Robert Porter,
BOOKSELLER,

Respectfully informs the Public, that he has just received from LEE'S PATENT MEDICINE STORE 46 Maiden Lane, New York,

A FRESH SUPPLY

Of the following genuine Medicines:

Hamilton's Worm Destroying Lozenges,

Which have cured an immense number of persons of both sexes, of every age, and in every situation, of various dangerous complaints arising from Worms, and from obstructions or foulness in the stomach and bowels.

This medicine bears no analogy whatever to others of similar titles so commonly complained of, as operating with violence; on the contrary, a particular excellence of this remedy is its being suited to every age and constitution. It contains nothing but what is perfectly innocent, and is so mild in its operation that it cannot injure the most delicate pregnant lady, or the tenderest infant of a week old, should no worms exist in the body; but will, without pains or griping, cleanse the stomach and bowels, of whatever foul or offensive, and thereby prevent the production of worms, and many fatal disorders. The ozenges are particularly efficacious in carrying off all gross humors and eruptions, feverish and bilious complaints, and are the safest and mildest purgative that can be used on any occasion.

DESCRIPTION OF WORMS,
And the symptoms by which they are known:

Worms which infest the human body, are chiefly of four kinds, viz....The Teres, or large round worm, the Ascarides, or small maw-worm; the Cucurbitnia, or short, flat, white worm; and lastly, the Tænia or tape worm, so called from its resemblance to tape. This is often many yards long, and is full of joints. It is most hurtful and most difficult to remove.

Among the symptoms attending worms are...disagreeable breath, especially in the morning; bad and corrupted gums; itching in the nose, and about the seat; convulsions, epileptic fits, and sometimes privation of speech; starting, and grinding of the teeth in sleep; irregular appetites, sometimes loathing food, and sometimes voracious feeding, with slimy and foetid stools; vomiting; large and hard belly; pains and sickness at the stomach; pains in the head and thighs, with lowness of spirits; slow fever, with small and irregular pulse; a dry cough; excessive thirst; sometimes pale and unhealthy countenance, and sometimes the face bloated and flushed.

Persons afflicted with any of the above symptoms, should have immediate recourse to Hamilton's Worm Destroying Lozenges, which have been constantly attended with success in all complaints similar to those above described.

A dose of this medicine given occasionally during the warm season, will effectually prevent the vomiting and purging of children....a dreadful disorder, which annually destroys thousands of the infant part of our citizens. It is likewise the mildest and most certain remedy known, and has restored to health and strength a great number when in an advanced stage of this fatal complaint. Particular and plain instructions are given for every part of the necessary treatment in such cases.

Children generally take this medicine with eagerness; having a pleasing appearance, and an agreeable taste.

Hahn's Antibilious Pills.

The operation of these pills is perfectly mild, so as to be used by persons in every situation, and of every age.

They are excellently adapted to carry off all superfluous bile, and prevent its morbid secretions; to weaken and amend the appetite, to produce a free respiration, and thereby prevent colds, which are often of fatal consequences. A dose never fails to remove a cold, if taken on its first appearance. They are celebrated for removing habitual costiveness, sickness at the stomach, and severe head ache, and ought to be taken by all persons on a change of climate.

They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured and carefully preserved for use by every seaman.

Hamilton's Essence & Extract of Mustard.

A safe and effectual remedy for rheumatisms, gout, palsy, sprains and bruises, white swellings, old strains, and relaxations, numbness and weakness of the neck, pains of the side, head ache, swelled faces, frozen limbs, and every similar complaint. It prevents chilblains, or chopped hands, and the ill effects of getting wet or damp in the feet.

The genuine Persian Lotion.

So celebrated among the fashionable throughout Europe, is an invaluable cosmetic, perfectly innocent and safe, free from corrosive and repellent minerals, (the basis of other lotions) and of unparalleled efficacy in removing blemishes of the face and skin, freckles, pimples, flammatory redness, scrufs, tetters, ringworms, sunburns, prickley heat, &c. The Persian Lotion operates mildly, without impeding the natural insensible perspiration, which is essential to health, yet its effects are speedy and permanent, rendering the skin delicately soft and smooth, and improving the complexion.

Restorative Powder for the Teeth and Gums.

This excellent preparation comforts and strengthens the gums, preserves the enamel from decay, and cleanses and whitens the teeth, by absorbing all the acrimonious slime and foulness, which, suffered to accumulate, never fails to injure and finally ruin them.

Hamilton's Grand Restorative.

Is recommended as an invaluable medicine for the speedy relief and permanent cure of the various complaints resulting from dissipated pleasures, juvenile indiscretions, residence in climates unfavorable to the constitution, the immoderate use of tea, frequent intoxication, or any other destructive intemperance, the unskilful or excessive use of mercury, the diseases peculiar to females at a certain period of life, bad lyings in, &c.

Hamilton's Elixir.

Celebrated for the cure of colds, obstinate coughs, asthmas, and approaching consumptions, and a certain remedy for the whooping cough.

Hahn's Genuine Eye Water.

A sovereign remedy for all diseases of the eyes whether the effect of natural weakness or of accident.

Tooth-Ache Drops.

The only remedy yet discovered which gives immediate and lasting relief in the most severe instances.

ITCH CURED.

Lee's Ointment for the Itch.

Warranted an infallible remedy at one application, may be used with perfect safety on infants a week old, not containing a particle of mercury or any dangerous ingredient whatever, and not accompanied with that tormenting smart which attends the application of other remedies.

Lee's Infallible Ague & Fever Drops,

For the cure of agues, remittent, and intermittent fevers.

Hahn's true and genuine German Corn Plaister.

N. B. At the place of sale pamphlets may be had gratis, describing cures performed by the above medicines; the number, importance and respectability of which, fully justify every article of the advertisement.
