STEAM REFINED CANDY
MANUFACTORY,
No. 83, Montgomery street, between Bush and Sut-
ter streets, San Francisco.

THE PROPRIETOR of the above named establish-
ment takes this method of informing his
numerous friends and customers, that he intends
following the example of the Gas Company—that is
to reduce his prices, which he hopes will give entire
satisfaction to all.

His candies are all manufactured from Stuart's
refined sugar, which he imports himself, and all the
essences used by him are of the finest flavor and the
best in the market, together with a variety of other
articles pertaining to the manufacture of candies, too
numerous to mention.

Having had an experience of seven years in the bu-
siness in this city, and being the
FIRST COFFEY
On the Pacific coast, he feels that he can give to
him with his trade.

By a new and improved process, his candies are
made at a quicker rate and at less expense than for-
merly, so that he is enabled to sell at a much lower
figure than heretofore.

Persons desiring anything in his line will do well
to call and examine his splendid stock of candies, as
well as his prices, as he feels confident they cannot
all to please the strictest economist.

STATE OF CALIFORNIA, Justice's Court—
COUNTY OF BUTTE. Ophir Township.
The People of the State of California to D. Otterson

GREETING: YOU ARE HEREBY SUMMONED to appear
before me, at my office, in the Ophir Township
of the County of Butte, on the 5th day of September,
A. D. 1857, at 2 o'clock, P. M. to answer under the
complaint of Charles McCoy, in an action for the re-
covery of the sum of two hundred dollars, due by
note with legal interest from the 13th day of March,
1857, said note on file, when judgment will be taken
against you for the said amount, together with costs
and damages, if you fail to appear and answer.

To the Sheriff or any Constable of said County,
Greeting: Make legal service and due return hereof.
Given under my hand this 2d day of September,
A. D. 1857. J. T. ELLIOTT, [L. S.]
Justice of the Peace of said Township.

It is hereby ordered, that service be had in the
above cause by publication in the Daily Butte Rec-
ord for fourteen days.

Given under my hand, this 5th day of Sep-
tember, A. D. 1857. J. T. ELLIOTT,
Justice of the Peace.

MISCELLANEOUS.

To the Citizens of California.

CAUTION!
I AM INFORMED that various liquor-mixers, of
New York, Boston and San Francisco, are exten-
sively engaged in putting up in square bottles, under
various titles, cheap imitations of my long-established
and renowned

Wolfe's Scheidam Aromatic
SCHNAPPS,

Which adulterated compo-nds are intended to sell in
California against my genuine article.
My object is to announce that I have recently es-
tablished an AGENCY in SAN FRANCISCO for
supplying the State and Oregon with my Schnapps
supplied with a large stock, so that respectable drug-
gists and liquor dealers throughout California
can always supply themselves at a regular price,
merely enough over the New York price to cover
cost of freight and charges; thus avoiding complaint
as heretofore, of occasional scarcity and extreme
high price.

It is now many years since I first imported these
Schnapps from the celebrated old distillery at Schei-
dam, Holland, in which I am interested. It is now
conceded that no Gin was ever imported into this
country which has approached my Schnapps in re-
gard to PURITY, HEALTHFULNESS, and EX-
QUISITE AROMA or flavor. This claim, and for
proof, point to their universal popularity and the im-
mense and increasing consumption by all classes,
north and south, east and west, comprising the tem-
perate people, medical faculty, &c., to such an ex-
tent, that my establishment, packing the enormous
quantity of 8,000 bottles per day, is barely able to fill
its orders.

Also, the Wolfe's Schnapps have been analyzed
by the most celebrated chemists, Drs. Mott and
Beck, of New York, and others, who all testify that
they are a

Perfectly Pure Medical Tonic
Invaluable as a remedy against BAD WATER,
GRAVEL, INDIGESTION, DYSPEPSIA, DEBILI-
TY, &c. They also certify that they found my
Schnapps to be free from Arnylic Alcohol or Fusil
Oil, an exceedingly harmful ingredient, found in all
common Gin, which Dr. Mott describes as "a fetid,
acid, and asthmatic and producing irreparable ef-
fects upon the nerves and stomach." The certificates
also prove my Schnapps perfectly clear of the se-
cond or heavier Essential Oil of Juniper, also a dan-
gerous component, produced by the over distillation
practiced to increase the quantity in making ordinary
Gin.

