A LETTER TO WOMEN

From Mrs. James Corrigan.

For seventeen years I have suffered. Periods were so very painful that I would have to go to the doctor every month.

He said that I had an enlargement of the womb, and told my husband that I must undergo an operation, as I had tumors in the womb, and it was a case of life or death.

I was operated upon twice, but it did not seem to do me any good, it made me very weak.

I was troubled with the neuro-cystitis a great deal.

I also suffered with the sick headache, vomiting, spells, back-ache all the time, terrible pain in my left side, chills, loss of appetite, and could not sleep nights.

After taking several bottles of Lydia E. Pinkham's Vegetable Compound, some Liver Pills, and using your Sanative Wash, I recovered.

I can eat well, and every one that sees me tells me I am a different person. I can do all my own work, sleep well and feel well.

I am growing stronger every day, and am able to go out and enjoy a walk and not feel all tired out when I return, as I used to.

I doctored for sixteen years, and in all those years I did not feel as well as I do at the present time.

I wish that every woman that is troubled as I was, would try this medicine. Oh! it is so good to feel well, and it is all owing to Mrs. Pinkham's kind advice and medicine.

Mrs. JAMES CORRIGAN, 284 Center St., Jamaica Plain, Mass.

Class gave Mrs Durward their class mate a pleasant surprise, last week, Thursday afternoon and evening.

Miss Florence Lakin will remain here till her school closes for the summer vacation.
