S. S. ASSOCIATION 21 YEARS OLD Event Will Be Celebrated in New Castle Church on Thursday. The twenty-first anniversary of the New Castle Sabbath School Association will convene in the Methodist Episcopal Church at New Castle, on Thursday and delegates from every Protestant Sunday school, besides each pastor and superintendent, are expected to be in attendance. The Rev. Franklin McElfresh, a specialist in Sabbath school work, and the Rev. A. S. Mowbray, D. D., will be among the speakers. The program will be as follows: Morning session—Devotional service in charge of Rev. Samuel Beattie Wylie, of the First Presbyterian Church; convention call, by President Frederick Bringham; "We Welcome You," Rev. Frederick X. Moore, pastor of the local church; "We Thank You," President Bringham; address, "The Sunday School Idea and Ideals," by Rev. A. S. Mowbray, D. D.; superintendents' conference, in charge of James F. Price; address by Rev. Franklin McElfresh; "Snap-shots," by the secretaries of various associations. Afternoon session—Address, Lewis P. Bush, on "Publishing the Tidings," also by J. Chandler Pyle, Rev. Franklin McElfresh, Miss Maggie Wilson, I. Elmer Perry, Minor C. Smith, Rev. Joel Gilliland, Miss Mary Taylor and Mrs. William S. Frickett. The evening service will consist of an address by Rev. Franklin McElfresh, closing up of unfinished business and a song service, with the election of officers.

HANDY HAD BIG MEETING IN KENT. Special to THE EVENING JOURNAL. DOVER, Del., Oct. 19.—Probably the most unique political meeting in recent years was the Hazletville meeting in Western Delaware, addressed by ex-Congressman L. Irving Handy on Saturday afternoon. The Democrats had ordered Handy all the way up from Seaford and he had to take a carriage ride of twenty-eight miles to get to the West Dover hundred voters while they were at Hazletville engaged in the work of the final registration day. The Hazletville—whose patriotic founders gave it the name of the Delaware hero who fell in the Revolutionary War while leading the Delaware troops in the battle of Trenton—is the only voting place in the Fourth representative district of Kent county, and the Fourth district is the only one in either Kent or New Castle counties that has but one voting place. Twenty years before the birth of County Commissioner James H. Hutchins, and that was some time before the war the voters of West Dover hundred, which runs from Dover to the Maryland line, gathered at Hazletville and voted in the same old abandoned house. They were lining up there Saturday in clouds and the Democrats were working as they do at a city election in Wilmington when the result is in doubt. It looked as though all the countryside had turned out, partly because of the registration night, but principally to hear the Democrats' big orator of the campaign, Handy. BITTEN ON JULY 3, MAN DIES OF HYDROPHOBIA. ELKTON, Md., Oct. 19.—William Turner, aged 58 years, of Ingleside, Kent county, died at Pasture Institute, Baltimore, from an attack of hydrophobia while under treatment at the institute. Mr. Turner was bitten by a dog on July 3, but paid no attention to the wound until three weeks ago, when the malady showed signs of developing and he was removed to the institute too late to be benefited.

Death of Charles P. Warrington. EASTON, Md., Oct. 19.—Charles P. Warrington, 52 years old, one of Easton's prominent business men, died at his home yesterday. He had been in feeble health for a year, but had been confined to his bed but five days. He was born in Sussex county, Del., and was the twin brother of William Warrington, of Easton, who died about six years ago. In 1891 he came to Easton to live and engaged in the mercantile business at first, but had been engaged extensively in the lumber business. He is survived by a widow and two sons—Solger and Charles Warrington—and three daughters, Misses Fay L. and Margaret F. Warrington, all of whom live at home with their parents, and Mrs. Albert A. Garry, wife of Albert A. Garry. Engagement Not Announced. Special to THE EVENING JOURNAL. SEAFORD, Oct. 19.—The announcement of the engagement of Miss Norma Frazer Broder and William Herbert Hall and the report that they were to be married January is erroneous. Mr. Hall says his engagement has not been announced and he has not had the first thought of marrying in January. HELD FOR HIGHER COURT FOR CARRYING A RAZOR. Charles Jones, colored, was held in \$200 bail for appearance in the upper court by Judge Cochran this morning in City Court when Jones was arraigned on a charge of carrying a razor. Jones said that he had bought the razor Saturday and was going home with it when he was arrested. Patrolman Keyser arrested Jones Saturday afternoon at Ford and King streets. The officer said that the colored man was under the influence of liquor. Jones could give no satisfactory explanation to the officers as to why he had the razor, and was consequently locked up.

