to 50 Grand street (ground floor) on the 28th of this month, four doors from Bank street. After the store is renovated, decorated and gone through a general improvement we will occupy it with a complete line of new up-to-date clothing, hats and shoes, at either cash or credit. In the meantime we are selling everything off at greatly reduced prices. We want to move as little stock as we possibly can, hence the reduction. We believe in progress, we believe in being alive, a dead one remains in one place, a live one keeps on moving. We are moving on the 28th of this month, to 50 Grand street (ground floor.)

PAUL WAS NOT IN IT

New York Boy Who Has Boxed Here Put Out in the Second Round Last Night.

New York, Jan. 25.—Kid Stinger put Frankie Paul away in the second round of their bout before the Long Acre Athletic club last night. It was scheduled for six rounds, but it was apparent before the end of the first session that Paul had no chance. After he had been knocked down in the first time he was cut to save him. In the second Stinger went after Paul from the bell and had him so well beaten that the fight was stopped.

A real good contest came out of the four-round meeting between Bert Keys and Owen Flinn. Keys was touted as being the class and it was supposed that Flinn would do well if he was there at the end of the fourth round. He was a trifle more than there, for he kept Keys busy all the time and had a decided lead in the swapping of punches at the end of the bout.

Other entertainers who went the draw route were Emergency Kelly and Harry Morta, George Hoey and Joe Bedell, and Charlie Keeger and Young Joe Grim.

DISPATCH AND ANSWER.

H. L. Baggerly, sporting editor of the San Francisco Bulletin, ran the following dispatch from Yerington, which is considered good enough to be passed along down the line:

"The Yerington Chamber of Commerce had an inquiry last week from the San Francisco sporting fraternity, asking what the camp would put up for a prize fight and requesting an answer by wire, saying 'this will be worth millions to your camp as an advertisement. All the Nevada camps are having them. Look at Goldfield, Tonopah, Bullfrog, Searchlight and Ely.'

"If you will put up liberally we will give you a mill that as an ad for the camp will knock the stuffing out of the event Tex Rickard promises to pull off in Ely next spring."

"The chamber of commerce instructed the secretary to turn their own card—'We don't want any of that sort of rufumian here."

"The secretary sent the following dispatch: 'Letter received. May, No opening here for your art. Only thing chamber will put up for prize fight is jail with iron-clad guarantee, bread and water thirty days, Yerington not doing any mining above ground and doesn't believe in scandalous advertising.

"Got Ely skinned a mile for copper and willing to let her have all the film-flam advertising she can secure from prize fights.

"Yerington has the greatest copper deposit in Nevada—greatest opportunities.

"Glad hand to all honest miners and prospectors; marble heart to all brands of film-flamers see? This is not confidential—pass it up to your local newspapers, so that the public may know and Yerington will remember you all in its prayers."

FORD WHIPPED COSTELLO.

New Haven, Jan. 25.—Music hall was packed with about 900 members of the local sporting tribe Wednesday night to watch what proved to be the best card of bouts put on in this town since the lid was mangled.

The big event was a 12-round affair between Bunny Ford and Andy Costello for the bantam weight championship of Connecticut and from going to gong it furnished as neat a portion of ring work as could be expected by the most exacting fight fan.

No decision was given by Referee Mose King, but the fight and title unquestionably belong to Ford.

DIXON A WRECK.

George Dixon is a physical wreck. When the former featherweight champion put up his hands in an exhibition at the McGovern benefit expressions of pity were heard on all sides. The little fellow does not weigh more than 110 pounds and his movements in the ring indicated extreme weakness. He blew in a fortune in his palmy days.

THE RICHEST FIGHTER.

Who is the richest prize fighter in the world? This question has often been asked. Some have said it was Jeffries; Tommy Ryan has been mentioned as the champion of finance; Britt has been proposed; Jack O'Brien has been suggested; Charlie Mitchell has been in line; Tom Sharkey is known to be very wealthy, and so on down the line. The latest claimant to the bank account belt is Reddy Gallagher, who won and lost battles on the coast in the days of Young Mitchell, Ike Weir, Peter Jackson and George Dixon.

Gallagher married a San Francisco girl and later moved to Denver, where he has been located 30 years or more. He saved the first dollar he made as a fighter, and after he retired he was successful as a boxing promoter. He pulled off 11 of the fights which Kid Parker and Young Corbett fought at Denver, and they were two great favorites. Gallagher cleaned up handsomely on these contests and the profits went into real estate.

"Gallagher is worth \$200,000 right now," says Dick Hyland, "and he is unquestionably the richest prize fighter in the world. Before we left Denver he sold one piece of property in Coliseum building, where they hold fights, for something like \$175,000, and this is not all the money he has, either. Gallagher is very rich. He has no habits and saves every dollar. I think he has quit the fighting game."

POLO

WHIPPED TO A NICETY

New Britain Rudely and Unmercifully Thrashed New Haven Last Evening.

New Britain, Jan. 24.—In a game which at the beginning showed fast clean playing, but which toward the end was marked by roughness, the home team defeated New Haven in roller polo last night, 10 to 4. The visitors were outclassed from the start and at no time was the result in doubt.

POLO WHIFFS.

What a wallowing! New Britain must have been sore. New Haven will certainly have to do better than she did last night in New Britain.

Waterbury goes to New Haven tonight and perhaps Bone will have his new players on the firing line.

Dave Cusick, who was to have signed as goal tender with New Haven, is playing with Youngstown of the Ohio league.

