LA MOTT'S COUGH DROPS.

Valuable Medicine for Coughs, Consumptions and Asthmas.

This Elixir is offered to the public as possessing virtues peculiarly adapted to the present prevailing disorders of the breast and lungs leading to consumption. A timely use of these drops may be considered a certain cure in most cases of *Common Colds, Coughs, Influenza, Hooping Cough, Pain in the Side, Difficulty of Breathing, Want of Sleep* arising from debility, and in *Sinus modic Asthma*, it is singularly efficacious. A particular attention to the directions accompanying each bottle is necessary.

The following certificates from respectable gentlemen, Physicians and Surgeons are subjoined, to show that this composition is one which Medical men are disposed to regard as efficacious and worthy of public patronage.

Having examined the composition of LA MOTT'S Cough Drops, improved, we have no hesitation in recommending them to the public, as being well adapted to those cases of disease for which they are recommended.

DOCTORS JONATHAN DOANE, Albany Dec. 4, 1824;
JAMES POST, of White Creek, Feb. 14th 1825;
WATSON SCRIBE, of Cambridge, Feb. 20th, 1825;
SOLOMON DEAN, of Jackson, January 20, 1825.

Extract of a letter from Rev. Ebenezer Harris.

I am pleased with this opportunity of relating a few facts which may serve in commendation of your excellent Cough Drops. For ten years I was afflicted with a pulmonary complaint, my cough was severe, my appetite weak, and strength failing. I used many popular medicines, but only found temporary relief, until by a continued use of your valuable Drops, I have been blessed with such perfect health as to render further means unnecessary.

EBENEZER HARRIS.

Salem, N. Y. Jan 12, 1825.

Messrs. Crosby's.—I have for 18 years been troubled with an affection of the breast and lungs, attended with a severe cough, pain in the side, and difficulty of breathing; and in the fall of 1825, I became so much reduced that my life was despaired of and receiving no visible benefit from my physician, I was advised to make trial of La Mott's Cough Drops, and after taking one bottle was restored to perfect health; and it is my firm belief, that the use of the above named drops, saved my life. THOMAS JONES.