FOREST FIRE THREATENS DUPONT POWDER MILL. WILKES-BARRE, Pa., Oct. 19.—Forest fires on the mountain near Laurel Run during the night spread so rapidly that for some hours the duPont powder mill and the village of Laurel Run were threatened with destruction. Owing to the long drought the fallow leaves were like tinder and the fire spread rapidly over a line three miles long. Late at night the seventy-five men who had been fighting it for several hours were driven back, the fire gaining on them. They were reinforced by a large number from Laurel Run and Georgetown, and these, by skillful back firing, finally obtained control of the fire, as it was driven to a safe distance from the mill and the town. It is still raging and a number of men are now busy trying to confine it to a limited area. DILIGENT COUNCIL HAD HOUSEWARMING. The members of Diligent Council, Junior Order United American Mechanics, had a "house-warming" Saturday night in the new lounge rooms of the organization in the Lore building. Horace G. Eastburn was chairman. State Councilor Stoops made an address and Mr. Eastburn also spoke. Roy Johnson and Wallace Dutcher, each six years old, gave a pretty military sketch in which Master Johnson placed the different military camps in a regulation army bugle. Master Dutcher went through the drills and manual of arms. Mrs. Pierson and daughter gave several excellent violin and piano selections. The committee in charge comprised Walter Johnson, Sr., Harry Boxes, Cecil E. Eastburn, Millard Durrell and Howard D. Lyman.

DUKE DECIDES TO WED MISS ELKINS. Matrimonial Affairs of Abruzzi and Senator's Daughter Stir Italian Royalty. QUICKLY CHANGES HIS MIND. By United Press Leased Special Wire. ROME, Oct. 19.—Within 24 hours of his renunciation of his love for Miss Katharine Elkins, the Duke of the Abruzzi again listened to the voice of Cupid rather than the command of his king, and as a result it was officially announced to-day that the engagement of the Duke and Miss Elkins is not broken. The United Press correspondent learned to-day the reason for the many conflicting stories of late concerning the love affairs of this couple. Only last Friday, King Emmanuel told the Duke, who is his cousin, that unless he could obtain the consent of his brothers, Duke Aosta and Count Turin, and Dowager Queen Margherita, the wedding would not be permitted. Realizing the hopelessness of trying to win Duke Aosta and the Dowager Queen to his side, Abruzzi reluctantly and sadly announced that the engagement would be broken and his decision so delighted the Dowager Queen that she telegraphed her congratulations to him. Within a few hours, Abruzzi was so overcome by his grief that he wired it was impossible for him to live without Miss Elkins and that he would continue his suit even if it involved his expatriation. Emmanuel read the message with many misgivings. He knew the temper of the Duke and realized that it would be futile to oppose him further. For this reason the King gave his consent. DENIAL OF A BREACH. The crisis in the Duke's affairs arose so quickly and was solved so quickly that the royal household found it advisable to deny that any breach of this engagement had occurred, though it is known absolutely that only three days ago the Duke decided to listen to duty rather than to his love. The statements of the Elkins family in America that no engagement exists between Miss Elkins and the Duke, are not taken seriously by the Duke's friends. They insist that the pair are engaged, have been for months and that as it is a true love match, the wedding will undoubtedly take place. The King's decision makes it certain that Miss Elkins, when she becomes the wife of the Duke, will be received courteously, even if not joyously, by the Italian court.

MR. SCHWAB TO BE HERE TO-MORROW. Will Confer With the Board of Trade and City Officials About Big Shops. Directors of the Board of Trade will entertain Charles M. Schwab, president of the Bethlehem Steel Company tomorrow. The Bethlehem Steel Company controls the Harlan and Hollingsworth Corporation of this city. Mr. Schwab will also meet members of City Council, the Street and Sewer Board and other city officials for an informal discussion of the plans of the Harlan and Hollingsworth Corporation to enlarge its plant so that steel cars may be built here. The occupancy of Justison at east south of the P. B. and W. railroad is one of the plans of the corporation and it will be this subject which Mr. Schwab and the Board of Trade directors will discuss with the city officials. The trade board desires every inducement to be offered to the corporation to enlarge its plant and the members of the board propose that the street be condemned so that the car and ship-building company may erect its proposed plant there and to open a street in the rear of the big plant for the accommodation of industries which now use the street. The Harlan and Hollingsworth Corporation is willing to bear the expense of the latter, it is understood from statements made sometime ago to the Street and Sewer Directors by its attorneys.