These statements are made with a view to invite
comparison in California, between the genuine Wolfe's
Schnapps and the various brands of bogus imitations
mixed, doctored up, or sweetened Gin; in squares
black bottles, (imitation of my style of bottles) under
different names and labels, whether marked London,
Germany, Holland Scheidam Schnapps, &c., in in-
distinguishable confusion, and the trial will result in
California, just as it has long since done in all the
older States, in repudiating all the bogus, unwholes-
ome imitations referred to, and the complete triumph
of my pure Scheidam Schnapps.

I desire briefly to notice two facts which have lately
adverted largely to the use of Wolfe's Schnapps in the
City of New York and elsewhere. 1st. Pure French
Brandy is now almost impossible to obtain—nearly
all the brandy imported from France being American
raw spirits sent there, made into brandy, and shipped
back again. 2d. Many people are abandoning the
use of American whiskey, brandy and gin, since it
has been discovered that STRYCHNINE, a deadly
poison, is in use at the west in distilling, thereby in-
creasing the yield of liquor about one-third.

In conclusion, I will say to all who desire a whole-
some agreeable tonic and stimulant, give a fair trial to

Serofula and Diseased Blood.
"DR. GUYSON'S Improved Extract of Yellow
Doct and Sarsaparilla" is a true specific. The pro-
prietors have in their possession over one hundred
certificates of the most extraordinary cures effected
by it. We can safely say, Try it. It revives the
drooping constitution, eradicates all humors from
the blood, and by its tonic properties restores the
invalid to life and vigor. As a spring and summer
medication, it has no equal. Its singularly efficacious
action on the blood, its strengthening and vivifying
action on the system stands preeminently above all
other Sarsaparillas. If you would have the rose
brought back to your cheek, a clear, healthy and
transparent skin, and life and vigor imbued through
the system, take Guyson's Extract of Yellow Doct
and Sarsaparilla. It contains more of the pure
Honduras Sarsaparilla than any other preparation
extant, which is chemically combined with the ex-
tract of Yellow Doct and the Extract of Wild
Cherry, thus making the remedy more thoroughly
efficient than any other Sarsaparilla before the pub-
lic. At the same time it is perfectly free from all
mineral poisons, which cannot be said of other Sar-
saparilla compounds.

Vote on the State Debt.
OFFICE OF SECRETARY OF STATE,
Sacramento, California, May 26, 1857.

DAVID F. DOUGLAS, SECRETARY of
State of the State of California, do hereby cer-
tify that the annexed is a true and correct copy of
the original Act now on file in my office.

Witness my hand, and the great seal of State, at
off ce in Sacramento, California, the twenty-sixth day
of May, A. D. 1857. DAVID F. DOUGLAS,
[SEAL.] Secretary of State.

CHAPTER CCXLIV.
An Act to provide for Paying certain Equit-
able Claims against the State of Califor-
nia, and to contract a Funded Debt for
that purpose.

The People of the State of California, represented in
Senate and Assembly, do enact as follows:

SECTION 1. For the purpose of liquidating, fund-
ing, and paying the claims against the State of Cal-
ifornia, hereinafter specified, the Treasurer of State
shall cause to be prepared suitable bonds of the State
of California, not to exceed the sum of three millions
nine hundred thousand dollars, bearing interest at
the rate of seven per cent, per annum from the date
of their issue, payable at the State Treasurer's office,
on the first day of July, one thousand eight hundred
and seventy-seven: the interest accruing on said
bonds shall be due and payable at the office of the
Treasurer of State on the first day of January and
July of each year: *Provided*, That the first payment
of interest shall not be made before the first day of
January, one thousand eight hundred and fifty nine.
Said bonds shall be signed by the Governor, and
countersigned by the Comptroller, and endorsed by
the Secretary of State, and shall have the seal of the
State affixed thereto.

SECTION 2. Coupons for the interest shall be attached
to each bond, and they may be removed without
injury or mutilation to the bond. Said coupons, con-
secutively numbered, shall be signed by the Treasur-
er of State.

