"I'LL NEVER GO THROUGH ANOTHER WINTER SHOVELING COAL, I'M PHONING FOR A WILLIAMS OIL-O-MATIC HEATING ESTIMATE TODAY!"

**Install OIL-O-MATIC now!**  
Under the New Summer Plan  
(Monthly payments don't begin until October 1)

THERE'S mutiny below . . . in thousands of basements. Men—yes, and women, too—who have patiently shoveled tons of coal into the furnace, then shoveled it out again in ashes . . . are finding how little it costs to have clean, care-free Williams Oil-O-Matic heat.

Just think of it! Mass production (Oil-O-Matic is the world's largest selling oil burner) has reduced Oil-O-Matic prices 50% in five years! The new Williams Oil-O-Matic cuts fuel costs to the bone. Now add to this what Oil-O-Matic saves you in ash hauling, furnace cleaning and repairs, cleaning and decorating costs and doctor bills due to uncertain coal heat. Do you see why the majority of Oil-O-Matic owners in a recent investigation said, "It costs no more than coal!"

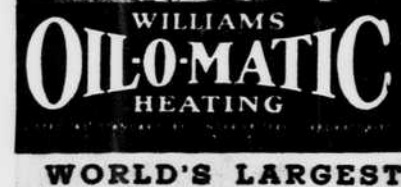

Don't shovel coal another winter. Williams Oil-O-Matic can be installed in your present heating plant in a few hours. And Oil-O-Matic's *Summer Plan*, under the FHA program, permits installation NOW with no monthly payments until October 1st—low interest—12 to 36 months to pay balance. Write or phone us today for a free heating estimate.

AT LAST Cedar Hill makes it possible for those interested in crypt entombment to provide the perfect tribute for those they love.

To be the "perfect tribute," the last resting place must be not only beautiful . . . but everlasting . . . one that shall endure beyond the memory of the loved ones.

The Cloister Mausoleum is such a tribute. An investment in this stately American Gothic edifice is an investment in time beyond the power of the human mind to comprehend.

Those who respond to this announcement will get the benefit of the lowest prices. The limited number of crypts available has been further reduced by subscriptions at these construction prices, so all who are interested should take prompt steps to avail themselves of the opportunity to make their reservations at once.