AUSTRIAN SPY IN SERBIAN ARMY. By United Press Leased Special Wire. BELGRADE, Oct. 19.—A new and startling war menace arose to-day in the arrest of an Austrian army officer by the Serbian authorities, who claim that the officer is a spy. The Austrian minister has demanded the officer's release and has threatened to call on the Austrian gendarmes in the Danube, but a few miles from Belgrade, to enforce his demands with the ships guns. The situation is so serious that many of the foreign residents are sending their families out of the country. The Serbian authorities refuse absolutely to release the officer pending a thorough investigation of his movements. They say he had been under surveillance and was unquestionably acting as a spy.

IRISH HISTORY IN THE PAROCHIAL SCHOOLS. Edward Norton, the Delaware member of the National Committee of the A. O. H. on Irish History has called a meeting of the local committees for next Friday evening to be held in Irish American Hall at 7:30 o'clock. There are three members from each Division and Mr. Norton wants to be able to present a detailed report at the State Board meeting at New Castle next Sunday. Bishop Monaghan and Rev. Edward L. Brady will begin the use of the books in the parochial schools under their charge in February. Every division will use the history at its meeting in future.

"FLASHED HIS ROLL," KILLED IN STREET. Special to THE EVENING JOURNAL. NEW BRUNSWICK, N. J., Oct. 19.—Because of the habit, when drinking, of "flashing his roll," Allen Wely, proprietor of the City Hotel here, is today a corpse. Wely started home just before midnight last night, after juggling somewhat freely, and while passing the Opera House was dealt a terrific blow on the head which fractured the skull. Wely dying early this morning. His assailant is not known. Wely's wife says it was her husband's habit when drinking to "flash his roll." Last night he "flashed" over \$200. When the body was discovered, shortly after the crime's commission, the entire "dash" was missing.

CHARGED WITH STEALING SHOES. George Bramble was arraigned in City Court this morning on a charge of larceny of a pair of shoes from Samuel Davis. Bramble was represented by Attorney J. Frank Bell. Davis testified the shoes were missing Friday but said he did not know where they went to, as he had been drinking and was intoxicated at the time the shoes were alleged to have been stolen. Bramble testified that the shoes were brought to him by a man named John Gear whom he alleged told him to sell the shoes for what he could get. Gear was called to testify and denied what Bramble had previously said. Although Mr. Bell contended that it had not been proven that the shoes were stolen by Bramble, Judge Cochran held him in \$100 bail for upper court.

Red Man to Meet in Dover. The Improved Order of Red Men, which is preparing to hold its Great 25th Council of Delaware at Dover in a few days, has collected its report for the 25th year which shows that the order has made rapid progress during the past 25 years. For this year alone there has been an increase of 500 members, and the Delaware strength of the order is now shown to be over 1000 in good standing. There is a spirited contest on for the officers, and all the candidates are busy at letter writing.

BODY FOUND ON THE CAR TRACKS. Two trolley car accidents occurred late on Saturday night, one resulting fatally and the other the victim was only slightly hurt. With his head crushed to a shapeless mass, the body of Daniel Robinson, aged 45 years, of No. 611 West Thirty-fourth street, was found early yesterday morning along the trolley tracks of the People's Line at Twenty-ninth and Tenth streets. It is believed he lay down to sleep and used the trolley track as a pillow. His hands were folded upon his breast and there were no other wounds on the body except those in the head. The man's son later identified the body and ordered it removed to the morgue to be kept there temporarily, so that his mother would be spared the shock of seeing his dead body at that hour in the morning. What car struck the man is not known. None of the crews on the cars on that line recall striking any object on the track. Philip McDonald, of No. 1210 Market street, was struck and knocked down by car No. 181 of the Delaware avenue line of the Wilmington City Railway Company while crossing Market street above Ninth late on Saturday night. He was taken to the Delaware Hospital where it was found that he was only suffering with a slight laceration of his eye, which was dressed, and he was then taken to his home.
