Robert Porter,
BOOKSELLER,

Respectfully informs the Public, that he has just received from LEE'S PATENT MEDICINE STORE 46 Maiden Lane, New York,

A FRESH SUPPLY
Of the following genuine Medicines:

—

Hamilton's Worm Destroying Lozenges.

Which have cured an immense number of persons of both sexes, of every age, and in every situation, of various dangerous complaints arising from Worms, and from obstructions or foulness in the stomach and bowels.

This medicine bears no analogy whatever to others of similar titles so commonly complained of, as operating with violence; on the contrary, a particular excellence of this remedy is its being suited to every age and constitution. It contains nothing but what is perfectly innocent, and is so mild in its operation that it cannot injure the most delicate pregnant lady, or the tenderest infant of a week old, should no worms exist in the body; but will, without pains or griping, cleanse the stomach and bowels, of whatever foul or offensive, and thereby prevent the production of worms, and many fatal disorders. The oxenges are partly entirely efficacious in carrying off all gross humors and eruptions, feverish and bilious complaints, and are the safest and mildest purgative that can be used on any occasion.

DESCRIPTION OF WORMS,
And the symptoms by which they are known:

Worms which infest the human body, are chiefly of four kinds, viz.... The Teres, or large round worm; the Ascarides, or small mam-worm; the Cucurbitina, or short, flat, white worm; and lastly, the Tænia or tape worm, so called from its resemblance to tape. This is often many yards long, and is full of joints. It is most hurtful and most difficult to remove.

Among the symptoms attending worms are...disagreeable breath, especially in the morning; bad and foul coating; itching in the nose, and about the seat; convulsions, epileptic fits, and sometimes privation of speech; starting and grinding of the teeth in sleep; irregular appetite, sometimes nothing food, and sometimes voracious; purging, with slimy and foetid stools; vomiting; large and hard belly; pains and sickness at the stomach; pains in the head and thighs, with lowness of spirits; slow fever, with small and irregular pulse; a dry cough; excessive thirst; sometimes pale and unhealthy countenance, and sometimes the face bloated and flushed.

Persons afflicted with any of the above symptoms, should have immediate recourse to Hamilton's Worm Destroying Lozenges, which have been constantly attended with success in all complaints similar to those above described.

A dose of this medicine given occasionally during the warm season, will effectually prevent the vomiting and purging of children...a dreadful disorder, which annually destroys thousands of the infant part of our citizens. It is likewise the mildest and most certain remedy known, and has restored to health and strength a great number when in an advanced stage of this fatal complaint. Particular and plain instructions are given for every part of the necessary treatment in such cases.

Children generally take this medicine with eagerness; having a pleasing appearance, and an agreeable taste.

A dose never fails to remove a cold, if taken on its first appearance. They are celebrated for removing habitual costiveness, sickness at the stomach, and severe head ache, and ought to be taken by all persons on a change of climate.

They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured and carefully preserved for use by every seamen.

About one half is woodland and cedar swamp, and 6000 peach and apple trees of the best quality of grafted fruit, a great variety of pears, plumbs, cherrys, English walnuts, &c. and upwards of 1200 gallons of brandy has been made on this farm in one season. The mansion house is large and convenient, with cellars under it, with several other dwellings for tenants, store houses, &c. a large still house, a saw mill in good order, and in a good stand for timber, which might be taken in great abundance for goods. Price one dollar and fifty cents.

Is confidently recommended as the most efficacious medicine for the speedy relief and cure of all nervous complaints, attended with inward weakness, depression of the spirits, head ache, tremor, faintness, hysteric fits, debility, seminal weakness, gleets, and various complaints resulting from secret imprudicty of youth and dissipated habits, residence in warm climates, the immoderate use of tea, the use of calomel or excessive use of mercury, as often destructive of the human race, diseases peculiar to females at a certain period of life, Fluor Albus, barrenness, &c.

Under the denomination of nervous disorders, are included several diseases of the most dangerous kind, and as by various that a volume would hardly suffice to complete a description of them. It pervades, with its baleful influence, the whole nervous system, writhing the heart with inexpressible anguish, and exciting the most dreadful suggestions of horror and despair. To this demon have thousands fallen a sacrifice, in the direful transports of its rage.

The most common symptoms of its commencement, are weakness, dizziness, pain, watchfulness, drowsiness after eating, timidity, flashes of heat and cold, numbness, cramp, giddiness, pains in the head, back, and loins, hick-up, difficulty of respiration and deglutition, anxiety, dry cough, &c. &c.

The Vegetable Nervous Cordial is also a great Anticorbutic Medicine, and is of infinite service for purifying the blood, and curing those foul disorders of the skin which commonly appear in the form of ivry, scurfs, red blotches, carbuncles, ulcers, &c. &c. DR. ROBERTSON'S INFALLIBLE WORM DESTROYING LOZENGES.

A medicine universally esteemed for destroying every species of worms. Price fifty cents.

Symptoms. The common symptoms of the worms are paleness of the countenance, at other times flushing of the face, itching of the nose, and about the seat, starting and grinding of the teeth in sleep, swelling of the upper lip, the appetite sometimes bad, at other times voracious; looseness, disagreeable breath, a hard swelled belly, great thirst, the urine frothy and sometimes of a whitish color, griping or cholic pains, an involuntary discharge of saliva, especially when asleep; frequent pains in the side with a dry cough and unequal pulse; palpitations of the heart, swoonings, cold sweats, epileptic fits, &c. &c.

Though numberless medicines are extolled for expelling an killing worms, none are equal in efficacy to Dr. Robertson's Worm Destroying Lozenges; they are mild in their operation and may be given to the youngest infant with safety.

DR. DYOTT'S ANTI BILIOUS BILLS.

For the prevention and cure of Bilious and Malignant Fevers.

Price 25 cents; large boxes 50 cents.

Those Pills, if timely administered, will remove the causes which commonly produce in remittent, remittent, bilious, and yellow fevers, bilious cholic, pleurisy, dysentery, worms, bilious vomiting, flatulence, indigestion, loss of appetite, costiveness, epileptic fits, hypochondria, and hysterical affections, foul stomach, colds and coughs, asthma, scurvy, strangary, gravel, rheumatism and gout.

They are particularly serviceable in Female Disorders, and especially in the removal of those obstructions, which are the great source of their complaints at certain periods; they possess this eminent advantage over most other purgatives, that while they operate gently, they produce neither costiveness, debility, nor too great excitment: whenever there is a predisposition to a disease, arising from marsh effluvia or a too copious use of ardent spirits, or a vitiated state of the bile, they are sure to relieve.

They are highly recommended to travellers, by sea and land, as they may be made use of with the utmost safety, without change of diet or exercise. They will be found peculiarly beneficial in the prevention of disorders incidental to hot climates; they deterge and cleanse viscid humors, open obstructions, promote the secretion of good bile, operating as a cathartic and powerful diuretic and diaphoretic.
