

Hits By Kingdon And Loftus Bring Win To Derbies In 9th

Garrison Windup Thrills Ball Fans

By GEORGE E. FIRSTBROOK
Pulling away pennant again! The Pittsfield Hillies played the Good Samaritan act by trimming the ambitious Boosters. Today the Brown Derbies are leading the procession with a margin of three games.

There's a chance to keep right on hopping upward for the remainder of the week. The Brasscos finish their activities today, while the Ponies will be here tomorrow, (Ladies' Day.) Games are also booked with the Ponies in Springfield Saturday, while the Jack Flynn clan will be here for the Sunday dough.

Mighty roaring finish yesterday! Score tied in the eighth, while the Brasscos hoist the white flag in the ninth. Runs 3 to 2 in favor of Derbies.

Torpedoes for Jerry Kahn

Smashing hits to right field by Kingdon and Loftus in the ninth netted the winning tally. Some biffing! Jerry Kahn's delivery was rifled thoroughly. Joe Smith opened the inning with a bing to the same territory, but he was thrown out by Perrin in a try to make third base on Kingdon's wallop.

Some finish, Kiddo, believe it!

McLaughlin Tied Score. It was a whirlwind finish. In the eighth it looked as if Jerry Kahn was a certain mound winner, but when the score was tied he lost his effectiveness.

McLaughlin spanked the ball down past third base for a clean double. Emmerich hit the ball to short, Horkheimer shooting it to Long. It was a close play, Sam Sank, new umpire, calling McLaughlin safe. The decision created a big howl among the Cosgrove crowd. "Mac" scored later on Ray's sacrifice to Torphy, beating out the throw to the plate.

Kahn's wildness in the initial round netted the Derbies a tally. Ray scoring on a wild pitch after Martin fled out and Rodriguez and Smith walked.

Brasscos Score Pair. Waterbury's pair of tallies were posted in the fourth session on hits by Cosgrove, Pickup and Horkheimer, and a wild heave by Stauffer.

Although Stauffer pitched eight innings Horkheimer takes the credit of winning the game as the score was tied when he succeeded Stauffer, after Joe Boehling acted in the role of pinch hitter for the former.

Tyler, Waterbury's catcher, executed a classy piece of work when he got under Boehling's high foul against the bleachers.

Perrin Has Fine Whip

Perrin's pair of throwouts of Joe Smith at third base was pretty work. In the fourth Smith doubled to right and failed in an attempt to stretch the hit into a triple. Perrin shot the ball to Horkheimer, who relayed it to Long. It was a fine play for our reliable catcher on the bases.

When the ball left Emmerich's bat in the fifth inning caught on a long distance clout, but a wonderful catch by Pickup made it unnecessary for the "Rabbit" to display his base sprinting qualities.

Smith's slam to right in the ninth bore the luck charm. Torphy had set himself to stop the ball but it took an ugly, bound out of his reach.

Ray Has Big Day

Tommy Ray got in a pair of singles and a timely sacrifice that pushed a run across the plate in three trips to the plate. Ray had a bit of hard luck in the third after singling to center, when he was declared out for colliding with Martin's roller.

When Dowd fanned in the seventh he exhibited some "I don't care" motions which nearly caused a riot on the field. His words passed between him and Pickup and Joe Cosgrove was forced to inject his diplomacy to prevent an outbreak.

"Manager Joe" had a busy afternoon in center, six flys perishing in his mitts.

Here's a New One

In the sixth one of Kahn's shoots hit Rodriguez's bat, the ball nestling in the Cuban's armpit. Umpire Kitty Bransfield was a bit surprised when Rodriguez banded him the ball with a smile after another had been thrown into play.

The two Eddies—Hart and Zimmerman are out of the Brassco lineup by minor injuries.

DAN O'NEIL TIGHT AS A CLAM IN GIVING OUT LEAGUE NEWS

If Dan O'Neil, proxy of the Eastern League, ever hired out as publicity agent for a circus it's a safe bet he wouldn't drag over one day's pay and that some one else would have the job in 24 hours. O'Neil is in the hard-boiled egg class when it comes to handing the news regarding league matters. "Why don't you go to the secretaries of the clubs for news," was his retort yesterday, when a bold attempt was made to quiz the Eastern czar.

In the course of a patch quilt conversation O'Neil chanced to remark he did not believe in scandal trials. The same of John Heydler, president of the National League, was brought out. Dan scratched his head, hesitated and exclaimed: "Who is Heydler?"

