EDUCATION FOR INDIANS.

"MOTHER KATHERINE" DELIGHTS SPENDS WEDNESDAY IN THIS WORK.

Has founded many schools employing hundreds of instructors in the work. Many of these schools are in Oklahoma and Indian Territory where there are now upwards of one hundred thousand full-blood Indians. The largest of these is in New Mexico, which has been transferred to the care of the Catholic Church. One of the most important is Mother Katherine, formerly Miss Burnside, who has been in the West four years, and is ...\n
LARGEST BATTLESHIP.

"TELEPHONING,\n
Large and Destructive Torpedo bases. The new Floating Battery, the largest of its class in the world, is now building at the Brooklyn Navy Yard, and will be the most powerful warship ever built. It will be used to destroy the largest battleships and blockading ships, and its construction is now progressing rapidly. The vessel is 600 feet long, 900 feet wide, and has a draft of 30 feet. It is equipped with 100 16-inch guns and 20 12-inch guns. The Diesel \n
