

REFORM

means to change from the old way of doing things, or in other words, it means going from bad to good, or to make it a little clearer, if a person is drinking a beverage that is raising "Old Nick" with their health and they take Tea and Coffee the kind we sell, for instance, that means reform. Then, again, both the democrat and republican parties claimed whichever side won on election day, they would give us a reform in our city affairs. Well, one side won and now let us hope we will get reform, but for goodness sake let us hope we won't get it where many a chicken and poor old hen got the axe. Let us sincerely hope it will not be necessary to bring J. Alexander Dowle, the only living "Elijah, the restorer," and his 4,000 helpers to our city to help the reform. We as good citizens should all lend a helping hand to the reformers and do all in our power to have a good government, the kind that will please every man, woman and child, and let us say right here this reform is impossible if your brain is muddled or your system on the verge of nervous prostration. The first step is to be careful what you drink. We sell tea that is pure and healthful. Our coffees are always fresh roasted and the very best quality our money can buy; that's the only kind we sell, therefore you can always feel safe when purchasing at our store. Say, are you satisfied with the butter you are eating? If not, try a pound of our 25-cent quality. It's certainly the O. K. quality, at

Phelan's T Store.

CITY NEWS

St Cecilia's parish fair October 28-31. Eddie Wenzel of Bridgeport, who has been visiting Herman Marggraf, has returned home.

The meeting of the Bartenders' union will be held to-morrow afternoon at 12:30, so that all business may be transacted before the banquet which takes place at 2 o'clock.

The Holy Name societies of the city will meet in their respective places at 2 o'clock Sunday, from where they will go to St Patrick's hall, reaching there at 2:30.

There will be another of those much enjoyed social evenings for the pupils and friends of Miss Nellye Reed's dancing academy in the class room, Knights of Columbus hall, this evening.

The place is not on the map of the United States where \$18 buys a made to order suit of equal value as those Upson, Singleton & Co are taking orders for this week. Thirty good patterns to select from. Too many goods of each pattern is why this offer is made.

A small fire in a building on Clay street owned by Dwight L. Smith, called out the fire department last evening. The fire was extinguished before the arrival of the firemen. There was no damage. In the afternoon about 4 o'clock an alarm was rung in from box 22 at the corner of Dublin street and Doolittle lane. The fire there was of no consequence.

Money talks the same as ever. You naturally want "the best for your money." Invest it with Upson, Singleton & Co. They simply hold it on deposit until you are satisfied you have received full value. Could anything be fairer?

A very enthusiastic meeting was held last night in Columbus hall by the members of Sheridan lodge, No 218, N. E. O. P. There were two candidates initiated and two applications were received. Deputy Slavin was present and gave an interesting report of the deputies' meeting held the evening before. Arrangements were discussed about the open meeting to be held in the near future.

It took only a few minutes to dispose of the city court business to-day. Dennis Dawson got intoxicated last night because of some trouble at home. In trying to escape trouble he oric became involved. In more of it. His case was continued thirty days. A complaint against John P. Allman of Baldwin street for keeping an unlicensed dog was settled for \$5. Judge Burpee held court.

Alexander von Humboldt lodge, No 210, N. E. O. P., held their regular meeting in Foresters' hall last evening. Two applications were received. Thursday evening there was a deputies' meeting at which the N. E. O. P. lodges were represented. Supreme Representative Dr Hitchcock of Ansonia was present and instructed the local deputies in an able manner. Many good times and results are anticipated by the members because of this meeting.

Mr and Mrs Percy Brown have been entertaining Mr and Mrs Ira Sternberg of Bridgeport the past week.

A month's midg mass for the late Mrs Mary Brennan will be celebrated at 8 o'clock Monday morning at the Immaculate Conception church.

All combination tickets of the fair of the Waterbury aerie, Fraternal Order of Eagles, should be in the hands of the arrangement committee before 9:30 o'clock this evening. The committee makes a special request to this effect.

James Goldgraber's petition for a discharge in bankruptcy has been denied by Referee Newton. The decision was given yesterday afternoon. Goldgraber conducted a millinery store on East Main street. He entered in his petition wages said to be due to a Mrs Sabin and a Miss Schroiber. This was objected to by his creditors. Also it was claimed against him that previous to his filing his petition he disposed of a quantity of goods.
