REPUBLICAN TICKET.
FOR MEMBERS,
PEIRCE GOULD.
FOR GOVERNOR,
GEO. W. JACKSON.

The Republican will be lengthened on Monday four inches, which will be equal to seven additional columns. The enlargement can be made by slight alterations, and has been rendered absolutely necessary from the greatly increased advertising patronage of the paper. The increase has been tested for many years as an advertising medium and has been growing more popular in all that time. Business men know where to put their advertisements to bring them profitable returns, and the proprietors are pleased to acknowledge that a press of advertisements has forced them to enlarge in midsummer, when advertising as a general rule is very dull.

Why do so many people we see around us seem to prefer to suffer and be made miserable by indigestion, Constipation, Dizziness, Loss of Appetite, Coming up of the Food, Yellow Skin, when for tea, we will sell them Sillito's Vitalizer, guaranteed to cure them. AN old-fashion talk with our customers.

It's a hot, dusty ride from your country homes to the city. We know it, and doubly value this life-long friendship that for many, many years has brought us together. Oak Hall, you know, is your home. Come and sit down quietly and cool off. We are always glad to see you. It's a nice, airy halting-place, with plenty of good ice water at your disposal. Our big store, you know, is a small town within its limits. That's why we can give you the Big values—bigger and better than ever before. From childhood up you have never yet been able to do as well as at Oak Hall, and you'll find that this Summer thing are cheaper and better than you have ever known them to be.

GREAT BARGAINS.

You've ten hear of bargains which on investigation prove to be anything but bargains. We have had thus far the most successful matting season we ever had, and were compelled to make a late purchase, and in the deal we gathered up some very choice mattings, which we are now selling at very low prices, among the lot being an extra heavy Jointless Matting, 100 pounds to the roll; 28 cents per yard, or \$9.20 for full roll of 40 yards. Another not jointless, \$8 per roll. Earlier in the season the same grades for \$14.

Since starting the awning season we have been nearly over-run with orders. This being our first season as awning makers the results are quite flattering to say the least. Our workmen are experienced in the art and you are sure of satisfaction. Usual sized awnings put up complete for \$2.50. Special estimates given on larger ones.

Hunt us up and let us be your awning people. Linnen slip covers, \$15 for an ordinary suit of six or seven pieces.

In our list of summer goods will be found cedar chests and hammocks.

The Workingmen's Dinner Plot.
The Tin Plate Consumers Association is a regular free-trade concern, not caring much what it says so that it can control the tin market, and keep up the price of tin. Here recently, seeing some chances for success in their nefarious occupation in the fact that a bill had been introduced in the House of Representatives, providing for the repeal of the McKinley duty on tin-plates, the association took advantage of the opportunity to spread misleading reports about the status of the tin-plate industry in the United States. With this object in view they issued a circular which was sent by the secretary of the association to all the leading tin-plate consumers of the country, asking what effect the increased duty had on their business.

Why is the matter with the Wilmington Board of Trade? It seems that the more persons join as members the more difficult it is to secure a quorum. The Board must have gone into a condition of "inaneous desuetude," as Cleveland puts it.

It is because we are bread winners ourselves that we endeavor to satisfy every demand of those who also are bread winners. A working man can't pay fancy prices. We appreciate the fact. We are possibly the largest buyers in the trade, hence we can do better for you than you dream of. We wish you to feel that you have a sort of proprietary interest in Oak Hall, and that it is your right to bring your friends here and show them around. We are also glad to have any lin's or ideas from you.
