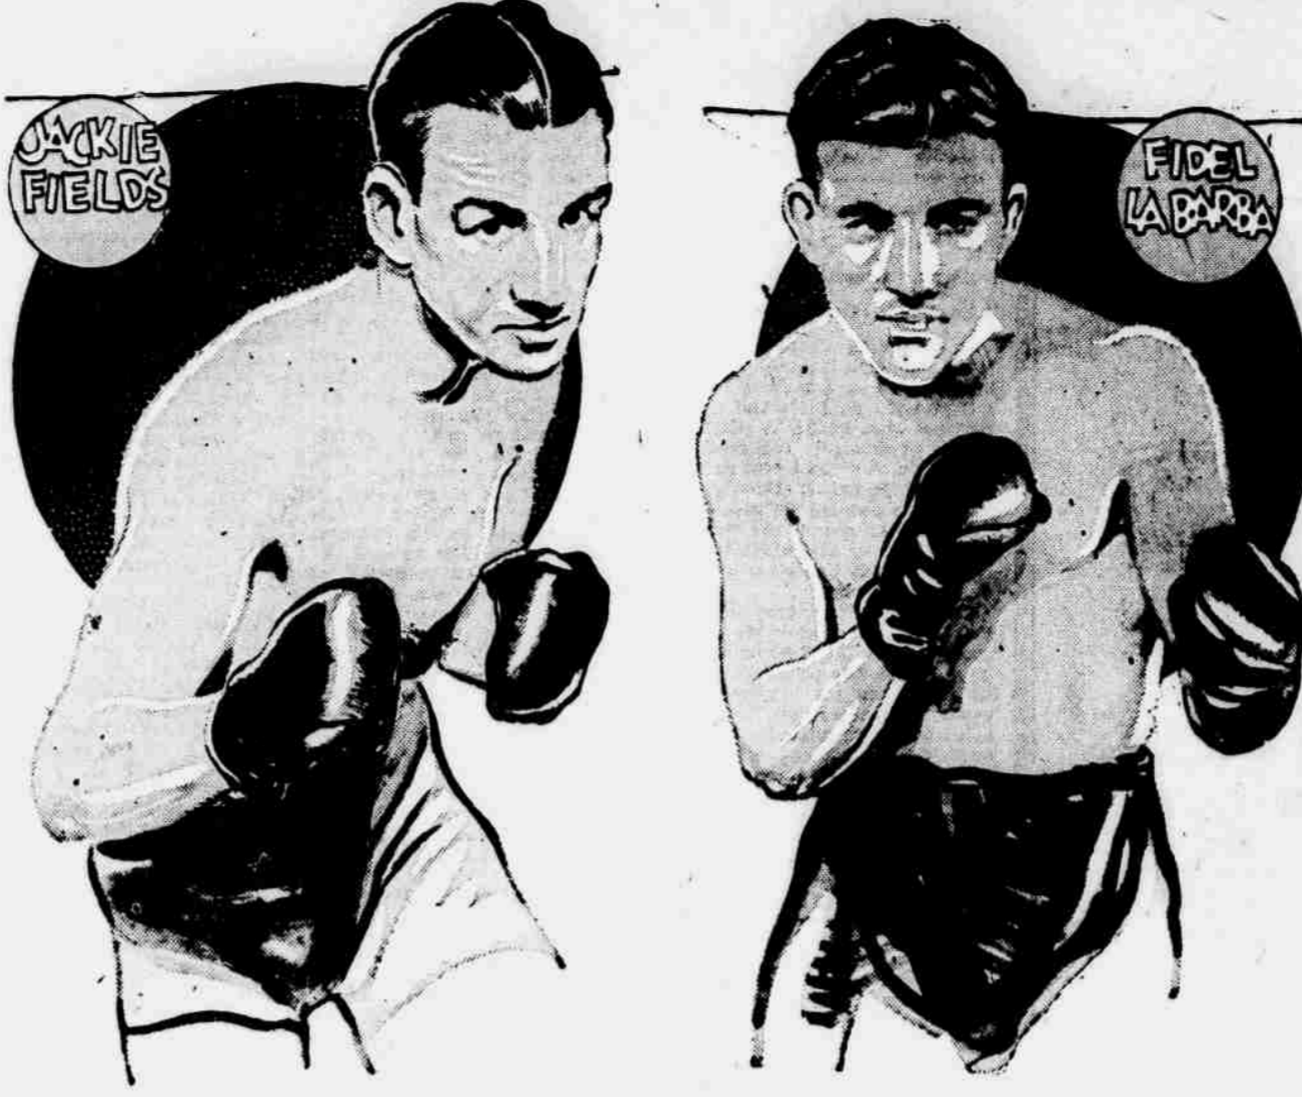

This year he has scored frequently, although having the added duties of captaincy and signal caller upon him. Among others he has retired the ball over the goal line of Coziate, Tulane, Virginia and Kentucky so far. The finding of Armistead, however, is another tribute to the coaching of Dan McGugin, now in his 25th year as head of Vanderbilt football team. McGugin, a brother-in-law of Fielding H. Yost, the noted Michigan coach and athletic director, has produced in the best such scoring stars as Bobbit Curry, Gil Reese and Ray Morrison.

GUS DORAIS

Gus arrived from Gonzaga University on the Pacific coast, scarcely could be called second rate. He brought his Notre Dame team with him and at once began to install the Notre Dame system. Bud Boeringer, all-America center, and John Frederick, stars of the South Bend school, were added as coaches. Dorais spent most of his first year developing a freshman team. In 1927 he projected it to intercollegiate competition. It won seven games and lost only to Notre Dame and the Army.

GIRLS TEAM TO START SEASON

Local Basketeers to Clash With Manchester Recreation Team

New Britain Lineups Manchester Hudak, Right Forward, Wells Bartinsky, Left Forward, Scanton Jarrot, Center, McHale Terwilliger, Peg Robb Olsoy, Right Guard, A. Robb Left Guard.

For the first time in a number of seasons, New Britain will be represented on the basketball court this year by a quintet of girls. The team will open the season tonight at 8 o'clock at the Stanley Arena against the Manchester Recreation team as a preliminary game to the New Britain men's team.

The visiting delegation from Manchester is well known to basketball fans in this city. It made several appearances against Industrial League teams in this city last year and proved to be one of the snappiest girl outfits in the state.

Nearly as much interest is being displayed about town in the entrance of the girls into the basketball field among state teams and a large crowd will be on hand to see the team in action in its first game. The players have been practicing steadily for several weeks and they are all near mid-season form at the present time.

TEAM OF KIDS LEADING IN SIX DAY BIKE RACE

