Ladies' Jackets in heavy tan Bedford Cord, trimmed with mink eging around collar, cuffs, pockets and bottom. Price $22 50.

A recent arrival in our Cloak Department is a handsome Cape in tan broadcloth, richly trimmed with gold and tan braid. Length, 40 inches. The price is $30.

Ladies' Three-quarter length Camel's Hair Jackets in gray and tan, trimmed with Baltic Seal; shawl collar; very handsome and nobby. Price $5 each.

Black Jacket of heavy diagonal cheviot, trimmed with black astrakhan plush with braids and ornaments down the front. Price $7 50.

VALUES SPEAK PLAINLY. That's what we thought when the recent arrivals in our Gents' Half Hose were shown on our counters. They come in plain and fancy and are really great for 25c a pair.

It's often hard to find in Men's Handkerchiefs just what you want. Fifty dozen come and they are nicely selected. The price has been put at 25c each. They are worth looking at.

Men's Stiff Hats for 5c each are still having a great sale. Do you question the value, style or low price? See them before you pass judgment.
