NEW CASTLE, Del., Aug. 22.—Preparations are being made by the members of St. Peter's Holy Name Athletic Association for one of the greatest days of field sports given in New Castle in a quarter of a century.

Handsome prizes have been secured for the different events in plenty. The badges have never been equaled in any athletic event in the State.

NEW ATLANTIC LEAGUE POTTSVILLE, Pa., Aug. 22.—President C. F. Parker, of the Atlantic League of Baseball Clubs, is now busy reorganizing the circuit for next season.

These five cities are to be included in the new circuit, which would be almost equivalent to an anthracite league, were the Atlantic League in full through, but President Parker says there will be no trouble in filling the full circuit of eight towns, and looks upon next season as being the best that the Atlantic League has experienced.

MARKSMEN ON RANGE TODAY Delaware Team Finishes Practice at 1,000 Yards And Skirmish

CAMP PEHRY, Ohio, Aug. 22.—The Pennsylvania, New Jersey and Delaware rifle teams in camp are "doping" out their prospects in the national match.

At 1000 yards the leading scores by members of the Pennsylvania team were: Sergeant H. O. Wheeler, 47; Private Dunn, 46; Muscular Moore, 44, and Commanding Sergeant at Bridge, 43.

Major S. F. Fort, the Maryland coach, was second in the rapid-fire revolver match with 123.

AMONG OURSELVES BEING LITTLE STORIES OF THE SPORTING FOLK GATHERED FROM EVERYWHERE BY DAVE

JUST HEARD OF ONE. "Did you ever see such a hot place in your life?" asked Jimmy Cook, of Kid Reeves, at the ball farm.

AND HE DIDN'T. "Ground never hit nobody in that fifth inning. Didn't he hit somebody in every previous inning? Wasn't that sufficient?"

TO THE TIMBERS. The fall timbers for that bingle of Beauty's Luck! Well we guess, yes.

TROUBLE FOR TOMMY. Tommy Lawless is going head-over-heels into trouble. Because his St. Paul's team looks a trifle better than another in the Holy Name League squad Tommy blurs out with something like a challenge to take on duPont for a five-game series.

KNOCKOUT COMING. Next Saturday Riverview will meet New Castle in a nine-round go at Riverview. That's going to be a knock-out in all that, unless somebody gets his defense working well.

CUTS OUT THE JOY RIDING. "Kid" Reeves, "Jimmy" Cooke and Harry Shuler drove to Betterton yesterday in a big touring car that McKinney borrowed for them.

Riverview is second place. The erstwhile Parkside nearly won a game.

Wanted—A pitcher. One who can beat duPont. None other need apply. Salary, no object. Apply Terry Carvin.

It's "Hard Luck" Carvin, for sure. Notice—Don't feed the leaders.

Oh, by the way, New Castle didn't get a chance to lose a chuckle.

Russell was the only man in the league to draw better than a single.

Loney Green, who didn't pitch often, fanned nine men and got a single. Better pitch him again.

As usual, the McDonough family showed what it could do.

Dawson threw it into a brace of them.

Reed looks good in the out garden.

Shuler was thinking of vacation week.

If Bacon is in the grandmother class with his wife were more grandmothers.

DELAWARE CITY TRIMS THE MARINES Delaware City took its third straight game from the League Island Marines on Saturday by a 4 to 2 score.

Del. City ..... 1 0 1 0 0 0 1 0 -3 Earned runs, Marines, 2; Delaware City, 4. Home run, Pennington. Struck out, by Southwick, 8; by Wingate, 2. Base on balls, by Southwick, 1. Stolen bases, Maher, Wagner, Bright and Pennington. Passed ball, Wagner. Umpire Wentzell.

AMATEUR BASEBALL. Naps, 8; Newark, Jr., 12. St. Patrick's Independents, 13; Rhoads, 16.

BILL BERNHARD, MENTIONED AS NEW MANAGER OF CLEVELAND.

Judging by present indications, it looks as if Bill Bernhard, manager of the Nashville team of the Southern League, will be chosen as successor to Larry LaJolie as leader of the Cleveland Naps.

Mr. Grubb, an elderly bachelor, having been troubled for a week or two with a pain in his back, went to his doctor. The physician prescribed two large porous plasters and told him to call again in about a fortnight and report.

Mr. Grubb complied with directions. He went to a drug store and bought the plasters and after a prolonged struggle with them in his own room succeeded in getting them properly in place.

"Well, how is your back?" asked the medical man.

"Sound as a dollar; hasn't pained me any for ten days or more."

"Glad to hear it. You may take the plasters off whenever you please."

"Not much!" exclaimed Mr. Grubb removing his coat and vest, taking off his collar and locking the door of the doctor's office. "I won't touch 'em. They're bigger than I am. What I want you to do now, doctor, is to pull me off the plasters."

The Life Giving Touch of Sympathy. A man may have become almost a demon, he may have resolved upon immortal hate and study of revenge, but let him once feel the life giving touch of sympathy and love, and the seed of long dormant will spring up and bring forth its harvest in the field of life.

Very Considerate. Four old Scotsmen, the remnant of a club formed some fifty years ago, were seated round the table in the clubroom. It was 5 a. m., and Donald looked across at Donald and said in a thick, sleepy voice:

"Donald, d'ye notice what an awful peculiar expression there is on Jock's face?"

"Aye," says Donald, "I notice that. He's dead! He's been dead these four hours."

"What? Dead? Why did ye no tell me?"

"Ah, no—no—no," said Donald. "A'n' no that kind o' man to disturb a cozy vival evening."

SEMI-PROFESSIONAL NOTES Some great changes in the Semi's standing. The race gets more interesting every Saturday.

Some one said Highland had Peerless' goat. The claim broke and the goat got away Saturday.

Landlith won their game on one hit. That might be called luck.

"Cy" Young always helps win his own game with extra base hits. Home run Saturday.

The Newport-Trenton game is thought to have been the fastest of the season.

Highland was certainly prepared for Peerless. Eder, C. Waters, old "stars," besides Hall and Poffenberger, new men, were in the game.

Moore takes his time when pitching.

Bob Waters is "there" when it comes to throwing to second base.

Clark made several nice stops of ground balls besides making a sensational catch in left field.

For a little man, Mullin covers a large territory in right field. Several of his catches were "real."

Patterson was back in the game, and got his two-bagger.

Bill O'Donnell knocked so many balls in the two games that when he hit the three-bagger he slid for third when the ball was out in center field. He said he was going to fall down, so he thought he would practice sliding.

Speaking of sliding; how about Morgan.