SECTION 3. It shall be the duty of the Treasurer and
Comptroller of State each to keep a separate record
of all such bonds as may be issued, showing the
number, date and amount of the same, and when ex-
changed for bonds, and the amount of the same, and
its amount; and none of the claims herein spec-
ified shall be liquidated or paid but in the manner
herein provided.

SECTION 4. The sum of one thousand dollars is hereby
appropriated out of any money in the Treasury not
otherwise appropriated to pay the expense of the same,
to be used by the Treasurer in the purchase of bonds
prepared, but the Comptroller shall not draw his
warrant on the Treasury for this amount until there
is money therein to pay the same.

SECTION 5. All persons having any of the claims against
the State of California, entitled to be funded as here-
inafter specified, shall, upon the presentation of the
same to the Treasurer of the State, or to the Com-
ptroller of the State, or to the Secretary of State,
change therefor bonds of the State of California,
provided, that no bond shall be issued for a less sum
than five hundred dollars, nor for fractional parts of
a hundred dollars, but the Treasurer may issue cer-
tificates of such fractional parts not bonded, which
said certificates shall be transferred and endorsed
by the Treasurer of the State of California, and
under the date on which he received the same, and
from whom, and the number of the bond issued
in exchange therefor, and such claim shall be filed in
the office of the Secretary of State.

SECTION 6. For the payment within twenty years of the
principal and interest of the bonds issued under this
Act, there shall be levied annually, until the bonds
are paid, and promptly collected, the sum, amount
as or may be provided by law for ordinary State
taxes, a tax of thirty cents on each one hundred dol-
lars of the assessed value of real and personal prop-
erty in the State, and the fund derived from this
tax shall be set apart, and applied exclusively to the
payment of the interest on the bonds herein provided,
and the final redemption of the principal of said
bonds and the faith of the State of California is
hereby pledged for the payment as herein provided
of the bonds issued by virtue of this Act, and the in-
terest thereon and all moneys that may be received
by the State of California from the United States
Government on account of the Civil Fund, so called,
are hereby irrevocably pledged to the payment of the
principal and interest of the bonds issued under this
Act. A willful refusal or neglect by Supervisors
or any other officer to levy or collect the tax imposed
by this Act, shall be a misdemeanor, and the person
or persons convicted thereof shall be removed from
office and punished by a fine not exceeding one thou-
sand dollars, or by imprisonment in the county jail
not exceeding six months, or by both such fine and
imprisonment.

SECTION 7. Whenever, on the first day of January or
July, there remains after the payment of the interest
of the bonds hereunder provided, a surplus of ten
thousand dollars or more, it shall be the duty of the
Treasurer to advertise for the space of one week, in
one daily paper published in English, in the city of
New York, and for one month in one daily newspa-
per published in English at the State Capital, for
the exhibition of such proposals by the Treasurer,
in presence of the Governor or Comptroller, at the State
Capital, for the surrender of bonds issued under this
Act, which advertisement shall state the amount of
money he has on hand for the purpose of redemption,
and they shall accept the lowest proposals, at rates
not exceeding par value as may redemtion, or pro-
portion of bonds under the amount of each on hand
for redemtion is exhausted; *provided, however*, in
case a sufficient amount of such bonds shall not be
offered, as aforesaid, to exhaust the sinking fund to a
less amount than ten thousand dollars, then it is
hereby made the duty of the Treasurer to advertise
in two newspapers, one in New York and one at the
Capital of the State, for three months, which adver-
tisements shall state the amount in the sinking fund,
and the number of bonds numbering them in the
order of their issuance, which such fund is set apart
to pay and discharge; and if such bonds, so num-
bered in such advertisement, shall not be presented
for payment and cancellation within three months
from the expiration of such publication, then such
bonds shall remain in the sinking fund, and when such
bonds are presented, but they shall draw no
interest after such publication as last aforesaid.

