Have You Tried?

Lydia E. Pinkham's Vegetable Compound? We can furnish positive proof that it has made many remarkable cures after all other means had failed.

Women who are afflicted with some form of female illness should consider this.

As in the case of all the testimonials these two unsolicited testimonial letters. We guarantee they are genuine and honest statements.

Goodridge, Wallingford, Me.—"I was a great sufferer from a female weakness and so decided to try Lydia E. Pinkham's Vegetable Compound in the hope that for an operation I had to bear. I could not bear to think of it.

I was entirely discouraged when I decided to try Lydia E. Pinkham's Vegetable Compound. I seem to be getting better every day, and now I think I shall be well. It made me a well woman, and I have sent to my brother to get some more for his wife.

Mrs. Plnkham invites all sick women suffering from similar ills to write her. She will forward her compound gratis, if there is a need for it.

Plan to Save the Tots from Tuberculosis

New York, Nov. 12.—The tuberculin used for the prevention of tuberculosis has been a great success. A large number of children have been vaccinated and vaccinated, and the result has been so favorable that the Preventorium has been asked to increase its work. The Preventorium was founded to cope with the alarming conditions of our time.

The Preventorium has been in operation for several years, and has been successful in the prevention of tuberculosis. The Preventorium has been able to prevent the spread of tuberculosis by vaccinating children and by vaccinating the parents of children who have been vaccinated.

RAILROAD MEN WANT PENSION IN RELIEF

Petitions have been prepared and will be submitted to the Legislature when they meet, for the purpose of establishing a pension fund for the benefit of railroad men.

The petitioners state that the railroad companies have not done enough for the men who have served them.

The petitioners state that the railroad companies have not done enough for the men who have served them.

RESTORES PLEASING PLUMPNESS

One of the great troubles is that today we are more likely to lose weight than to love and be loved by the Lord.

The great trouble is that today we are more likely to lose weight than to love and be loved by the Lord.

CYNTHIA HELPERS

The great trouble is that today we are more likely to lose weight than to love and be loved by the Lord.

Amen.
