American 5th Army, Victors in Italy, To Be Broken Up

July 8. — The American military rejoiced this week because the Italian front has been broken. It is believed that the war will be ended in August. This division, which is the last division of the United States to go to war, has been fighting in the Trentino since June 24, and is now being redeployed to the north of Italy for a rest before returning to the front.

July 9. — Louise of N.W. is a wonderful woman. She has been married for 15 years and has 3 children.
