CANCERS CURED.

By JAMES REDDEN.

Read the following certificate: To all those persons afflicted with cancers or cancerous tumors, I would advise them to go immediately to JAMES REDDEN Esq., at Redden's Cross Roads, in Sussex county, four miles this side of Georgetown, on the State Road, who can positively and radically cure them without fail, if not too far gone. I had a cancer on my face for six years' standing, which he killed in a few minutes. I had previously taken the advice of several eminent physicians, some advised me to have it cut out, others to let it alone, it would never be the cause of my death. It was very troublesome and gave me great uneasiness of mind as well as some pain. I accidentally, while in Wilmington, heard that Mr. Redden could cure them. I came home and immediately fixed up and went down; he operated on it. I came home and in three weeks it came out "root and branch," and in six weeks it was entirely well, and has remained so for six months. I publish this certificate for no earthly interest only for the sake of suffering humanity.

HELMBOLD'S GENUINE PREPARATION

OF HIGHLY CONCENTRATED

COMPOUND FLUID EXTRACT

BUCHU.

For diseases of the bladder, Kidneys,

Gravel, Dropsy, Weakness, Obstruc-

tions, Secret Diseases, Female Com-

plaints, and all Diseases of the Sexual

Organs, arising from excesses and im-

prudencies in life, and removing all im-

proper discharges from the bladder,

Kidneys, or sexual organs, whether ex-

isting in

MALE OR FEMALE.

From whatever cause they may have

originated, and no matter of how long

standing, giving health and vigor to the

frame, and bloom to the pallid cheek!

JOY TO THE AFFLICTED!!!

It cures nervous and debilitated suffer-

ers, and removes all symptoms, among

which will be found indisposition to ex-

ercise, loss of power, less of memory,

difficulty of breathing, general weak-

ness, horror of disease, Weak nerves,

trembling, dreadful horror of death,

night sweats, cold feet, wakefulness,

dimness of vision, languor, universal

languor of the muscular system, offen-

sive eruptions, with dyspeptic

symptoms, hot hands, flushing of the

body, dryness of the skin, pallid coun-

tenance and eruptions on the face, pain

in the back, heaviness of the eyelids,

recently black spots flying before the

eyes, with temporary suffusions and loss

of sight, want of attention, great mobili-

ty, restlessness, with horror of society

Nothing is more desirable to such pa-

tients than solitude, and nothing they

more dread for fear of themselves; no

repose of manner, no earnestness, no

speculation, but a hurried transition

from one question to another.

These symptoms, if allowed to go on

which this medicine invariably removes

soon follows loss of power, fainting, an

epileptic fit—in one of which the pa-

tient may expire. Who can say that

these excesses are not frequently follow-

ed by those direful diseases—insanity

and consumption? The records of the

insane asylums, and melancholy deaths

by consumption, bear ample witness to

the truth of these assertions. In Lunatic

Asylums the most melancholy exhibi-

tions appear. The countenance is

actually sodden and quite destitute—

neither mirth or grief ever visits it.

Should a sound of the voice occur, it is

rarely articulate.

"With woful measures woe despair

Low sullen sounds his grief beguiled."

Debility is most terrible and has

brought thousands upon thousands to

untimely graves, thus blasting the am-

bition of many noble youths. It can be

cured by the use of this

INFALLIBLE REMEDY.

If you are suffering with any of the

above distressing ailments, the Fluid

Extract Buchu will cure you. Try it

and be convinced of its efficacy.

Price \$1 00.

One hundred Dollars will be paid to

any Physician who can prove that the

medicine ever injured a patient; and

the testimony of thousands can be pro-

duced to prove that it does great good.

Cases of from one week to thirteen

years standing have been effected.

The mass of Voluntary Testimony in

possession of the Proprietor, vouching

its virtues and curative powers, is im-

meuse, embracing names well known to

100,000 BOTTLES HAVE BEEN SOLD,

MIX HORSE POWERS.

A NEW THRASHING MACHIN

GEORGE S. GRIER

MILFORD, DEL.

They work well with any number of

horses from 4 to 8, and are warranted

not to break by 8 horses; the only ma-

chine that is warranted not to break.

DESCRIPTION.—The main wheel does

not turn, but stands stationary, with a

double row of cogs, and 5 wheels gear-

ing directly into it, with 15 cogs al-

bearing equal strain; there are 10 wheels

in the machine, 5 of them run with

their hubs in oil cups.

I warrant the machines to do good

work with 4 horses; and they are so

constructed that they cannot be broken

by dreshing out wheat, rye, oats or

corn.

PRICE, from \$80 to \$105 for Horse

Power.

THRESHERS ALL IRON!

I have Threshers which I warrant to

thresh and fan 60 bushels of wheat per

hour, ready for market. Price \$100.

Also Threshers with or without seper-

ators with 20, 25, and 30 inch cylin-

ders, either close or open, of Iron, with

the teeth all put in with screw and

a nut on each tooth, so that they cannot

fly out. I warrant them to thresh clean

and cut no grain, and give satisfaction

to the purchaser. Price from 25 to \$60.

BELTING of all widths, war-

ranted not to stretch, and perfectly

straight, with only one joint, and any

length required; the heat of the sun nor

the rain does not effect it. It is more

durable than leather, at a less price.

CLIMAX GRAIN FAN

PATENTED 1858.

I warrant this Great Fan to clean any

kind of grain or seed, with less trouble

and easier on the operator, than the best

Fan of your knowledge, for \$25. They

are 24 inches in width; five Riddles 20

by 24 inches, and they have an easy

and motion. Other fans have a side

motion. In this fan the bottom of the

hopper shakes and feeds itself if desired,

and the wind is so conveyed upward

that the chaff never strikes the riddle,

so they will clean wheat or other grain

without a riddle if desired, and take out

the chaff, cockle and smut. Therefore

I sell them as a better Fan than any

other pattern, and if they are not I re-

fund the money. They will chaff 50

bushels of wheat per minute. They

took the premium in Delaware, Penn-

sylvania, New York, New Jersey, and

everywhere that they have been tried,

over all others.

Price \$25.

CORN SHELLERS for horse

power, warranted to shell with ease 100

bushels per hour, separating the corn

from the cobs, 3 sizes and different

patterns. Hand Shellers, single and

double, the very best.

Heavy and light machinery, of any

kind, made and repaired.

Castings of any kind for Steam

Engines, Saw or grist Mills, Gearing

and shafting, Spindles, Gudgeons, bored

and fitted ready for use. I have a full