"Kiddies Day" August 30th

"Kids," don't make any swimming dates for Tuesday afternoon, August 30. It's going to be Clark Kelly's day at Newfield Park, the one day in the ball season on which all boys and girls in Bridgeport are invited to attend as the guests of the Bridgeport Club. Albany is booked for a game on that date.

"Hire Arena" Smith Told

Joe Smith, manager of Louis Bogash, received a letter from Kingdon yesterday, offering to fight Bogash in Bridgeport for the New England title. Smith is expected to sign the arena for the fight, but Smith displayed no ambitions to become a fight promoter in these precarious times.

Elis Open With Army

New Haven, Aug. 11—Yale's football schedule for 1921 will contain a radical innovation in the shape of the first time ever played by Yale against West Point in New Haven. This, it is expected, will fill the bowl over as former Harvard and Princeton matches have filled it.

Four early season foes of last season, Carnegie Tech, Boston College, West Virginia and Colgate have been dropped. The Brown game has been moved to an earlier date and Yale has added Bates, Vermont and Williams to the Harvard schedule.

HITTING THE SPORT TRAIL With Geo. E. Firstbrook

Benny Leonard broke his thumb, but the champion claims it was a lucky break for Lew Tendler.

According to reports from New York it will be pretty nearly time to take up a collection to hire a band to give Gene McCann a rousing sendoff when he quits Bridgeport this season and moves up into the "Big Show" to pilot the Yankees.

McCann has delivered the goods in Bridgeport even should the Brown Derbies fail to shoot over the line first. He has been up at the corner longer than any other club and the fans have had a great season. To speak the truth the McCann squad has overted Bridgeport with good baseball, and all kicks are ruled out of order.

Some of the fanciest fielding in the pastime has been put on the boards at Newfield Park and local fans will be a few years older and be sporting a few more gray hairs before they see the equal of the 1921 Derbies in fielding.

McCann stands high in the estimation of his players which is the greatest of all assets. He was a player himself once upon a time and is familiar with the obstacles that creep into the paths of youngsters. By winning the respect of his players McCann has succeeded in molding together the fastest team in the Eastern circuit.

Every one hopes that the major league promotion will come McCann's way. He possesses horse sense and that's the main qualification for a successful manager.

It was McCann who put a shot of ginger in league ball here this season.

Low Tendler Claims Title And Forfeit

Philadelphia, Aug. 11—Low Tendler, challenger for the world's lightweight boxing championship, who was to have met Benny Leonard in a bout for the title here tomorrow night which was called off when the champ dislocated his thumb has announced he would appear at the promoter's headquarters at 1000 Market street, Philadelphia, to accept the forfeit of 5,000 posted by Leonard with a local sporting writer. Tendler also announced he will claim the title over a former Harvard and Princeton matches have filled it.

Wilson-Downey Bout. Boston, Aug. 11—Martin Killies, manager of Johnny Wilson, middleweight champion, announced last night that Wilson had been matched by Tex Rickard to meet Bryan Downey in a 12-round no-decision bout at Jersey City on Labor Day. In a recent bout at Cleveland the referee awarded the decision to Wilson on a foul, but the Cleveland boxing commission, who is distinguishing between the two, would recognize Downey as champion, claiming that he had a better record and a knockout. The Massachusetts boxing commission has refused to recognize the action of the Cleveland board.

Wilson will receive 35 per cent. of the gate receipts and Downey 20 per cent. Both men are scheduled to weigh in at 130 pounds at 10 o'clock in the morning. They will enter the ring at 4 p. m.

Horkheimer Is Stamped O. K.

Bridgeport ball fans had the opportunity of gauging upon Harold Horkheimer in a league uniform yesterday in the game against Waterbury. The native slugger who formerly starred on the Longship team and also on local factory nine, is going to make good. He is fast man at short and cuts loose a lot of pep. He showed good yesterday. Horkheimer fielded his four chances perfectly and batted in Waterbury's first tally in the fourth inning on a slashing bing between center and right. If the Bridgeport boy continues the pace he hit up yesterday there's no doubt about his making good.

August Not To Fight Angelo

Pete August is not going to fight Young Angelo on the Stamford boxing card, Aug. 31, according to Ray Lovelidge, August's manager. August must wait until his clash with Harry Peterson of Stamford, who was outpointed by Billy Prince at Newark a few weeks ago. Lovelidge announced that August was going out of his class in meeting Young Angelo, and explained that final arrangements for the match had not been completed, although announcement from Stamford and on Monday night's arena fights, were to be made.

