Recommends LINONINE for Whooping Coughs and Croup.

"My three small children had whooping cough and coughed almost constantly. I obtained Linonine from the Apothecaries' Hall Co. and it gave them almost instant relief. The coughs stopped entirely in a remarkably short time. My youngest child also had croup and Linonine cured that. The children like to take Linonine and consider it the best remedy on the market for children."

Linonine is entirely free from alcohol and all habit-forming drugs, and is safe to give to the smallest child. The ingredients are printed on every bottle.
