## HARDY PLAYS ON WEST END COURT

Samuel Hardy, the captain and hero of the recent Davis Cup Team which sailed to Australia and with Tilden Johnson and Washburn captured the Davis Cup, the emblem of the world's championship in tennis, will be in Bridgeport in the interest of tennis Friday afternoon and evening. He will demonstrate at the courts of the Y. M. C. A., Colorado avenue, between Fairfield and State, from 4:30 to 5:30 in the afternoon and all who would like to see him play and meet him are invited to come.

At 7:45 in the Y. M. C. A. building he will show the strokes, speak on the best tennis court strategy, show pictures in action of the world's greatest players and tell anecdotes regarding the greatest players and matches in the history of tennis.

Hardy is a splendid speaker, a man of modest but very winning personality and perhaps as great an authority on tennis as there is in America today. This is well illustrated by the fact that the United States Lawn Tennis Association chose him to captain and manage probably the team of greatest players America has ever sent abroad to capture the world's championship because it included the great Tilden and Johnson. How well he did his work is history now as the cup is back in this country where we will defend it this summer against the invasion of the great players from the entire world. Everyone interested in tennis, including ladies, are invited to the Y. M. C. A. to hear and meet Hardy.