Do You Know That Jack Delaney Fit For Go

(Special to The Times.) Holyoke, Aug. 11—Jack Delaney, the Bridgeport middleweight and his manager, Al Jennings, are here for the former's bout with Happy Howard tomorrow night. Delaney will wind up the heavy part of his training today. He works out at the local gym and appears to be in fine condition.

Jennings told local newspapermen today that Delaney is over Howard and will issue a challenge for the Bridgeport to meet Bryan Downey.

Ernst Skee, of Holyoke, and Muel Travers of New Haven, are tied up for the semi-final bout of ten rounds.

Big League Dust

Harry Hooper, star outfielder of the White Sox, who has been out of the game for some time, owing to an injury in hand, is ready for action again.

Walker, of the Athletics, banded out his second home run in two days.

Three home runs featured the Yankees' win over the White Sox in the win of the circuit twice and Ruth accomplished the feat once. It was Ruth's 42nd home run of the season.

Waterbury firemen defeated the Hartford Red Shirts by a score of 2 to 1 in the State League game yesterday in the Brass City. Waterbury outbatted the Capital City players, 9 to 6. The win increased Waterbury's lead in the championship race.

Czar O'Neil Decides For Waterbury

Waterbury's win over the Bridgeport team, which was protested by Manager Gene McCann on the grounds that the official Eastern League base in the play, stands credited to the Waterbury Club.

One of the important rules of the League and of organized baseball was tossed to the winds by President Dan O'Neil, who rendered the decision at a special meeting of Umpire Bransfield and representatives of the Waterbury and Bridgeport clubs last night at the Stratfield Hotel.

"The whole thing was cut and dried," declared Clark Lane after the proceedings. Bransfield admitted he was in the wrong in letting the game proceed but "Czar" O'Neil was adamant.

Cops Ready Ready For

The Bridgeport Police Department is making big preparations for their ball game Saturday with the Hartford bluecoats which will be played at Newfield Park. The proceeds of the game will be turned over to the Slek Benefit Association. It will be the toughest police game of the season for the local "coppers," but they are confident of doing the Capital City combination. The Hartford visitors will be entertained after the game.

New Woodway Golf Record

Stamford, Aug. 11—A consistent thirty-six hole performance of a new course record by George Duncan, in last year's British open golf championship, and a record in a professional, were the outstanding features of the match played yesterday over the links of Woodway Country Club of Stamford, Conn. in which Duncan and his celebrated long driving teammate from overseas, Abe Mitchell, opposed Chippetta and Charles Mothesere of Wee Burn.

Duncan's 71 is a new record for the course. The best previous score at Woodway having been Ted Ray's 72, made when he and Harry Vardon were touring last year. However, Ray at that time match Duncan was playing for a score was conceded one or two putts.

Eastern League Fan Chatter

Colonel Snover, Hillies' pitcher, ran his victory total up to 19, yesterday, against Worcester. His losses are five.

The "Thomas Battery" was in action against the Ponies, and the Springfield tribe suffered another defeat.

"Capes, of the Hillies, had a profitable day with his stick, getting a single, double and triple, at the expense of Lindstrom Worcester pitcher.

Two accidents marked the Albany-New Haven double bill. Rube Oldring broke a finger in making a hard running catch, while Joe Sank was hit by his own batted ball. It is feared that the Naugatuck flash fractured his ankle.

Rex Cox pitched the Lawmakers to a win in the first tilt, while Wiltes was in the box for New Haven's win.

Some fans are wondering if Joe Cosgrove pulled a "bone" yesterday, when he allowed Kahn to bat in the ninth inning with two out and two on the base, and a rosy chance to score on a hit. Eddie Zimmerman and Cubie Hart were available for the emergency role.

Newark Ring Critic Passes Bouquet To Louis Bogash

Louis Bogash looked "ace high" to the press boxing critics in his bout with Billy Krug in Newark on Tuesday night. The Newark Star-Eagle in commenting on the fight said: "Much has been said in the press regarding Bogash's fighting abilities, and after his exhibition with Krug it cannot be denied that he is a bona fide contender for the title. He is a fighter and a fighter he will be on Bogash."

Today Bogash resumed his training for his bout with Johnny Tillman in East Rutherford on Tuesday night. The Newark paper also hands Patsy Bogash credit for his fine showing against Bransfield. "Bogash's brother, Patsy, in his bout with Santone made a hit with the ring bugs. He was in action all the time and displayed no limit of cleverness," the critic said.