Hartford and Bridgeport are calling each other pet names now about the ability of their teams. It looks as though Bridgeport had it on the Hartford company by long odds.

Some of the players are getting weary of the west and there are a whole lot of good ones out in Ohio. If Wallingford wants to strengthen and will put up the money she can get almost a whole new outfit.

If Meriden has a rink and could be induced to take the Wallingford team and then wake up from her sleep, polo might go there again as it once did. It is hard to wake up Meriden though once she has gone into her Rip Van Winkle sleep.

Waterbury has taken the last two games she has played with New Haven and the latter team is more than anxious to win the game in New Haven tonight. It would be a good joke to have the improved New Haven bunch go down again this evening.

Beaver Falls beat Niles the other night by the score of 1 to 0. Not one ball got by Sutton which shows just what kind of a game the local boy is playing in the west. Jimmy Canavan brought out Sutton and said that he would make the best goal tender in the business.

Frank Sutton of this city, who is the star goal tender of the Ohio league and is playing with Beaver Falls, will quit that team Saturday night unless he receives more pay. He wants to come east and here is a chance for some of the managers to get a champion goal tender.

RACING ON FLORIDA SANDS.

Hundred Mile Event For Minneapolis Cup Won by E. B. Blakely.

ORMOND-DAYTONA BEACH, Fla., Jan. 25.—The 100 mile event for the Minneapolis cup was won by E. B. Blakely, driving a seventy-horsepower gasoline car in 1 hour 26 minutes 16 seconds. Blakely, though eleven minutes behind Earl's record of last year, drove a pretty race, distancing every competitor. Hutton, in an English gasoline car, finished second, thirty six minutes behind the winner.

The ten mile handicap, open to cars of all classes and power, was won by Blakely in the same car in which he drove to victory in the 100 mile event. Blakely had a forty-five second handicap and covered the distance in 4 minutes 44 seconds, the fastest time in the event. Rogers, in the scratch car, a twenty-five horsepower steamer finished fifth, making the ten miles in 9 minutes 10 2-5 seconds.

The five mile event for touring cars listed between \$1,500 and \$3,000 was won by Kull in a thirty-five horsepower gasoline car in 5 minutes 52 1-2 seconds.

An effort was made by Marriott in the steam racer in which he last year made the mile in 28 1-5 seconds lower than record. The attempt failed, his time being 31 4-5 seconds.

Other mile trials were run principally to determine handicap in event yet to come, but no unusual time was made save that of F. E. Stanley, who drove a fully equipped touring car a mile in 45 2-5 seconds.

Early tomorrow morning the motor enthusiasts start by boat for Palm Beach for the late worth regatta which is attracting wide attention here. Last year's winner of the 100 mile event was Clifford Earl of London, whose time was 1 hour 15 minutes 11 seconds.

Racing at Ely.

SAN FRANCISCO, Jan. 25.—Unfavorable weather reduced the attendance at Oakland. In the second race the heavily backed favorite, Orchen, was almost left at the post, but he finished third. Other winners were Peerless Lass, Jake Moose and Nomie Lucille.

Tom Dolan at New Orleans.

NEW ORLEANS, Jan. 25.—An ordinary card was run at the Fair grounds. Tom Dolan in the fourth race won his third straight victory. Other winners were Wild Irishman, Odd Trick and V.

THE DIAMOND

CAPTAIN OF NIAGARA CLUB

Johnny Moran of This City Elected to That Position—Notes on the Game.

John Moran of this city, for the past three years a regular pitcher on the Niagara university baseball team has been chosen captain for the coming season. Captain Moran has been Niagara's mainstay in the box and it is in part due to his generalship that Niagara has attained her present standing in the baseball world. The candidates for the team have started active practice for the coming season. About sixty men reported to Captain Moran in the new cage last Monday and judging from the material Niagara will have a strong team in the field this year. The injury which Captain Moran sustained last year has fully healed and under the careful treatment of Trainer Hogan, Captain Moran will assume his old time form. Niagara will appear in Waterbury Thursday, April 18, when she will meet the Waterbury State league team.

The Providence papers say that Lachance and Grimshaw will try for first base on that team.

Niagara will be here this year to give the Waterburys one of their first try-outs with Captain Johnny Moran in charge.

Shortstop Al Newton of the Sioux City baseball club has been sold to the Lancaster team for \$500, and either Catcher Lucia or Tacks Latimer.

The City Amateur league is due for a meeting pretty soon to prepare for the summer. There is a whole lot of business to be done, the election of a new president with the other officers and the adoption of new rules.

The latest from Brooklyn is that Manager Patsy Donovan will cover first base if Tim Johnson clings to his refusal to sign a contract unless given \$5,000 annually. Hummel may also be given a trial at the initial sack.

Morning baseball on Sundays will not be allowed this year any more than in any other year and the leagues that have been formed lately with that intention will only run up against a snag if they try it on. This is only a quiet tip from those who know.

President Taylor of the Boston Americans was here yesterday to sign

SMITH BEATS M'LAUGHLIN.
Hartford Player Wins Pool Match, 225 to 166.
Hartford, Jan. 25.—A crowd of about 150 saw George Smith of Waterbury last evening in a pool match at the Hartford Opera house rink. Smith beat his opponent \$50 to \$25 that he could make 225 balls before McLaughlin made 200. During the first 100 points of the game Smith couldn't gain his handicap, but after that McLaughlin fell back and Smith won, 225 to 166. Smith made a high run of 39 and McLaughlin's highest run was 29. Professor Harer refereed the game.
