DOCTOR EUEN'S Universal Strengthening Plasters, unrivalled and unequalled. Celebrated for curing Pains or weakness in the breast side, back or limbs also for gout, rheumatism, liver complaint, and dyspepsia. In coughs, colds, asthmas, difficulty of breathing, oppression of the stomach, &c. they will give soothing relief; and for tenderness, pleasantness, safety, ease, and certainty, are decidedly superior to other remedies. Persons whose business requires that they should sit or stand much, or those of sedentary habits generally, who may be troubled with pains in the side or breast, are advised to try one of these beautiful and unrivalled plasters. They are different from others, and are free from objections which are generally made against plasters. Perhaps there is no medical observation better established than that "Consumption originates in neglected Colds." In a climate so variable as ours, it requires more care and attention to guard against the attacks of this too often fatal disease, than most persons are able and willing to bestow. It cannot therefore but be a gratification to the subscriber to be enabled to offer to all of consumptive habit s, or those afflicted with distressing pains in the side or breast, or any affection of the breast or lungs, a reasonable prospect of relief by using his "Universal Strengthening Plaster."

Persons who wish to become purchasers will be particularly careful to ask for "Doctor Euen's Universal Strengthening Plaster." They are put up in boxes of one or more dozen each, with large and attractive showbills, will keep without injury in any climate, and will be forwarded promptly as per order. Druggists, Dealers, and Country Merchants will find them a very saleable article at all times and in all places, and will find it an object to become purchasers.

These plasters may be had at the principal Drug Stores throughout the United States and Canadas.
WILLIAM EUEN.

The subscriber having purchased of Dr. Euen his machine and recipe for manufacturing his celebrated Strengthening Plaster, will furnish dealers with a fresh and genuine article on as accommodating terms as the inventor.

A Natural Remedy

Suited to our Constitution, and prepared in the Country where such disease will be found to exist.

WRIGHT'S INDIAN VEGETABLE PILLS.

OR THE NORTH AMERICAN COLLEGE OF HEALTH.

THESE extraordinary Pills are composed of plants which grow spontaneously in our own soil; and are therefore better adapted to our constitutions, than medicine concocted from foreign drugs, however well they may be compounded; and as WRIGHT'S INDIAN VEGETABLE PILLS are founded upon the principle that the human body is in truth

SUBJECT TO BUT ONE DISEASE,

viz: corrupt humours, and that said medicine cures the disease on

NATURAL PRINCIPLES—

BY CLEANSING AND PURIFYING THE BLOOD; it will be manifest, that if the constitution can be once emancipated—a perseverance in their use, according to directions, is absolutely certain to drive away the disease of every name from the body.

When we wish to restore a worn out Morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity. WRIGHT'S INDIAN VEGETABLE PILLS Will be found one of the best, if not the very best Medicine in the world for carrying out the

GRAND PURIFYING PRINCIPLE,

because they exped from the body all morbid humours, the cause of disease in an easy and NATURAL MANNER; and while they every day

GIVE EASE AND PLEASURE,

disease of every name is rapidly driven from the body.

The above named INDIAN VEGETABLE PILLS, have been three years before the American public, and we can now say without fear of contradiction, that of all the various kinds of *Vegetable Pills*, and if we only get a supply of the medicine we could establish other agents which would be of immense advantage not only to the *North American College of Health*, but to the public generally. Please let us know your views on the subject, and directions relative to the same, will be promptly attended to by

Very respectfully, your friends,
S. WINCHESTER & SON.