Chicago, Nov. 17 (AP)—The whirl of wheels in last minute spurts sent the twentieth international six day bicycle race in its final hours today. The marathon ends at 11 o'clock tonight.

WILL MAKE NEW MONEY

Shanghai, Nov. 17 (AP)—At a cost of \$3,000,000 the new national government mint located within Shanghai's International Settlement is expected to be ready for operation by next March 1. The mint will have a capacity of about 2,000,000 silver dollars daily in addition to a considerable amount of subsidiary coins.

With a galaxy of stars added in the last minutes the Hartford Giants will invade this city tomorrow for the second game of the state football championship with the Nutmeg A. C. eleven. Beaten in the first contest the Capital City crew has added "Zev" Graham, Fordham flash and last year's quarterback with All-New Britain and Rooney, former Duluth Eskimo to its lineup in the hope that New Britain will be on the short end tomorrow.

Evidently it is a bitter pill for the Hartford team to swallow, a defeat by New Britain and no matter to what ends they are driven, the Giants are out to beat New Britain tomorrow.

According to the Nutmeg players, that is easier said than done and despite the presence of the stars in the Hartford lineup, the locals are confident that they will be on the winning end. "Watch Graham" will be the slogan of attack and defense and it will be a mighty interesting thing to watch how his former teammates treat him when Graham carries the ball.

VIC RADZEWICH

"Unk" Conley, whose physical condition last week prevented him from making the trip to Stapleton, is back in shape and he will probably start the game at his old end position. He will have as his mate, Burns, former Villanova star. Conklin and Werniss will be at tackle with Humphrey and Gnaslow at the guards. "Red" O'Neil and Joe Rogers will alternate at center with Nantfeldt and Ed (Bull) Keenan as reserve linemen.

Vic Radzewich will direct the team's attack from quarterback with Buckley and Belonki at the halves. "Silent John" Davis will be in at fullback. "Har" Griswold and "Turkey" Claire will form the backfield reserve.

The game tomorrow will start promptly at 2:30 o'clock.
