Many gifts presented to warship

(presented to President Wilson, November 11, 1918)

W深厚的尊敬和感谢，为了表达我们的敬意，我们将……

Tribute to the Delaware

The Delaware was a significant ship during the War of 1812. It played a crucial role in bringing to an end the conflict and was named after the Delaware River.

Another link in canal system

The New York and Smoky Island Canal was completed, providing a vital link in the proposed inland waterway from New York to the West.

Gifts this time for ship jackies

To celebrate the completion of the Delaware, gifts were presented to the ship jackies.

Husband must support family

The judges sentenced John F. Mooney to 2 years in prison for neglect of support.

Silver service that was given to the Delaware to-day

The silver service was a gift to the Delaware and its crew.