SECTION 8. The Treasurer of State shall keep full and
particular account and record of all his proceedings
under this Act, and of the bonds redeemed and sur-
rendered, and he shall transmit to the Governor an
abstract of all his proceedings under this Act, with
his annual report, to be by the Governor laid before
the Legislature; and all books and papers pertain-
ing to the matters provided for in this Act, shall at all
times be open to the inspection of any party interest-
ed, or the Governor, or the Attorney General, or a
committee of either branch of the Legislature, or a
joint committee of both.

SECTION 9. It shall be the duty of the Treasurer to pay
the interest on said bonds when the same falls due,
out of said interest fund, if sufficient, and if said fund
is not sufficient, then to pay the deficiency out of
the General Fund; *provided*, that the Comptroller of
State, to the order of said Treasurer for the amount
of interest money about to become due, which said
interest warrant shall be drawn at least one month
previous to the maturing of the interest.

SECTION 10. It shall be the duty of the Governor and
Comptroller to attend, at least once in each month,
at the Treasurer's office, while said bonds are being
as aforesaid, and cause the same to be regis-
tered and cancelled in such manner as to prevent
them from being re-issued or put in circulation.

SECTION 11. The following are specified as the claims
which are entitled to be received and funded under
this Act: First, Civil bonds of the years 1851, 1852, '53,
1855, and 1856, which are now outstanding, with in-
terest due on the same when presented, as appears
by the coupons. Second, Comptroller's warrants
drawn under the sanction of law, for civil expenses
prior to January 1st, A. D. 1857, and now outstanding,
prior to the funding of this Act, which shall not
and unpaid, but the provisions of this Act shall not
authorize the funding of any of those warrants, the
registration and endorsement of which were cancelled
by the provisions of "An Act to cancel the registra-

and endorsement of certain warrants, and prohib-
ing the payment of the same," approved January 30th
A. D. 1856, or warrants which have been specifically
adjudged illegal by any Court, and all said warrants
specified in the last mentioned Act, are hereby ex-
pressly excluded from all the benefits and provisions
of this Act. Third, Just or legal claims against the
State accrued prior to January 1st, 1857, and which
may be allowed and audited by Act of the Legislature.
And if the Treasurer of State shall willfully issue
bonds upon claims not herein specified as receivable,
it shall be deemed a misdemeanor, and shall be pun-
ished as provided in section 6 of this Act, and such
bond shall be void.

SECTION 12. The claims specified in this Act may be re-
ceived for funding, and bonds therefor may be issued
prior to the first day of January, 1859, but not after-
wards; and all claims not presented for funding prior
to that time, are excluded from the provisions of
this Act, and such blank bonds prepared under the
provisions of this Act, as shall then remain on hand,
shall be destroyed in the presence of the Governor,
Comptroller and Treasurer.

SECTION 13. This Act shall take effect on the first day of
November, A. D. 1857, as to all its provisions, except
those relating to, and necessary for, its submission to
the people, and for returning, canvassing and pro-
claiming the votes—which shall take effect immedi-
ately.

SECTION 14. This Act shall be submitted to the people of
the State for their ratification, at the next general
election, to be held on the first Wednesday of Sep-
tember, A. D. 1857, and the qualified electors of this
State shall, at said election, on their ballots, for State
officers, vote for or against this Act; those voting for
the same, shall write or have printed on their ballots,
the words "Pay the Debt"; and those voting against
the same, shall write or have printed on their ballots
the words "Repudiate the Debt."

SECTION 15. The votes cast for and against this Act,
shall be counted, returned and canvassed, and de-
clared in the same manner and subject to the same
rules as votes cast for the Treasurer of State, and if it
appear that a majority of all the votes cast for or
against this law as aforesaid, or in favor of this Act,
then the same shall have effect as herebefore pro-
vided, and shall be irrevocable until the interest of
the liabilities herein created shall be paid and dis-
charged, and the Governor shall make proclamation
thereof; but if a majority of the votes so cast are
against this Act, then the same shall become void.

SECTION 16. It shall be the duty of the Secretary of
State to have this Act published in one newspaper
in each judicial District of this State, if one be pub-
lished therein, for three months next preceding the
general election to be held upon the first Wednes-
day of September next, for which publication a
greater allowance shall be made than the rates al-
lowed by law to the State Printer.

Approved April 25th, 1857.
