Is confidently recommended as the most efficacious medicine for the speedy relief and cure of all nervous complaints, attended with inward weakness, depression of the spirits, head ache, tremor, faintiness, hysteric fits, debility, seminal weakness, gleets, and various complaints resulting from secret impropriety of youth and dissipated habits, residence in warm climates, the immoderate use of tea, the the unskilful or excessive use of mercury, so often destructive of the human race, diseases peculiar to females at a certain period of life, Fluor Albus, barrenness, &c.

Under the denomination of nervous disorders, are included several diseases of the most dangerous kind, and are so various that a volume would hardly suffice to complete a description of them. It pervades, with its beneficial influence, the whole nervous system, writhing the heart with inexpressible anguish, and exciting the most dreadful suggestions of horror and despair. To this demon have thousands fallen a sacrifice, in the direful transports of its rage.

The most common symptoms of its commencement, are weakness flatulence, pulsitations, wretchedness, drowsiness after meals, timidity, flashes of heat and cold, numbness, cramp, giddiness, pains in the head, back, and loins, lowness, difficulty of respiration and deglutition, anxiety, dry cough, &c.

DR ROBERTSON'S INFALLIBLE WORM DESTROYING LOZENGES

A medicine universally esteemed for destroying every species of worms. Price fifty cents.

Symptoms. The common symptoms of the worms are paleness of the countenance, at other times flushing of the face, itching of the nose and about the seats, starting and grinding of the teeth in sleep, swelling of the upperlip, the appetite sometimes bad, at other times voracious; loseness, disagreeable breath, a hard swelled belly, great thirst, the urine frothy and sometimes of a whitish color, griping or colic pains, an involuntary discharge of saliva, especially when asleep; frequent pains in the side with a dry cough and unequal pulse; palpitations of the heart, swoonings, cold sweats, epileptic fits, &c. &c.

Though numerous medicines are extolled for expelling and killing worms, none are equal in efficacy to Dr. Robertson's Worm Destroying Lozenges; they are mild in their operation and may be given to the youngest infant with safety.

DR DYOTT'S ANTI BILIOUS BILLS.

For the prevention and cure of Billious and Malignant Fevers.

Price 25 cents; large boxes 50 cents.

These Pills, if timely administered, will remove the causes which commonly produce intermittent, remittent, bilious, and yellow fevers, bilious cholic, pleurisy, dysentery, worm-bilious vomiting, flatulence, indigestion, loss of appetite, costiveness, epileptic fits, hypochondria, and hysterical affections, foul stomach, colds and coughs, asthma, scurvy, strangury gravel, rheumatism and gout.

They are particularly serviceable in Female Disorders, and especially in the removal of those obstructions, which are the great source of their complaints at certain periods; they possess this eminent advantage over most other purgatives, that while they operate gently, they produce neither costiveness, debility, nor too great excitment: whenever there is a predisposition to a disease, arising from marth effluvia, or a too copious use of ardent spirits, or a vitiated state of the bile, they are sure to relieve.

They are highly recommended to travellers, by sea and land, as they may be made use of with the utmost safety, without change of diet or exercise. They will be found peculiarly beneficial in the prevention of disorders incidental to hot climates; they deterge and cleanse viscid humors, open obstructions, promote the secretion of good bile, operating as a cathartic and powerful diuretic and diaphoretic.
