Army Report on Ports

Army Report on Ports Seen of Little Value

In Grounding of 'Mo'

The Army announced today publication of a report on the Ports of Investigate

Brewster, Va., as

that

involving the canal.

A number of Navy personnel and pilots would have been at risk if the

sunk Tuesday night.

The Missouri was grounded for 18 days on a mudbank near

River. Commander of a Naval Vessel of Navy was
dead in a boat, but released after an investigation was

Vista through which the Missouri was driven. The boat
driving the Missouri, but that the
